He referred to some of the problems affecting the work and to the great opportunity before the Church at the present time in India.

Mrs. A. R. McMurich, President of the W.M.S. (W.D.), introduced Miss Lily Macarthur, Deaconess. Miss Macarthur, at the request of the W.M.S., gave a review of her work carried on for twenty-five years, in connection with the immigration work at the ports of entry, in the Western Provinces, and in the Mining Districts in Northern Ontario, and at Val d'Or, Quebec.

Mr. J. B. Skene, the last Moderator, then addressed the Assembly, and gave a review of his work, and of his visit to the Churches during his Moderatorial year. He pointed out that a year is all too short to enable the Moderator to cover all the ground. He offered some suggestions regarding the future policy of the Church, especially in the Western Synods. He also called attention to some of the conditions existing in the Church that call for careful attention. The Moderator in the name of the Assembly thanked the speakers for their inspiring and helpful addresses.

CHURCH AT TIMMINS

For the General Board of Missions, Mr. W. M. Mackay presented the following resolution:

The General Assembly of The Presbyterian Church in Canada meeting in Knox Crescent Church, Montreal, hereby records its sense of the urgency for the immediate erection of a church building in the City of Timmins, in the Province of Ontario, for the following reasons:

1. The congregation has been worshipping for over two years in a hall which at the present is available for only one hour on Sunday afternoon, and the same in the evening.
2. The building is not conveniently situated and does not provide sufficient accommodation for the growing congregation.
3. There is a large Presbyterian constituency in the city not being reached by any other Church.
4. That \$6,000 have already been expended in establishing this work in Timmins.

The General Assembly respectfully urges that in the light of the above facts the Commission on Building Construction be respectfully urged to consider favourably the request of the Timmins Congregation for permission to proceed with the work of construction.

[4407]

Upon the motion of Mr. W. M. Mackay, seconded by Mr. J. B. Skene, the resolution was unanimously adopted.

REPORT OF THE BOARD OF EDUCATION

The Assembly called for the report of the Board of Education, which was given in and read by Professor F. W. Beare, the Chairman. Upon the motion of Mr. J. B. Skene, duly seconded, it was agreed to receive the report and to consider its recommendations seriatim.

The recommendations were dealt with as follows:—

Mr. R. S. Stevens (Presbytery of Edmonton)—Recommended that the application be granted.

Mr. A. Ross MacKay (Presbytery of Maitland)—Recommended that he be required to take one year's study under the direction of the Senate of one of our Theological Colleges, the Senate to report back to the next General Assembly, but that Mr. MacKay be encouraged to proceed to a degree in a recognized University.

Mr. E. H. Bean (Presbytery of Miramichi)—Recommended that he be required to take a year's study under the Senate of one of our Colleges, the Senate to report back to the next Assembly.

Mr. Leland C. Jorgensen (Presbytery of Miramichi)—Recommended that as Mr. Jorgensen lacks the requisite qualifications in Arts, permission to receive him be not granted. It is further recommended that interim-moderators be instructed to exercise great caution in inviting ministers from outside the bounds of The Presbyterian Church in Canada to supply vacant charges, and further, that it must be clearly understood that such invitations are in no sense to be regarded as a step towards reception by the Assembly.

Mr. C. F. Laine (Presbytery of Calgary)—Recommended that in view of information received from the Presbytery of Winnipeg, this application be laid on the table, and the Presbytery of Calgary furnished with the information which has been laid before the Board.

Mr. George Cowan (Presbytery of Brandon)—Recommended that he be required to take the final two years in theology in one of our Theological Colleges.

Mr. A. F. Howick (Presbytery of Calgary)—Recommended that no action be taken as the information supplied is inadequate.

Mr. J. W. Bell (Presbytery of Kootenay)—Recommended that he make application to the Senate of one of the Colleges for enrollment in the regular course.

Mr. J. W. B. Kat—Application withdrawn.

Mr. J. Giguere (Presbytery of Montreal)—Recommended that the application be granted.

Mr. Donald MacLeod (Presbytery of Quebec)—Recommend that the application be granted as the conditions imposed by the Assembly of 1940 have been substantially fulfilled.

Mr. John Herbison—Permission to enter upon the study of theology without further studies in Arts was accorded by the Assembly of 1939.

[4408]

The Senate of the Presbyterian College reports that he has completed the full course in theology to its complete satisfaction, except that he has no Greek or Hebrew. It is recommended that any Presbytery in the Church be authorized to take Mr. Herbison on trial for license.

Mr. Roland T. Moores—As Mr. Moores has complied with the conditions imposed by the Assembly of 1941, it is recommended that the Presbytery of Montreal be authorized to receive him as a minister of The Presbyterian Church in Canada.

Mr. E. A. Rivard (Presbytery of Montreal)—As the Board has now been supplied with the information which was lacking in 1941, and as Mr. Rivard's credentials were found to be in order, it is recommended that the Presbytery be authorized to place his name on the Appendix to its Roll.

Mr. Angus MacKay, Missionary at Jhansi (Presbytery of Maitland)—As the Board has not been provided with any information, no action can be taken.

Mr. A. A. Downey (Presbytery of Regina)—In view of the long and faithful service rendered by Mr. Downey, and his advanced age, it is recommended that the application be granted.

Mr. A. C. MacPhail (Presbytery of Prince Edward Island)—Recommended that he be permitted to register in the six year course, and to take his studies in Arts in part extra-murally, under the direction of the Senate of Montreal College.

Mr. P. R. Stutsman (Presbytery of Saskatoon)—Recommended that he be required to take a year's study extra-murally under the direction of the Senate of The Presbyterian College, Montreal, the Senate to report back to the next Assembly.

Mr. C. E. Bray (Presbytery of Red Deer)—The Board sees no reason to review the decision of the 1941 Assembly.

Upon motion, duly seconded, the several recommendations dealing with the applications of Mr. R. S. Stevens, Mr. A. Ross MacKay, Mr. E. H. Bean, Mr. Leland C. Jorgensen, Mr. C. F. Laine, Mr. George Cowan, Mr. A. F. Howick, Mr. J. W. Bell, Mr. J. Giguere, Mr. Donald MacLeod, Mr. John Herbison, Mr. Roland T. Moores, Mr. E. A. Rivard, Mr. Angus MacKay, Mr. A. C. MacPhail, Mr. P. R. Stutsman and Mr. C. E. Bray were adopted.

Upon motion, duly seconded, the recommendation in the case of Mr. A. A. Downey was referred back to the Board.

Professor F. W. Beare submitted a further report as follows:—

"The Board of Education was instructed by the General Assembly of 1941 to recast the entire section of the Book of Forms entitled 'Education of Students', to give clarity and coherence to its provisions without introducing fundamental change, and to set forth more definitely the type of Arts Course that will be considered prerequisite to a proper Theological Education. This task has been accomplished and the draft of the revision, as approved by the Board, is now laid on the Clerk's table for the use of the Committee charged with the printing of the Book of Forms."

[4409]

Re OVERTURE NO. 2 UNPRINTED, SYNOD OF BRITISH COLUMBIA

Professor F. W. Beare reported for the Board of Education on the Overture from the Synod of British Columbia, *re* The Establishment of a Summer School of Theology in the City of Vancouver:

"The Synod prays for the establishment of a Summer School in Theology in the City of Vancouver. Inasmuch as very few students from the Province of British Columbia have offered themselves as candidates for the Christian Ministry in recent years, and as the cost of establishing such a school is prohibitive; and as the Board of Missions now provides transportation to and from the fields for students who serve 20 weeks under its appointment; it is recommended that the prayer of the Overture be not granted while present conditions continue.

It was moved in amendment, duly seconded, that the Overture be received; and that the following Committee from British Columbia be appointed to consider and to report to next Assembly, a definite statement of the needs, possibilities and necessities of any scheme to be submitted."

Mr. J. B. Skene, Mr. Harry Lennox, Mr. S. Lundie, and Mr. J. L. W. McLean, Ministers; and Mr. C. H. Gordon and Mr. Justice Manson, Elders.

The recommendation of the Board was received and considered. After debate it was agreed to add the amendment to the report.

Upon motion, duly seconded, the report, as thus amended, was adopted.

Further consideration of the report was deferred to a later Sederunt.

TREASURER'S REPORT

The Assembly called for the Treasurer's Report, which, with the consolidated balance sheet certified by the auditors, was presented by the Treasurer, Mr. E. W. McNeill, upon whose motion, duly seconded, it was received, considered and adopted.

THANKS TO MR. MCNEILL

In adopting the report, and in recognition of his faithful service as Treasurer throughout the past sixteen years, the Assembly stood as an expression of its thanks to Mr. McNeill.

REPORT OF THE HISTORICAL COMMITTEE

The Assembly called for the report of the Historical Committee. This report was presented by Dr. A. L. Budge, the Convener, who contented himself with drawing attention to a few of its leading features, as printed. Dr. Budge moved, duly seconded, and it was agreed that the report be received and its recommendations considered. The following recommendations were submitted and adopted:—

1. *Re* Presbytery of Carriekfergus. (a) That the Assembly instruct the Business Committee to provide for an Order of the Day on June 10th when the 300th Anniversary of the organization of the first Presbytery in The Presbyterian Church in Ireland may be suitably observed.

[4410]

(b) That the Moderator name a Special Committee to make the arrangements.

2. *Re* the Westminster Assembly of Divines. (a) Your Committee is aware of the approaching 300th Anniversary of the Assembly of Divines at Westminster, London, and of the interest shown in the 'Mother' Church of Scotland and by the 'Daughter' Churches throughout the World. It is therefore recommended that a Special Committee be appointed to:

(b) Take up the subject, explore the possibility of deriving inspiration from the occasion for the whole Church, and also,

(c) To arrange for its presentation in the various Courts of the Church and for the organization of meetings everywhere of old and young. The actual date is June 12, 1643.

3. *Re* the Disruption of the Church of Scotland. Your Committee has also noted the action begun already in the Old Country to 'observe' the 100th Anniversary of what is usually called the 'Disruption of the Church of Scotland' and would recommend:

(a) That whereas the climax was reached actually on November 17, 1842, at a Convocation in Edinburgh, that is, bringing the Anniversary this fall; also the ecclesiastical break, following, on March 18, 1843, in the Old Country, and a year later, July 10, 1844, in Canada, therefore, the proposed Special Committee be further instructed to take up this subject, hoping that plans will be formed for the 'observance' and that suggestions be given out for the good of the whole Church.

(b) That whereas, The Presbyterian Church in Canada has enjoyed the benefits of a fortunate union of her historic branches in this Dominion for at least three generations, and

WHEREAS, even in Israel the gathering of tithes and offerings required the warming of souls by the Feast of Tabernacles, therefore, it is recommended that there be a sounding of Thanksgiving Trumpets throughout our Church for God's gracious dealing with her, the same to accompany the gathering of tithes and offerings to free her now from a burdensome debt. The report as a whole was adopted.

REPORTS OF THE COLLEGES AND RELATED MATTERS

The Assembly resumed consideration of the reports of the Colleges, and the resolution submitted by Mr. W. M. Mackay at a former Sederunt. Mr. W. M. Mackay was granted permission to amend his resolution, and submitted the following, which was seconded by Mr. Wm. Weir:—"That a Committee be appointed by this Assembly to investigate conditions in our Theological Colleges in matters touching—

1. The policy governing the composition of the Board of Knox College and the Senate of Knox College and the relation of one to the other.
2. The practices affecting the lecture courses, the studies involved, written examinations and the marking thereof.
3. All matters affecting the life and work of the student bodies.

That a Nominating Committee be appointed to submit to this Assembly the names which will constitute the Committee, and to report to the next General Assembly."

Dr. T. Wardlaw Taylor was granted permission to withdraw the motion which he submitted at the fifth Sederunt.

PETITION OF TORONTO PRESBYTERY

The Assembly called for the Petition of the Presbytery of Toronto which was read by Dr. J. W. MacNamara.

"The Presbytery of Toronto, at a regularly called meeting, held in Riverdale Presbyterian Church, Toronto, on Thursday, 16th April, 1942, and duly constituted with prayer by the Moderator, on the recommendation of its Committee on the Examination of Students, resolved and proceeded to license four students of the final year in Knox College, who were not in receipt of the Diploma of the College. The Presbytery was fully satisfied that these men had taken the regular course prescribed by the Church in Arts and Theology, but found that they had failed to secure the necessary standing in Old Testament to secure the Diploma of the College. (One of the four failed to secure the average mark necessary to get a pass in the

[4412]

subject; the other three failed to get one paper out of three in the subject but secured an average of 50% or over in the whole of the papers in Old Testament). While the Presbytery recognized that the action it took, might be deemed irregular in light of paragraph 205 of the Book of Forms, yet it felt it would be remiss in its care for the well-being of the Church if it failed to take the course of action it pursued.

The following reasons were considered in determining its action:

1. From an examination of the four students concerned, and of their classmates, Presbytery's Committee was convinced that there had been no deliberate shirking in their studies of the subject in which failure had occurred.

2. The average standing in the subject concerned of three of the students was high enough to give them a mark necessary for a pass, viz., 50% or over. The fourth man, however, did not reach the 50% mark.

3. In all subjects the average mark of all four students was 60% or over.

4. One student in the final year received his diploma with less than 60%.

5. But Presbytery, in addition, kept in mind the fact that at present there are over sixty of our ministers in Chaplaincy service. Their places have to be filled and the natural place to look is to the ranks of the graduating classes of our Colleges. This, in the mind of Presbytery, constituted an emergency that demanded action.

6. Further, Presbytery faced another fact. The contribution of the Church to the armed forces is drawn from an age class that is determined by a Government enactment. Few, if any graduates, are thus eligible for Chaplaincy service, but they can make possible the enlistment of a minister who is eligible and who may wish to go. But if a final year man is not licensed, he immediately becomes eligible for the draft. Once drafted, his services are no longer available for the ministry until he is discharged from the army. Two theological students from Knox College have already been drafted. In one case, in which an appointment to a mission field had been made, the appointment had to be cancelled. The ranks of the ministry were thus being subjected to a double call—to supply Chaplains and to supply fighting men. This, in the mind of the Presbytery, constituted an urgency for acting.

Having all these things in mind, the Presbytery decided to proceed with the licensing of the four students, and further, to ask that, if they be deemed to have acted in an irregular way, the General Assembly, under these special circumstances, will condone the irregularity."

Upon motion of Mr. W. T. McCree, duly seconded, it was agreed to receive and consider the Petition. Mr. McCree then appeared on behalf of the Presbytery of Toronto in support of the Petition. Mr. McCree moved, seconded by Dr. A. T. Barr, that the prayer of the Petition be granted. Dr. Robert Johnston moved in amendment, duly seconded, "That while this Assembly refuses to take any action in answering the Petition of the Toronto Presbytery, we would strictly enjoin the Presbytery of Toronto and all other Presbyteries not to commit any similar breach of the regulations of the Church." Upon the vote being taken, the amendment prevailed

[4413]

and became the judgment of the Court. Mr. J. B. Skene and Dr. A. L. Budge requested that their dissent be recorded.

Dr. T. Wardlaw Taylor submitted the following amendment to Mr. Mackay's motion, seconded by Dr. Stuart C. Parker:—"The General Assembly deeply regrets that any Commissioners should feel that they have cause to complain of conditions such as are declared in the resolution of Mr. W. M. Mackay to exist in the life and work of Knox College. The Assembly, however, cannot institute a judicial inquiry without having first received specific charges defining and limiting such inquiry. The Assembly, therefore, remits to the Board of Management of Knox College the resolution of Mr. Mackay, with instructions to consider the same, to remedy such unsatisfactory conditions, if any, as may be within their jurisdiction, to prepare for the Assembly a definite and detailed statement of such matters, if any, as they may deem to make investigation necessary, but which are beyond their own powers, and to report their action to the next Assembly. And the Assembly enjoins Mr. Mackay and Mr. Weir to present to the Board of Management any evidence they may have and which may support the allegations of the said resolution."

Upon the vote being taken as between the motion and the amendment, the former prevailed and became the judgment of the Court.

Dr. T. Wardlaw Taylor asked to have his dissent recorded for reasons to be given in. Dr. S. C. Parker also asked to have his dissent recorded for reasons to be given in.

Upon motion of Mr. W. T. McCree, duly seconded, the reports of the Board and Senate of Knox College were adopted.

Upon motion of Dr. D. J. Fraser, seconded by Mr. C. M. Pitts, the reports of the Board and Senate of the Presbyterian College, Montreal, were adopted.

J. O'Neil, Mr. C. H. Bowman, Mr. Murdo D. McKenzie, Mr. J. F. Carmichael, Mr. R. H. Williams, Mr. R. J. Hay.

REPORT OF THE COMMITTEE ON THE SUSTENTATION FUND

The Assembly called for the report of the Committee on the Sustentation Fund, which was given in by Dr. A. T. Barr, in the absence of Dr. J. G. Inkster, the Convener, who referred to the progress of the work entrusted to the Committee. On the motion of Dr. Barr, duly seconded, it was agreed to receive and consider the report and its recommendations.

The recommendations were considered seriatim and adopted. The report was adopted as a whole.

The Assembly called for the report of the Board of Sabbath Schools and Young People's Societies, which, as printed together with a summary of the statistical reports of Presbyteries, was given in by Mr. E. A. Thomson in the absence of Dr. M. B. Davidson, the Chairman. Upon the motion of Mr. C. M. MESSAGE TO DR. KANNAWIN

Mr. Thomson then called upon Mr. C. M. Pitts, who addressed the Assembly on the work of the Church in the various departments of the Sabbath School, and referred to some of the difficulties arising out of modern conditions.

Mr. Thomson then called upon Miss Margaret Webster, Girls' Work Secretary. The Moderator welcomed Miss Webster, who addressed the

[4415]

Assembly on the work of her department. Miss Webster appealed for the co-operation of our Ministers, Kirk Sessions and Congregations in her work.

The Moderator invited Mr. Wm. Lawson, President of the Ontario Provincial Young People's Society, to the platform, when he spoke of the work undertaken by the Church among her Young People. He referred to the serious problems confronting the Church, through the enrollment of so many young men and women in the various branches of War Service, and the question of how to win and hold them in the service of the Church in the coming days.

Mr. J. L. W. McLean, of Victoria, was welcomed to the platform by the Moderator, and spoke on "The Church and Youth." Mr. McLean urged that our Ministers should get to know their young people, and their problems, and be kindly and sympathetic in their dealings with them, and in using every opportunity to help them. He called attention to the necessity for leadership in our Sunday Schools, and of securing trained teachers for effective teaching.

Mr. Thomson, on behalf of the Board of Sabbath Schools and Young People's Societies, thanked the speakers for their addresses. [4416]

REASONS FOR DISSENT—DR. T. WARDLAW TAYLOR

I beg leave to record my dissent from the action of the Assembly in relation to the Colleges of the Church.

1. Because I believe such action to be unjust and harmful to the best interests of the Colleges and the Church.

2. Because I believe that the action of the Assembly, in joining two separate Institutions in one common inquiry and without any distinctions, must confuse the issues, and may create lasting bitterness among many members of the Church.

Mr. F. G. Fowler gave notice that at a future Sederunt he would move to reconsider the action of the Assembly in the case of Mr. Angus MacKay.

Mr. A. N. Miller moved that the recommendation be further amended by the addition of the words, "and also to consider the whole question of the relationship of the Sabbath Schools to the Church and the congregations, and the matter of the plan, curriculum and objectives in the Christian instruction of the young." This was seconded by Mr. G. L. Douglas, but a vote being taken the amendment was lost. Upon the motion of Mr. C. M. Pitts duly seconded, the first recommendation, as amended, was adopted. Upon the motion of Mr. C. M. Pitts, duly seconded, the second recommendation was adopted and the third recommendation being amended by the deletion of the word "United," it was also adopted. Upon his further motion, the fourth was adopted. The fifth recommendation was then considered and approved. The sixth was adopted by a standing vote. A further recommendation was moved by Mr. J. A. Parker, and adopted as follows:—"That a study of the possible advantage and greater benefit to the Sabbath Schools and Church, through a syllabus of Bible Studies prepared and issued by the Assembly's Board be commended." Upon the motion of Mr. Pitts, duly seconded, the report, as amended, was adopted as a whole.

Dr. N. A. MacEachern was invited to address the Assembly, and spoke on the work of Presbyterian Publications and its steady development since its inception. Dr. Parker reported upon Overture No. 6, Presbytery of Victoria, re Chaplaincy Service and No. 19, Synod of Hamilton and London re Chaplains in His Majesty's Service, which were remitted to this Committee for consideration, and pointed out that, since the matters referred to in these Overtures, are dealt with in the report, no further action is required. This was agreed to. Mr. J. A. MacInnis moved, seconded by Mr. W. T. McCree, and it was agreed, "That the General Assembly, keenly conscious of the growing need for increased numbers in the Chaplaincy Service, and that the present age limit severely restricts the qualified constituency, therefore, instructs its Committee on Chaplaincy Service to make the strongest possible representation in its name and behalf, to the Departments, and Minister of National Defence and Principal Chaplains (P) to raise or extend the present age limit to fifty-five years."

OVERTURES NOS. 18 AND 24 AND MEMORIAL FROM THE PRESBYTERY OF PARIS

Dr. Stuart C. Parker reported for the Committee to which these Overtures were remitted.

Overture No. 24—This Overture asks for “a declaration that will answer” certain questions there set forth, and the Special Committee submits the following answers:—

1. The State does not claim “the right to call the Church to the observance of days and seasons,” but invites and urges all citizens, including those of the Church, to participation in occasional acts of recognition of God. As the question of right does not arise, there is no useful purpose served by any declaration by the Church in the matter.

2. The voice which is obeyed by those who respond to such invitations is the voice of their own judgment as to whether an approach to God’s Throne of Grace or a recognition of God’s sovereignty over life is in the circumstances seemly and desirable.

3. Voluntary (national or otherwise) organizations and movements do not “determine what times and seasons the Church shall observe” but invite the participation of Ministers and their people in such joint movements. As there is no power of compulsion or claim to such power involved,

therefore, no declaration in the matter by the Church is required. If the cause represented by such movements or organizations is brought before a Church Court, there will be an expression of opinion of that Court regarding it, which will naturally command the respect and adherence of those under the Court’s jurisdiction. But such causes are neither to be commended nor condemned in general terms which take no account of the merits of each.

4. It is neither possible, nor desirable, to approve or otherwise of the association of our Ministers with such movements or organizations in general, *i.e.*, apart from consideration of the ends and methods of the particular organization. The use of the “official designation” of any minister in the case of his expressing approval of any organization or movement is solely to signify who he is, and does not bind the Church to any action. Individuals may take action on the ground of their respect or otherwise for his judgment: there is, and can be, no rule against following or refusing to follow another individual’s example.

5. In general, the Church cannot officially approve of “Divine Service” that is not distinctively Christian in character. But whether Ministers shall or shall not approve of and even take part in gatherings, which are not Christian Services, but gatherings intended to bring men of various classes and faiths together for an object which the Minister considers to be for the good of men, must be left, as it has always been left, to the judgment of the Minister. Ministers belong to and take part in the ceremonies and proceedings of various societies and fraternal orders in which the distinctive Christian doctrines and even the name of our Lord Jesus Christ are not in evidence.

It is the view of your Committee that no general “declaration” is required and that the answers here given are a sufficient granting of the prayer of the Overture.

Dr. Parker moved, seconded by Mr. C. M. Pitts that the report of the Committee on Printed Overture No. 24 be adopted. Mr. A. N. Miller moved, duly seconded, that the report be laid on the table. Upon the vote being taken the motion (to lay on the table) was lost. Upon motion of Dr. A. S. Reid, duly seconded, it was agreed to adjourn the debate to a later Sederunt.

Dr. S. C. Parker then reported upon Overture No. 18, Synod of Hamilton and London *re* “The Civil Magistrate,” and the Memorial from the Presbytery of Paris, “For a Declaration of Liberty of Conscience, and the Lordship of Christ over the State,” and recommended as follows:—

These are on the same subject and pray for “A Confession of Faith with respect to the powers and duties of the Civil Magistrate and the relation which exists, under the Lord Jesus Christ, between the Church and the State.”

Your Special Committee recommends that the prayers of the Overture and the Petition be not granted in view of the facts that (a) no issue as to the relations of Church and State exists in this land, (b) the said relations, as they are among us, are founded upon mutual respect and goodwill, requiring no formal declaration by the Church as to delimitations or respective rights, other than those already set forth in chapter XXIII of the

Westminster Confession of Faith, and interpreted in Art. II of the Basis of Union of 1875; and (c) to make formal pronouncements or claims in such circumstances would provoke, without any good purpose being served, controversy and division, not only between Church and State, but within the Church itself.

Dr. Parker moved, seconded by Mr. C. M. Pitts, that the report with its recommendations be adopted. Mr. G. A. Peddie appeared in support of the Memorial.

The hour of adjournment having arrived further consideration of the Overture and Memorial was deferred to a later Sederunt.

OVERTURE NO. 18 AND MEMORIAL, PRESBYTERY OF PARIS

Mr. G. A. Peddie resumed the debate upon Printed Overture No. 18 and the Memorial from the Presbytery of Paris, and moved in amendment to the recommendation of the Committee, seconded by Mr. G. L. Douglas, "That the Memorial of the Presbytery of Paris, together with Overture, No. 18 from the Synod of Hamilton and London *re* the Civil Magistrate be sent down to the Presbyteries of the Church for study, with instructions to report their conclusions to the Clerks of Assembly before March 31st, 1943."

Dr. John McNair moved in amendment to the amendment, seconded by Dr. A. S. Reid, "That the Assembly appoint a competent committee to take this matter into consideration and bring in a finding at next Assembly." Upon a vote being taken as between the amendment to the amendment and

[4422]

the amendment, the former prevailed and became the amendment. Dr. A. L. Budge then moved in amendment to the amendment, seconded by Mr. Henry Cousens, "That, whereas, the Assembly encourages the study by our Ministry of the standards of the Church, and whereas, in this terrible era of a world war there are many troubled consciences among our people and others requiring counsel on the duties of citizenship, therefore, the Assembly requests the Moderator to issue a message touching upon this matter, along with other problems requiring guidance."

Upon a further vote being taken as between the amendment to the amendment, and the amendment, the latter prevailed, and upon a further vote as between the amendment and the recommendation of the Committee, the amendment prevailed and became the judgment of the house.

Upon a vote being taken the recommendation was lost.

Cowan, the Convener, who directed attention to its salient features as printed and in the hands of members. Mr. Cowan moved, duly seconded, and it was agreed to receive the report and to consider its recommendations *seriatim*.

The recommendations were considered. Mr. Cowan moved, duly seconded, that the first recommendation be adopted, with the addition of the words "and that it be introduced to our students during their College course". This was agreed to. REPORT OF THE BOARD OF EVANGELISM AND CHURCH LIFE AND WORK

It was moved by Mr. Thomson, duly seconded, and agreed that the report be received and its recommendations considered *seriatim*. [4424]

as printed. No. 3 was amended to read "conveyed to the Churches in sufficient time". No. 4 Sub-section "B" was deleted and Sub-section "D" was referred back to the Board to be further considered, and the recommendation No. 4 as thus amended was, upon motion, duly seconded, adopted. No. 5 was adopted, as printed.

The section of the report beginning with the words, "The Board having had its attention called to the fact" and ending with the words "The Gospel or Word as it has been preached in all ages" was withdrawn by the Chairman of the Board after discussion in the Assembly.

It was moved by Mr. G. L. Douglas, duly seconded, and agreed, that the Board having had its attention called to the fact that there seems to exist, in the mind of some, doubt in regard to what the Gospel is, begs to recommend a renewed study of the subordinate standards of our Church, namely, the Westminster Confession of Faith, and the Larger and Shorter Catechisms.

Mr. Thomson reported upon certain Overtures remitted to this Board, and recommended as follows:—

No. 1, *Re* Baptism of Infants, Presbytery of Toronto. That the Board draws attention to Section IV, Chap. 28 of the Confession of Faith, "Not only those that do actually profess faith in and obedience unto Christ, but also to the infants of one or both believing parents are to be baptized."

Shorter Catechism. "Baptism is not to be administered to any that are out of the visible Church, till they profess their faith in Christ, and obedience to Him, but the infants of such as are members of the visible Church are to be baptised."

The Board recommends that this Overture be sent to the Board for further consideration.

Overtures Nos. 12 and 20 from the Presbytery of Hamilton, and the Synod of Hamilton and London, *re* Bible Sunday. In an effort to meet the wishes of the Bible Society many Presbyteries hold a "Bible Sunday" when the Society's representatives are available. The Board, therefore, recommends that this Overture be set aside in the meantime.

[4425]

to study problems of reconstruction" be referred to the Board of Sabbath Schools and Young People's Societies.

Overture No. 7, Presbytery of Montreal, *re* Youth Delinquency. This Assembly sorrowfully draws attention to the widespread juvenile delinquency and recommends that there be closer supervision of children by parents. The Board recommends that the matter of early curfew laws be enacted and enforced by local authorities.

Upon motion of Mr. Thomson, duly seconded, the recommendations were adopted. The report as a whole, as amended, was adopted on motion of Mr. Thomson, duly seconded.

BOARD OF EDUCATION

Professor F. W. Beare submitted a further report on behalf of the Board of Education, and recommended as follows:—

Mr. A. A. Downey, Presbytery of Regina. On reconsideration, it is recommended that the prayer of the Petition be not granted.

Rev. Edward Bragg, Missionary in British Guiana, Presbytery of Toronto. Recommended that when two clear months shall have transpired from the issuance of notices to Presbyteries, the Presbytery of Toronto be given leave to receive him into the ministry of this Church, if no objection to his reception has been registered. The recommendations were adopted.

RECOMMENDATION *re* DEVELOPMENT OF THE OFFICE OF LAY READER

As it is becoming increasingly clear that the needs of the Churches cannot be met entirely by ordained men, as no sufficient supply of such men is available now, or likely to be available in the near future, the Board has given consideration to the framing of a policy for the training of Lay Readers. The following proposals are therefore laid before the Assembly:—

(1) Service in the office of Lay Reader shall not be regarded as a step towards ordination, or the securing of any other standing in the ministry.

(2) Men who are sufficiently young or sufficiently prepared by previous training to be capable of proceeding through a regular course of studies for the ministry shall not be employed as Lay Readers.

(3) Any Synod which sees fit may set up a committee to co-operate with the College Senates in preparing material for the use of Lay Readers and in prescribing such studies and practical training as may be suited to the men concerned.

(4) On the recommendation of Presbyteries, the Board of Missions may employ such Lay Readers on fields for which ordained men cannot be obtained.

It is recommended that these proposals be sent down to Presbyteries to be studied during the coming year, with a view to action by the next Assembly. This was agreed to.

[4426]

of India be referred to the Senate of Knox College with instructions to outline a course. This was agreed to. The report as a whole, as amended, was adopted on motion duly seconded.

BILLETING OF ASSEMBLY

Dr. Frank S. Morley reported for the Committee of Montreal Presbytery charged with arranging for the billeting of Commissioners. Upon the motion of Mr. W. T. McCree, duly seconded, it was resolved:—That the General Assembly call attention of Commissioners to the difficult position in which the Presbytery's Committee on arrangements is placed by the discourteous practice of some Commissioners in not taking up the billets they have asked for, and to which they have been assigned, and by their failure to notify their prospective hosts of their intentions.

5. The ladies at St. Andrew and St. Paul for the Reception, where delightful recreation and friendship were found at the tea-tables.

13. That the General Assembly requests all our Ministers to forward the name, rank and unit of any members or adherents of the congregations who are serving in any of the Training Camps in Canada to the Minister of our Church nearest to the Camp in which they are located, in order that they may be sought out and welcomed.

MESSAGE OF SYMPATHY TO MISS CORA SINCLAIR

On motion of Mr. F. G. Purnell, seconded by Mr. S. J. MESSAGE OF SYMPATHY TO MR. D. A. SMITH

The Assembly learned with concern of the serious illness of Mr. D. A. Smith, a Commissioner to this Assembly, and requested Dr. M. A. Campbell to convey to him the sincere sympathy of the Assembly with its earnest prayers for his early recovery.

He then said, "In the name of the Lord Jesus Christ, the only King and Head of the Church, and by the authority of this Assembly, I now dissolve this Assembly, and appoint another General Assembly of The Presbyterian Church in Canada, to meet in the City of Hamilton, Ontario, and within St. Paul's Church there on the first Wednesday of June, in the year of our Lord, one thousand nine hundred and forty-three, at eight o'clock in the evening".

The Moderator then closed the Sessions with the Apostolic Benediction.

THE GENERAL BOARD OF MISSIONS

HOME AND FOREIGN

To the Venerable the General Assembly:

Through another year of war your Board has continued its work in Canada, Newfoundland, and in lands overseas. The volume of our work has been reduced somewhat, due to the international situation. But if there have been withdrawals in some quarters, in others expansion has been possible, for which we thank God and take courage as to the future of our missionary enterprise.

THE WORK AT HOME

The large number of ministers of our Church who are now in the Chaplaincy Service has had its effect on our operations. Almost 60 pulpits have had to be filled by other ministers. This in turn has meant vacancies in other charges, and as a result the augmented charge and the aid-receiving mission field have in some cases found it almost impossible to secure ministers. Students in training, and in at least one case, an ordained minister, have joined the combatant forces. While one cannot but pay tribute to the spirit which led to such action, yet as a result some mission fields have been without supply. In a number of cases, re-adjustment of territory has taken place and enlarging of fields. But this has a limit, especially now with the restrictions which have been necessary in the use of the motor car. This is but a small fraction of the price that must be paid for the preservation of freedom for the world, and should be accepted without the slightest murmur.

The Board is grateful to those Presbyteries who have been able through the past year to reduce their applications for grants. Because of this co-operation, the amount paid out in grants in every Synod of the Church has been lower in 1941 than in 1940. While the aggregate saving has not been large, the effort has been in the right direction and indicates an increased willingness on the part of those receiving financial help to do more for themselves. In Kirkland Lake, a very energetic treasurer is seeing to it that the business of the church will be conducted as efficiently as possible. In this congregation, for 1942, ninety-one members and adherents are using envelopes for their weekly offerings, as against less than 20 in January, 1941.

A NEW VENTURE IN NEWFOUNDLAND

The war has brought increased construction to this colony. At one centre, hundreds of Americans and others are engaged in a large development scheme. It is in a district where no Protestant service had ever been held. The opportunity came to your Board to provide services for these Protestant workmen. Through the co-operation of the Session of St. Andrew's Church, Cobourg, the services of their minister, Rev. W. O. Nugent, were secured for six months to initiate the work. He was well received by the Company and by the men, whose response was most hearty in large attendances at the services and in their contributions. After the first month the Board made no further grant to the field. At the end of the year an offering of \$90.00 was made to the Budget of our Church. Similar co-operation is now being given by the Session of St. Andrew's Church, Baddeck, N.S. Their

minister, Rev. A. W. R. MacKenzie, is serving most acceptably during the present six months.

OUR WORK AMONG NON-ENGLISH SPEAKING GROUPS

Changes have taken place in the leadership. In the Chinese work, we regret to record the sudden passing of Rev. Ma T. K. Wou of Toronto, who leaves behind a record of very faithful service. In Montreal, the missionary, Paul Chan, was duly ordained and is continuing his successful ministry there. In the Jewish work, Rev. Morris Zeidman resigned to carry on work under interdenominational auspices. His former assistant, Miss Caroline McArthur, is now in charge. In the Hungarian work there have been changes in leadership in Hamilton, Windsor, Bekevar, and Calgary. In every centre the work has advanced, and larger financial responsibility assumed by the people. The congregation in Toronto paid in full their obligation to the Church and Manse Board on the very day it was due.

New churches have been erected by the Italian congregation of Montreal, and by the Ukrainians of Oshawa and Toronto, which will add greatly to the comfort of the worshippers and to the effectiveness of their work. The Hungarians of Calgary cleared their church building of debt. In Montreal there is a constituency of 2,000 Italians. The total amount raised by this congregation for all purposes in 1941 was \$6,000.

In our Social Service institutions, a new staff has been installed in Tyndale House, Montreal, while in the Girls' Home in Toronto Miss Mary Carson, who had experience in similar work in the old land, has taken the place of Mrs. Johnston, who after many years of faithful service resigned as Assistant Matron.

THE OVERSEAS FIELD

Three of our fields have been in Japanese or Japanese-controlled territory. We are very thankful that all our missionaries were evacuated from these fields in good time. What is happening to the Church and to the Christians under the stress of war, we have no means of knowing. The last word that came to us before war was entered upon was, that the work was proceeding normally. Indeed, in Formosa, the 25 self-supporting congregations, when our missionaries left, had been increased to 30. In our prayers we should remember our fellow-Christians in Formosa, Manchuria, and among the Koreans in Japan, that in these testing times they should not bow the knee to Baal.

INDIA

From Jhansi, Mr. and Mrs. Cheshire and children returned to Canada a year ago on furlough. While this is being written, Mr. and Mrs. Angus MacKay and their children are on the high seas on their way home. The territory taken over from the American Presbyterian Church has been visited in several tours and appears promising. The present depleted staff cannot be expected to do anything in the way of extension of the work.

In the Bhil field, assistance has been given to Dr. Buchanan to maintain a small dispensary at Toran Mal, while at Jobat, the hospital under Dr. Quinn's superintendency continues its successful ministry of healing. For five months, Messrs. Wood and Toombs were engaged in military training in company with many of the leading princes or members of their families. Through this contact our missionaries have now an approach such as few have. The Dewan of Barwani State, before leaving to accept a similar position in another State, said that the Christians were the backbone of the reforms in Barwani State.

BRITISH GUIANA

Early in the year, Messrs. Dunn and Rayner, after one term of service, voluntarily resigned and returned to Canada. Miss Esther Thomson also resigned through becoming the wife of Rev. G. A. Milne, a minister of the Church of Scotland in

Georgetown. In spite of these serious losses, the work has been well maintained. At present there is a missionary in each county. Rev. James Dickson, formerly of Formosa, in Berbice, Rev. John Elder, minister at Milverton, in Demerara, and Rev. Edward Bragg, superintendent of work among the West Indians in Grenada, is now in Essequibo. These, with Miss Thelma Martin, a representative of the W.M.S. (E.D.) now head up the work, evangelical and educational. In January, Rev. James Dickson began the work of theological training with a class of ten young men, four of them having Senior Cambridge standing. The Berbice High School observed this Spring its 25th Anniversary.

It is expected that the staff of our Mission in this colony will be further strengthened in the early autumn by the coming of Rev. George W. MacKay, formerly of Formosa, to assume the office of Superintendent of Education for our Church. His duties will include those of Principal of the Berbice and Corentyne High Schools, as well as supervision of the thirty primary schools operated by our Church. He will be the Council's representative with the Government Department of Education.

CO-OPERATIVE EFFORT

Your Board joined with others in October in carrying through a most successful series of Missionary Conferences in Western Canada, with Dr. John R. Mott as the central figure. Six cities were visited, the largest churches in these cities being crowded to hear that veteran missionary statesman open to them the world missionary situation. Missionary Secretaries conducted general sessions and held denominational gatherings. A similar series of conferences is being planned for the Maritime Provinces for the coming autumn.

The support of Orphaned Missions was another co-operative enterprise. Through this effort 120 fields that must otherwise have collapsed have continued their witness. \$1,616,891 has been received by the International Missionary Council for this purpose, of which sum our own Church contributed \$8,099.29, this amount containing gifts from the W.M.S. (W.D.) of \$4,725.00 and from the W.M.S. (E.D.) of \$525.00.

The first work of the Canadian Churches among Mohammedans was begun with the appointment of Mr. Wilfred Smith, a brilliant son of one of our Toronto families as a member of the staff of the Henry Martyn School of Islamic studies, with part time duty in Forman Christian College at Lahore, India. Mrs. Smith was born in China, being the daughter of Dr. and Mrs. E. G. Struthers. The salary of this missionary is being carried by Knox Church, Toronto, where his father is an elder. The Anglican, Baptist and United Boards, with the four Women's Boards, are caring for the other expenses connected with his work.

MISSIONARY EDUCATION

The Board has felt the need of more intensive promotion of Missionary Education throughout the Church, and with this in view has set apart one of its returned missionaries, Rev. E. H. Johnson of our Manchurian field to undertake this task in co-operation with a Committee of reference.

The following recommendations are presented for consideration:

RECOMMENDATIONS TO GENERAL ASSEMBLY

1. That the grant provided by the Board of Missions be at such a rate as will bring the full salary to a sum not exceeding \$1,700 with manse or rent allowance for a married man.
2. That the maximum salary of an ordained missionary be not more than \$1,700 a year.

3. All ordained missionaries serving under the Board of Missions shall be entitled to two weeks' holidays.
4. The rate for Sunday supply for students attending College shall not apply to students who reside on their fields and do extra work thereon throughout the week.
5. On the recommendation of Presbyteries, transportation expenses on student fields shall be the responsibility of the Board.
6. That the salary of Rev. D. A. Smith serving as part-time Synodical Missionary in the Synod of British Columbia be raised to \$3,000.
7. That the salary of Rev. E. H. Johnson, who has been appointed to promote Missionary Education within the Church, be fixed at \$2,500.

All of which is respectfully submitted,

A. M. HILL,
Chairman.

WILLIAM A. CAMERON,
Secretary.

Appended are the Reports of the work of the Board for the year 1941.

HOME MISSION REPORTS

Reports of Synodical Missionaries

THE SYNOD OF THE MARITIME PROVINCES

The Mission Fields of the Maritime Provinces, like those of all the other Synods of our Church, are having their difficulties in these dark days through which we are passing. In spite of the fact, however, that we are short-handed, with not enough students to fill the fields, all the Mission Fields within the Synod for the past year have been duly supervised. Three fields were taken over by adjoining settled ministers, and two fields were supplied by laymen for the summer months. Pulpit supply has been arranged, Communion dispensed, and everything possible done to encourage the work on the fields.

During the past year efforts were made to amalgamate aid-receiving congregations in both New Brunswick and Nova Scotia with only partial success. Two congregations in the Miramichi Presbytery, Sunny Corner and Millerton have been brought together and are ministered to by Rev. P. M. Sampson, thus saving several hundreds of dollars yearly of the Church's money. In Nova Scotia efforts were made to join Springhill and Oxford, and Pugwash and Wallace, but without success. In these days when both men and money are scarce, this method may be our only recourse. Another difficulty we are facing is that in the Maritime Synod there are two or three Ordained Mission Fields which, owing to the fact that they have been unable to get ministers, have become Student Mission Fields, with only summer supply. These fields are becoming weaker each year. The W.M.S. (E.D.) has given \$1,000 for some such work as this, and we hope that this money may be used for this very purpose.

Students employed during the summer months on the Mission Fields of the Synod have done good work, and good reports of their service have come to the Presbyteries. There are more vacancies than usual in the Synod owing to the fact that seven of our ministers are serving their country as Chaplains in the Army and Navy. It is gratifying to report another year with increase in the membership of the Church. The Maritime Synod has now passed the twenty-thousand mark. This year the increase is two hundred and eight, showing a total of twenty thousand one hundred and seventy.

The Synod has sustained a serious loss during the year in the removal by death of Rev. Alexander Craise, D.D., Rev. Andrew Brown, M.A., B.D., and Rev. R. H. Stavert, M.A., B.D.

GEO. S. MITCHELL,
Convener.

SYNOD OF MONTREAL AND OTTAWA

ITALIAN

The Presbyterian Italian congregation in Montreal is a loyal group of people. None of them have been interned since the outbreak of the war, and quite a number of their young men are serving in the Canadian Forces in Canada and overseas. Among these is the son of our Missionary, Rev. R. De Pierro, who is a McGill graduate. Possibly there is not another Presbyterian Church in the city and district of Montreal which has a larger number of McGill graduates according to its membership than the Italian Church. At their Church services they sing "God Save the King," quite as heartily as it is sung in any of our English speaking congregations.

I am pleased to be able to report that on the 10th of May 1941, we dedicated their new Church. This is a building thirty-five by seventy-five feet, a basement, twelve feet

of elevation between the floors, well built with concrete, brick and plaster. The auditorium is complete, the basement still requires to be completed. The Presbytery of Montreal is still endeavouring to raise funds to complete this building. To date, we have paid \$11,531.50 cash. We still require about \$4,000.00 to complete it.

The Italian work in Montreal is extremely promising. There are about 25,000 Italians here and a great many of them are more or less loosely attached to the Roman Catholic Church. It is a good field for Missionary endeavour.

FRENCH

The French Roman Catholics of Quebec provide a great open field for evangelical missionary enterprise.

The French Roman Catholics of Quebec have very little idea of the way of Salvation as it is revealed in the Scriptures of the Old and New Testaments. Very few of them have ever possessed a Bible. One of our Missionaries gave the estimate that not one, out of one hundred on an average, had ever seen a Bible or any portion of it. To them, their salvation or perdition is largely in the power of the Priest. He holds the key of the Kingdom of God and shuts out, and lets in, whom he pleases. He forgives them their sins when they have done the prescribed penance in the way of paying money or in self-denial. He offers the sacrifice of Mass for their souls. In addition they pray to the Virgin Mary and to a great host of saints as mediators between God and man. Then there is the constant fear of Purgatory hanging over them. We hear a great deal about the French Roman Catholic problem in Canada. There is one solution of it, and that is to give them the Gospel of Christ.

As it is well known, in former days this was one of the most important branches of the Missionary endeavour of the Presbyterian Church in Canada. We lost it all in 1925. We have made a small beginning in the recovering of this work.

FONTENELLE

I had the privilege of dedicating the Church at Fontenelle, on the 27th of July last, and ordaining two elders. We have a beautiful little Church there, thirty by forty feet, a good basement, and beautifully constructed. If our work there is to be carried on successfully, we must have a school, and a good male teacher. He and Mr. D'Anjou can live together and conduct the work. We ought to make this a centre for branching out into the districts along the Gaspé Coast. There is any amount of opportunity. If we can get a qualified teacher, and there is one in sight, we can get a large part of his salary from the Protestant Board of Quebec. I had an interview with the Secretary and he is quite favourable to our project.

L'EGLISE ST. LUC

Rev. J. A. Smith continues to conduct his work successfully in L'Eglise St. Luc, the former Taylor Presbyterian Church, Montreal. Since the New Year the Women's Missionary Society has been supporting Miss Ippersiel as a teacher there. She is doing splendid work. Mr. Smith is continually enlarging his congregation.

Here again, if our work is to prosper, we must have an efficient school. There is little doubt that, if we demonstrated the need of a school in this district, we would also secure considerable financial assistance from the Protestant School Board of Montreal. In all such cases, however, our teachers must be properly qualified.

REV. J. A. GIGUERE

Mr. Giguere, who has been conducting a more or less independent Mission, has made application now to be given his status in the Presbyterian Church, and the Presbytery of Montreal has sanctioned his application. Mr. Giguere's status at the present time is that of an Ordained Baptist Minister.

The time has come when the Presbyterian Church must take hold of this French Evangelization work and again make it a leading branch of its missionary endeavour, or drop it. If we go forward with it, our work must be extremely varied in order to be

successful: evangelistic preaching, home visitation, schools, distribution of Bibles and portions of the Bible, Conferences, Rallies, etc., etc. Our work must constantly be on the offensive. The instant we begin to stand on the defensive we are beaten.

CHINESE

The Chinese work in Montreal is extremely promising. Mr. Paul Chan was ordained by the Presbytery of Montreal on the 5th of October last. This has been a big advantage to him in his work. He can now perform acts of Vital Statistics, and keep Registers. The United Church have withdrawn their work completely from Montreal.

Miss Dickson conducts her Kindergarten class under the W.M.S., through the week.

Mr. Chan, with an Assistant Teacher, conducts a school in the late afternoon for Chinese young men, and women, teaching them to read and write in the Chinese language. Some of these young people do not know any Chinese whatsoever. An interesting case is where a Chinese couple had no children of their own, they adopted two Canadian children. They are sending these to Mr. Chan's school to learn to read and write Chinese.

On Sunday, the Sunday School is held at 2.30 o'clock and then the regular Church service at 3.30. The attendance has increased and the offerings have improved during the past year.

It was my privilege to help in dispensing Communion once in this Church during the year.

VAL D'OR

The work at Val d'Or continues as it has been for the past few years. At Val d'Or we continue to hold services in the Finnish Hall which was put at our disposal by the Government. We possibly do not need to expect much development here during the War, but it is a matter of holding the ground until further developments take place in that mining area. Seemingly there is great promise of future developments of the mining industry throughout this district.

ORDINARY MISSION FIELDS AND AID-RECEIVING CHARGES.

The work in these is conducted in the ordinary way. It is impossible to expect any increase in the small mission fields of the Province of Quebec, or even in Eastern Ontario, outside of the large cities, where the French are gradually buying up farms and taking over the business of the community. We are pleased, however, that since 1925 none of these fields have been forced to close, and very few of them have reduced their contributions. In fact, last year some of these contributed a good deal more liberally than they have in the past, and whereas, in former years we were forced to make application for special grants for the students, none such were required last year, and in a number of cases the full amount of the grant voted was not requisitioned.

The ordinary and regular supervision has been given to all such work. The Sacrament of the Lord's Supper has been dispensed, supply arranged for and everything possible done to assist these aid-receiving charges.

There are a number of places in the suburbs of the city of Montreal where we ought to establish Presbyterian causes, but the great question is that of expense, building a Church and supporting a Minister. The Mission Board ought to have a fund large enough to occupy effectively every centre around our large cities where work can be profitably established.

OFFICE WORK

My office work continues, as in the past, to be heavy. The Presbytery of Montreal, and the Synod of Montreal and Ottawa combined provide me with a Secretary. If it were not for this, the office work could not be accomplished. My office forms a clearing house for all Presbyterian affairs in the district. The postage account for the year is an indication of the volume of correspondence passing through my office. From the first of March, 1941, to February 28th, 1942, the postage account was \$201.00.

Again I wish to testify to the wonderful co-operation which I have had, without any exception, from the Ministers of the Synod, also from the leaders of the Women's Missionary Society work.

Respectfully submitted,

ALLAN S. REID,
Synodical Missionary.

KENILWORTH DISTRICT, HAMILTON

My work has consisted mostly in visiting the many Presbyterians and other prospects in this district East of Kenilworth Avenue. During the past year, over 1,200 visits have been made and many calls where no one was at home. I made many other short calls, when I took around the Communion tokens to the members of St. Enoch's Church, as the Elder for this district works long hours on different shifts and is not able to make the calls. The survey of the whole district is not yet completed, as there are still many new houses in the process of being built, in the southern part of this district. Many and constant changes of address keep me quite busy.

Our Sunday School has increased in *regular* attendance, while some of the more irregular ones have dropped off. They were originally attending other Sunday Schools and wanted to try a new one. But I encouraged them to be loyal to one or the other. The Sunday School has sent the sum of *Eight Dollars* to the Board of Missions. They have paid for all their own Sunday School papers and have \$8.18 on hand for the year 1941. There are thirty members on the Roll and we have fifteen chairs. So one class meets at 2 p.m. and the Juniors at 3 p.m. I have one assistant, Miss Jessie McAlpine, who helps with the teaching and is always on hand when she is well.

Apart from the regular visiting, I have done the following work: I assisted with the Mission Band of St. Enoch's and now have charge of the same. I trained these children for both an Easter and a Christmas Concert. I have the Presidency of a newly formed Mission Band Leaders' Council. I have addressed several W.M.S., Y.W.A., Sunday School classes, Christian Endeavours and Mission Band groups throughout the year. I had the privilege of attending a Children's Workers' Conference in Toronto, which proved to be of great help and inspirational uplift. I attended our annual Deaconess Alumni meeting and received more inspiration and much help in the discussing of our common problems, sharing methods and improvements and experiences.

The Sunday School scholars are made to feel at home at St. Enoch's. They attended Rally Day there, and also the annual Congregational picnic. At the Christmas Concert they contributed a Shadow Play on "The Nativity." They also attended the New Year's Day Rally. Each month I make a visit to the Sanatorium to see a St. Enoch's patient, and have called on other Presbyterian patients while there. I attend the monthly meeting of St. Enoch's W.M.S., and the bi-monthly meeting of the Y.W.A. and have the leadership of one of the study groups in the latter. I also attend Knox Fraser Y.W.A., of which I have been a member since coming to Hamilton. I am also an active member in the Y.W.A. Fellowship of Hamilton, and prepared a radio presentation of our Missions round the world for our Annual Hamilton meeting of all the Missionary Societies.

From my district there have been fifteen baptisms, and there are at present ten more on the waiting list, and sixteen new Communicants have become members of St. Enoch's Church. To come back to my district again, we have prospects for a Mission Band, C.G.I.T. groups, Cubs, Scouts and Explorers, all by request. The boys especially want wood work. I would like to see a Nursery School begun also, when we get a building, and a suitable fee charged. It would soon pay for its own equipment, and then be a source of income for the upkeep of the Sunday School. I would need one assistant for this and it might be possible to have a volunteer. This would help build up a nucleus of the parents for Church membership. Many are asking, "If a Sunday School hall is to be built, could we not hold one service a Sunday, with perhaps a

student in charge?" I think the prospects for a good-sized Sunday School are very promising, and I am hoping that we may soon be able to have a building. The need is great, the scholars are ready, the teaching staff is practically promised, and the rest is up to the Church.

With the Master's blessing, there is a marvellous opportunity to bring the Presbyterian youth of this district into the circle of the Church.

ROBERTA E. SMITH,
Deaconess.

NORTHERN ONTARIO AND MANITOBA

Notwithstanding many new difficulties, public worship and the celebration of the Sacraments have been maintained without interruptions or lapses in all our mission fields, augmented charges and congregations. With the large number of our ministers joining the chaplaincy service, this condition would not be possible were it not for the considerable number of qualified laymen who gave their services in needy places. Conditions on all our fields were never quite so satisfactory as they have been during the year. In no case has there been any serious failure.

I spent the first month in the year in Kirkland Lake, which had been vacant since the preceding September, though the work had been carried on successfully by Sunday supply. It was my privilege to revisit this important charge, until in May, Rev. Richard Stewart of the Knox 1941 graduating class was placed in charge by the General Board of Missions. It may be noted that, notwithstanding the new situation there, created by the war requirements and miners' strike, our cause has weathered the storm and a very successful year has been reported.

In Timmins, where our cause was in its second year only, due to war conditions largely, our work was more difficult to maintain. In October Rev. Kenneth House joined the Chaplaincy Service, and left the charge without a settled minister. Since that time, however, I was able to take charge, and with the help of Sunday supply, secured by the office, kept the work going. Much valuable work was done by Mr. House, and definite foundations were laid for a good cause under his able leadership. During the winter months, since his departure, plans have been made for the erection of a new church to be built this coming summer. It is hoped that a suitable appointment will be made soon for this important work.

In the Presbytery of Superior, our work in Geraldton has made marked progress. Plans have been made to enlarge our church building there and a residential lot has been bought and paid for, and the manse now on the church lot will be moved to it and remodelled. Under the able leadership of their minister, Rev. John Murdock, B.A., of 1941 Knox graduates, the membership has been doubled and six elders ordained. Mr. Murdock is willing to remain on this field.

In this Presbytery our Church at Fort Frances, under the pastorate of Rev. J. N. Hepburn, has also shown marked progress. During the year all mortgage indebtedness has been wiped out.

Our Cause in Kenora has entered upon a new lease of life, and by far the best year in its history has been reported. A slight lowering of the grant has been asked for. Many new members were added and the congregation very noticeably increased. The time is approaching when a church building must be erected.

In Winnipeg Presbytery all fields have been maintained and some of the charges have been able to reorganize their financial capital accounts for the better.

In Brandon Presbytery, also, the work on all fields has been carried on without any interruptions; some places such as The Pas and Cranberry Portage, Minnedosa and Neepawa showing marked progress, while a few, such as Portage la Prairie, presenting not so encouraging a picture.

Reports from Algoma Presbytery are encouraging, one field, Bar River, not asking for any grant, and the Presbytery at last report for 1941, showing Budget allocation practically reached.

Respectfully submitted,

W. M. MacKay,
Synodical Missionary.

SASKATCHEWAN AND ALBERTA

The year just closed has for several reasons been a difficult one. In both Synods not only was there difficulty in getting men, but on account of war conditions men, whom we had obtained, were taken away. In Saskatchewan the first to go was the Rev. Jesse Bigelow, B.A., of Assiniboia, who in June was accepted as a pilot in the R.C.A.F. He was closely followed by Donald S. McRae, who, serving at Dunleath and Stornaway, was called up in July, and in September Eynon B. Nichol, Whitewood, became a pilot. The Dunleath field was already provided for by the coming in July of the Rev. Malcolm Gillies as ordained Missionary, and Mr. McRae had been counted on to fill out the balance of the summer for Mr. Bigelow, but his enlistment upset this. However, we were fortunate in securing the services of Rev. W. E. Montgomery, who had been a missionary in Manchuria for the English Presbyterian Church, and he gave fine service till the end of September. Rev. Iver McIver, B.A., was then appointed as ordained missionary for one year, taking charge in October. Supply for Whitewood was not obtained so easily, and until January 18th, 1942, there was no student or minister resident on the field. In January Rev. James Wilson, who had been serving at Maple Creek, was transferred to Whitewood, and the work has been going well since. During the interval, after Mr. Nichol finished at Whitewood, services were held, (as we were able), by myself, with the assistance of Miss Ruby Walker, Deaconess, and the Rev. C. D. Campbell, retired minister living in Regina. These two also assisted in keeping Stoughton open. At both places their services were much appreciated. Estevan was closed for the winter and may have to be closed permanently. Rev. R. H. Williams, under one year's appointment at Northside, Regina, carried on splendidly. From present indications it looks as if, under Mr. Williams's leadership, Northside will soon become an augmented charge. To the delight of all he is remaining for another year. Since Rev. Malcolm Gillies came to Dunleath and Stornaway steady progress has been made, but to overcome the results of the inroads made in the district by various sects, and to recover strength, will take time.

In the Presbytery of Moose Jaw, Knox Church, Moose Jaw, furnishes perhaps its greatest problem, which is financial in character. Rev. Ronald Davidson, in charge of Knox and St. Paul's, is well liked, and progress is being made. More aggressiveness along the line of constructive leadership would, we believe, hasten the establishment of a self-supporting cause. Briercrest was well served for nearly two years by Mr. Murray Coles, day worker from Acton, Ontario, and his unselfishness—setting aside his own desires to advance the interests of his church, as well as his work on the field,—is greatly appreciated. Our most needy mission field, Yellowstone in the far south west, did not make as much progress as in some years. The mistakes of the student in charge were practically all due to inexperience, and we believe both field and student will profit thereby.

Saskatoon Presbytery has had a good year and can show work carried on successfully on all fields. Rev. A. A. Rattray, B.A., left in October to pursue post graduate studies at Chicago and will be missed. Presbytery suffers a blow, too, in the removal of Rev. Ronald Rowat, B.A., to North Bay. His place at Parkview is well taken by Rev. James M. Young, B.A., and we believe a bright future lies before them. Biggar, under Mr. Orville Locke, student, has taken on new vigour. During the winter Wilkie was supplied by Mr. Norman Young, student, who gave good satisfaction. Dinsmore, where he worked with success last summer, is expecting him back this summer. In June, Wilkie expects the ordination of Mr. Ross MacKay, B.A., as a graduate student for

one year. Three fields in this Presbytery have reduced their grants by the combined amount of \$560.00, a splendid showing.

Work in the Presbytery of Prince Albert shows steady progress. Two fields, Carragana and Kinistino had no appointment for the winter. At the latter place our church united with the Anglican church; under the Anglican rector. They are asking for a graduate student for one year, and feel confident that they will then be able to become an augmented charge. Mr. D. Wiebe at Meath Park, and Mr. Carl Strand, students from the Bible College at Prince Albert, have given good service, the latter at Sylvania. In both these fields we believe that foundations have been laid which will result in churches being built this summer in Weirdale and in Sylvania. Tisdale suffered a loss in the resignation of Rev. Kenneth M. Glazier, M.A., B.D., to pursue post graduate work at Yale Divinity School, New Haven, Connecticut. They are asking for one of this year's graduates from Knox College, Mr. Eoin S. MacKay, B.A., and if they get him their future is assured.

The Presbytery of Calgary, Alberta, was left without supply last winter for Three Hills, an important charge that could support an ordained minister. It is to be hoped that this will be remedied this year. The troubles in North Hill, Calgary, are rapidly passing away under the fine leadership of the Rev. M. G. Garabedian, M.A., B.D., and it is now an Ordained Mission Charge under a regular grant of \$540.00 a year. The problem at Macleod, a lingering one, is, we believe, finally cleared up by the removal of Rev. A. G. Sinclair from the Manse. Rev. A. F. Howick, B.A., has done a fine piece of work, under difficulties, in uniting Macleod, Granum and Jumbo Valley under one charge. The people are very fond of him, and he likes the West, so we hope nothing will occur to interrupt the union. The Rev. Mr. McNichol at Banff, Mr. Richard Main, lay worker at High River, and Mr. Chas. F. Laine, lay worker at Bassano have all been working diligently, calling forth commendation from their people. The work of Rev. Dr. Molnar, among the Hungarians in Calgary, Lethbridge, Raymond and Taber, is spoken of in highest praise by those who know it best, and substantial progress is looked for in the future.

In the Presbytery of Red Deer, Alberta, there are few changes. The Rev. Chas. E. Bray at Willowdale has built up that field splendidly, and has made a contribution to The Presbyterian Church that entitles him to full recognition in our Church. To the delight of all Rev. R. H. Williams, D.D. has declined the call from Campbellford, Ontario, and is remaining at Red Deer. D. M. Campbell at Carstairs is asked to remain in charge there, as is Rev. R. K. Peck at Rocky Mountain House, Rev. John Hart at Sylvan Lake, and Rev. J. M. Fraser till July at Eckville, etc. Miss M. Todd, Deaconess, returns to this Presbytery to take up the work begun by Miss Elizabeth Walker, who had to retire on account of illness of her mother. Lousana has applied for a student for the summer.

Edmonton Presbytery had only two students on fields within its bounds for the winter, Messrs. W. L. Clow at Westmount, Edmonton, and Andrew H. MacKenzie at St. Andrew's, Vermillion; Vegreville and Killam were served as circumstances permitted, so that none of them were closed entirely. All will be occupied for the summer. Rev. William Simons has been asked to continue at Rupert Street, and Rev. Peter Fisher at Strathcona, which is making encouraging headway. Rev. Dr. F. D. Roxburgh in his retirement has given of himself unstintedly in helping to supply these fields, which has been of great help to the Presbytery.

Changes have been made and are under contemplation in the Presbytery of Peace River. To supply the vacancy at Wanham, Mr. A. R. Hancock has been moved from Dixonville to Wanham and has made an excellent start. Rev. Dr. R. S. Stevens, after four years outstanding work at Wainwright, has heard the call of the far north, and although no longer young, with fine enthusiasm he and Mrs. Stevens, already familiar with the work in the Peace River, go to Brownvale north of the Peace, both possessed of qualities that will be of great value in establishing the work there. In order to give the Presbytery a quorum we hope the General

Assembly will give permission to the Presbytery to accept him as a minister of our Church. His place at Wainwright will be taken by Rev. Leonard Wilson, B.A., a graduate of this year's class at Knox College. Negotiations are under way for co-operation with the United Church, so that Fort St. John and adjoining points may have regular service. In addition to his regular duties on the Grande Prairie field, the Rev. C. E. Fisher is part time Chaplain to the military camp there.

Because of so many men enlisting, and so many fields being left without supply, this has been for the Synodical Missionary his most strenuous year, with more than thirty three thousand miles travelled, and services held outnumbering those of any former year by more than twenty-three.

THE SYNOD OF BRITISH COLUMBIA

This is the end of my first complete year as Acting Synodical Missionary in British Columbia. Looking back over it there are a great many things that one could say about the work in the Synod. In common with other Western Synods it has had its difficulties. These have not all been brought on by the War, though one can trace some to that source; for instance, the tendency, on the part of the young people, both men and women, to leave the outlying rural and small town districts because of the call for war-workers, and crowd into the big city areas. Victoria and Greater Vancouver have well over half of the entire population of British Columbia. Especially in Vancouver has this crowding created a real missionary problem, and one that has to be met not only with courage, but also, with care.

All aid-receiving charges were visited during the year. Wherever your Missionary went he was given a most cordial welcome. Distances between congregations in the interior of the Province are great. Such official visits help break down the feeling of isolation on the part of congregations. They are made to feel a real part of the Church when their problems are discussed in the light of the Church as a whole. It helps to bring new heart to many who are especially anxious to see that the Church is guarded and sustained amid all the exigencies of the time. The Church has reason to be profoundly thankful for those men and women, who so faithfully stand by their Church in these outlying, and not at all easy places.

There are one or two things that have taken place during the year which are worthy of emphasis, and help to show the trend of the work in British Columbia.

The new Presbytery of Kamloops was formed during the year. In 1925 only two out of five Presbyteries were left, viz., Victoria and Westminster. A year later the Presbytery of Kootenay was re-constituted. Now comes Kamloops. The fifth was the Presbytery of Cariboo. This area lies north of the C.P.R. main-line. We are hoping that, in the not too distant future, this Presbytery, too, will be re-formed.

Again, in 1925, there was not one church building left to us in the Kamloops Presbytery. In time, however, four new Churches were erected, at Armstrong, Penticton, Kamloops, and Canoe. Last year, at Salmon Arm, another was opened, while the congregation at Vernon have already let the contract for a new church building which is to be opened this summer. Progress, therefore, is being made, and the Church's former place in this Province is gradually being recovered.

During the past 17 years some 26 new churches have been erected in British Columbia; 5 in the Kootenay Presbytery; 5 in Kamloops; 3 in Victoria; 8 in Vancouver city alone; and the rest throughout the North Shore and the Fraser Valley.

During the year St. Andrew's congregation, Kamloops, not only put in new pews, but also completed payment on its manse. A new S.S. Hall was built at Creston. Kimberley congregation paid off a mortgage of \$1500: while at Slocan City, through the generosity of Mr. Peter Swan, who, some years ago, built the Church there, this Building has now been deeded to our Presbyterian Church in Canada.

Fine progress was shown throughout the Synod in the raising of the Budget. Eighteen congregations made, or went over, their Allocation. Twelve of these were in Westminster Presbytery. This Presbytery is now only \$241 from being self-sustaining. Special mention should be made of the New Denver congregation, which, not only raised its full Budget allocation for 1941, but also paid the full amount it was short in its Budget for 1940. This was due to a thorough, quarterly, every-member-canvass of the congregation, a diligence which brought excellent results.

Four congregations voluntarily reduced their Mission grant. There was one in each Presbytery. A grant of \$390 was saved by Kimberley congregation joining with Cranbrook, and, together, becoming a self-sustaining congregation.

All Fields were manned during the year. We had two graduates with us—one at Vancouver Heights, and one at Port Alberni. Both did splendid work. As a Synod we are also very fortunate in having so many Ordained ministers in charge of Student Fields. We had twelve of them last year. It creates, however, quite a problem in financing, since, as Ordained men, they received only student salaries. This condition explains, in part, the fact that all four Presbyteries discussed and endorsed the proposed Sustentation Fund now before the General Assembly.

During the year Miss Isabel Scott, Deaconess, was appointed to work in the Presbytery of Victoria. St. Andrew's Church, Victoria, has taken responsibility for half of Miss Scott's time. Her presence in the Presbytery has made possible special hospital and home visitation and with excellent results.

For some months Mission work of an exploratory character was done on the west coast of Vancouver Island, at Jordan River, and Port Renfrew. Here services and Sunday Schools were conducted. There are forty homes in these districts, nineteen of which have children in them, who, till then, were receiving no definite religious instruction.

Another work recently begun is that of Esquimalt House. This work, under Presbytery, is in charge of Miss Ruby Blyth. The House is situated adjacent to the important naval dockyards and barracks at Esquimalt, just west of the city of Victoria. Here work is carried on, not only among the many young lads who come to this Sea-port for naval training, but also among the wives and families of Naval Ratings resident in the district. There is a good Sunday School, and various week day activities are conducted for these young men, as well as for the women. The upkeep of this work is dependent mostly on local voluntary subscription. The Board of Missions gave a Grant of \$200. The Church is also responsible for the salary of Miss Blyth. Presbytery is hoping that this work will lead to a permanent organized Church in this area, though, during the War, at least, a splendid opportunity is afforded the Church to meet the needs of those who, because of war emergencies, are concentrated at this strategic naval centre.

Because of the recent outbreak of war on the Pacific, the coast of British Columbia has become an important defence area. The possibility of air and submarine raids has raised problems that are to-day demanding the serious attention of all the people. All this has a direct bearing on the work of the Church. Complete "black-outs" have been experienced, and partial "black-outs" are carried out every night now. This, together with the great increase of industrial population, has created a condition that demands the constant and prayerful consideration of the whole Church, amid all the calls and difficulties that are bound to arise as a result. We have to remember that this Province of British Columbia is really a new country. It is but in its infancy and growing. We, as a Church, must bend every energy to hold this part of our Church-line, for so much of the future of Canada is wrapped up there. This is the time of testing. The Church holds in its custody the solution—the happy and victorious Way out—the way of the Cross and God's son, Jesus Christ.

Respectfully submitted,

DAVID A. SMITH.

CHINESE WORK IN CANADA

In beginning this review of our work among the Chinese in Canada, we are reminded that war has come to the Pacific with all that such an event means, not only to the Chinese people, but also to our own, especially on the Western coast. Naturally it affects our Chinese Mission work here in Canada; so many of the families of our Canadian Chinese men and women are in that area, and their fate is, as yet, altogether unknown. It is a heart-heavy time. As one of our Chinese Christians puts it, "This new outbreak of hostilities is a grave matter for us, especially so is the fall of Hong Kong. It certainly tests our faith. At the same time it shows us, more than ever, our need of, and dependence on God." Our prayer is for the Chinese, and for all of us, that God in His might and providence will bring speedily Order and Peace out of chaos and conflict. Owing to the war, all intercourse between Canada and China is at a standstill.

During the year there were several changes in our staff. Miss Gertrude Scott of Victoria resigned after fifteen years of faithful service. Her place was taken by Miss Ruth Heighton, who, for six years served as an evangelist in Formosa. Miss Helen Chan was appointed to work in Montreal. She took the place of Miss Elsie Lee who went into war work. While Mr. L. H. Chow, formerly a Chinese teacher at Calgary took charge of the Mission at Ottawa in place of the Rev. Paul Chan, now in our Montreal Mission. The salary of Mr. Chow is cared for locally. Miss Ada Adams, now Mission Band Field Secretary, also assisted us in our work during the year. We have eighteen workers in the field, ten of whom are Chinese. We would not overlook here the fine company of faithful voluntary workers to be found across the land from Halifax to Victoria who, in homes and churches, help us overtake the work, and without whose loyalty, sympathy and self-sacrifice it could not be effectively carried on.

We mourn the loss of Rev. Ma T. K. Wou, who passed to his reward at the end of December, after thirty-two years of most faithful service for his Master among his own people. Mr. Ma, at his conversion in Nelson, British Columbia, dedicated his life to the preaching of the Gospel, and proved untiring in his ministry. Here is a tribute paid to him by one who knew him: "He was ever to be found with the sick in the various hospitals; preaching in China-town to the unbelievers; ministering to his own congregation on Sunday and at all services during the week. As the only Chinese minister in Toronto, he was on constant call by his own congregation and by those who, like many of our own people, remember the minister only when they are in need." Mr. Ma's work has been centred in the Chinese-owned building. Here he was acting minister. Mr. Ma was instrumental in founding this Institution, and through it he ministered to all phases of Chinese community life. He will be very greatly missed. Altogether he had seventy-six church members under his care. These belonged to the various Canadian churches and the Y.M.C.I. It is highly important that another Chinese minister be found soon to take his place in order that the work now carried on in Toronto may be conserved.

Thinking of Mr. Ma and his work, one is reminded of the excellent service he rendered, throughout each summer in the open-air meetings in China-town. From two hundred to three hundred men, by loud-speaker, would hear these Gospel messages each Sabbath. Ever so many men who never entered the Mission building in this way heard God's Word. Not only so, but in this way, too, they got to know the preacher, and thus, often were far-reaching contacts for Christ made. Mr. Ma so often mentioned how easy it is today to get men to listen to the Gospel compared to the early days when bitter anti-Christian attitudes were rampant. Today they are definitely interested in the Jesus-doctrine, the "To lei" as the Chinese call it, particularly because of the tremendous hold it now has, both on the government and the people of China,—thanks to General Chiang Kai-Shek, our allied leader, and the many Christian members of his Chinese cabinet. Eight or ten years ago, when suspicion of Christian countries was abroad, the men would laugh and make noises to disturb the speaker, but today they treat him with every courtesy and give him

a friendly hearing. In Montreal, Rev. Paul Chan, following his Sunday School and Church Service, has the privilege each week of broadcasting in China-town. This is done from one of the Chinese stores. He is thus able, not only to give out items of community importance, but also to tell of the Church and its message where it touches Chinese life, both here and in China.

One of the outstanding events of the past year was the ordination of Rev. Paul Chan. Mr. Chan two years ago was put in charge of our work in Montreal. He is the son of Rev. Chan Nam Sing, our first Montreal Chinese Missionary. Rev. Paul Chan was born in Montreal, and educated in China, graduating from the Canton Union Theological College. The Ordination Service created great interest in the Chinese community, and many tributes were paid to the new minister. The occasion was especially interesting because of a Communion Set donated to the congregation in Mr. Chan's honour by the recently organized True Light Girls' Auxiliary. The set was used for the first time on the Sunday following the ordination, when Rev. Paul Chan presided, and over seventy-five Chinese were present at the Lord's Supper. The occasion becomes a definite milestone in the history of our Chinese Mission work, wherein both father and son have served as ministers in our Montreal Mission.

Another item of outstanding interest is the 50th anniversary of the founding of our first Chinese Mission in Canada. This event is to be commemorated next May in our Victoria Chinese Church. In honour of the occasion, the Victoria congregation is thoroughly renovating the present church building; floors and stairs are being renewed, and painting done throughout. Two new rooms are also being added to facilitate the growing work. During the last two years pews have been installed, as well as a furnace and new electric fixtures. All these expenses have been met by the Chinese themselves. Subscriptions amounting to \$2,000 have been sought and secured from the whole Vancouver Island Chinese community. The deep interest shown by the Chinese exemplifies the growing pride on the part of old and young in God's House. As one looks back to the early days of the Mission, and compares what was then, with what is now, one readily recognizes the great progress made. It certainly justifies the words of the Mission Convener of Presbytery, who at the opening of the first Mission building fifty years ago, said, "We do not know where this venture is to lead . . . but we have FAITH." At that time the work was made up entirely of classes in which the English language was taught. This offered many opportunities of telling the grown male pupils, who comprised these classes, of Jesus and His love. Today, as a result of this faith, we are, by means of our Sunday Schools, Mission Bands, Kindergarten, Scouts, Women's auxiliaries, Young People's Societies, Clubs, Classes and Church Services founding a Chinese Church fellowship that shall not only help the State and the Church here, but also, assuredly, in China where there is so much of need.

As always, the work among the children is proving a most important phase of our Chinese Mission work. Through them our greatest contacts are made. Last year there was a marked increase in infant baptisms. Cradle Rolls also have been started, and special recognition given both to the mothers and to the children. Vancouver Mission has thirty-eight names on the Cradle Roll, while the Kindergarten is the largest in the history of the Mission, there being an enrollment of fifty-three children. Altogether last year sixty-three children attended that school. Toronto, also, by means of a car, has increased its Kindergarten attendance. Through the children our workers get access to the homes, and so reach the parents. "We teach the children the stories of Jesus and little gospel songs", says one of our teachers, "and they go home and tell the stories and sing the songs to their parents, relatives and friends." So spreads the Word through these tiny little missionaries. Cooke's Church in Toronto has a Primary Sunday School class of thirty-two scholars, while the Vancouver Sunday School during the year organized their Primary Department separate from the main body of the School, thus they greatly increased the number attending. Victoria Mission, also, has a Mission Band of forty children. The ages of this Band run all the way from three to thirteen years.

These are only a few of many indications of progress that might be given in

our work among the children. They afford us today our most valuable contacts with non-Christian homes and parents. As one Chinese father put it—and this best shows the spirit of the Chinese toward the Church and its work today,—“I want best for my boy and my girl . . . me too old.” As with the work among the children, so with that among the young people. Here is another important department. Today we have many of our Chinese young people joining the Church. Most of our twenty-seven Chinese Sunday School Teachers come from among them. Twenty of the ninety members in our Vancouver Mission are students attending High School or University. Our Chinese young people, at every opportunity, are accepting active responsibility, and taking their place as leaders in the Church. They are fast learning to become, as the Motto of one of their Young People's Societies puts it . . . “Fishers of men for Christ”.

Shortly before he died, Mr. Ma pointed with pride to the ten former young members of his Toronto Church, who are today in Kowlung, Hong Kong. Last year they were all taking a leading part, at least until the fighting entered their area, in building a new Chinese Church there. As Mr. Ma said, “They are all in Christian work. Not one is missing”. He felt proud. He had reason to be. When Miss Lilian Leung left Toronto to take up her Red Cross duties on the fighting front of Free China, one leader of the local Patriotic League said this: “It is a great thing to have a thoroughly qualified woman go out. It shows what we Chinese in Canada can do to help China”. It, also, shows what our Church has been doing, and is doing, by sending out young men and women, doctors, nurses, ministers, engineers, journalists and teachers, equipped with Christian character, to that great land. A new phase of our work among the younger Chinese, recently developed, and beginning to show signs of real progress is that among the Canadian-born married ladies. All speak English, of course, and soon will play an important part in our Mission work. Groups have been organized in Victoria and Toronto, and already are growing both in influence and numbers. These groups are most important. Another phase of the work, in which evidences of progress are showing, is in the increasing acceptance of financial responsibility. This is true of all the Missions. All contributed to the Budget and the W.M.S. during the year. Both Vancouver and Victoria congregations went over their allocations, Vancouver exceeding it by \$28.00. Here is a summary of each Missions' giving: Victoria, Budget \$283.00—W.M.S. \$72.00; Vancouver, Budget \$208.00—W.M.S. \$58.00; Toronto, Budget \$65.00—W.M.S. \$55.00; Montreal, Budget \$50.00—W.M.S. \$15.00. This makes a total raised by the Chinese in Canada (outside of donations given in many cases to our local Canadian Churches in aid of Budget) of \$804.00. This is a long way from the little or nothing contributed in 1926. They are learning and accepting responsibility. It may help to keep us from becoming too impatient with Chinese giving when we remember and consider these facts and figures. It must be remembered that we are only yet training the second generation of Christian Chinese, and in so many cases, only the first generation.

All organized groups in our Missions contributed. Every individual is being trained to give. In addition to givings to the Budget and W.M.S. of course all running expenses, which are heavy, are met by the local Chinese. Considerable money, too, was raised during the year for Red Cross and Relief purposes in China. Altogether about \$1,400 was raised by the various Missions, and sent to this needy and worth while cause. Moreover, at its Christmas Concert, the Victoria congregation collected some \$15.00 for the Queen Elizabeth Fund in aid of the bombed-out areas of London.

As is to be expected, the Pacific War is raising many questions in British Columbia regarding the Orientals. So far these questions are only affecting directly the Japanese, who, it has been decided, are to be moved from the coast of that Province. The present tendency is for the Chinese to enjoy more Canadian consideration than heretofore. Several Chinese young men are in the Canadian fighting forces. Two have become Commissioned Officers. We find Chinese today also in

the Post Office Service, as well as in other branches of the Civil Service. All this goes a long way toward solving the age-old problem of giving the Chinese a greater part in our Canadian life, and so, in turn, greatly assists our Mission work. Thomas Carlyle once said that—“Christianity cannot really be counted. To be estimated accurately it must be weighed.” Quality, not quantity, is what we primarily want. That is the real objective of all Mission work. That, we want to be ours among the Chinese people in Canada.

It is interesting to know that the Chinese words for “Presbyterian Church” have a very ancient and honourable meaning for the Chinese people—“Cheung Lo Wooi.” The “Wooi” means Church or Association. The “Cheung Lo” or Presbyterian part, means—elderly, experienced, trustworthy, tested, dependable. These are the qualities we want our Presbyterian Church, and its Chinese Mission work in Canada, to have.

Bruce Hutchison, in his recent book on Canada, says that our land is made up of “men with many pasts, but only one future.” May we, in the Service of Jesus Christ in the Church, redouble our efforts to the end that this future for all within our borders may be in Him who alone can make our Dominion truly blessed. This is our prayer. This is our aim in the work among the Chinese people in Canada.

INDIAN WORK

WAYWAYSEECAPPO RESERVE

The past year has been a busy one, though nothing particularly outstanding has occurred. Visits were made to the sick and to those who were in sorrow. When an accident occurred, treatment had to be given. In January the snow became so deep that it was impossible to continue the services at Ekford. When the snow was from six to ten feet deep along the trails, it was necessary to travel to Ekford for a funeral. The strain on the cutter was too great; the single tree snapped and it was necessary to walk through the deep snow half a mile for help.

Visits to the homes of the Indians are always welcomed and requests for prayer before leaving the home are numerous. The Church attendance of the Indians compares very favourably with that of the white congregation. During the past year a family who were formerly Roman Catholic was received into the membership of our Church. In the summer season the Indians offered to paint the Church. The material was purchased and a fine job was the result. In appreciation of the assistance given to them by the W.M.S. eight loads of good wood were brought to the Church.

The Church at Argyle presents some problems. Very few attend and there seems no prospect of getting new families in. With true Scottish tenacity they cling to the old Church, but how long they will be able to carry on, it is difficult to say. At Ekford the people are of mixed nationality and some have not a high moral standard, but as the Scripture says,—“Christ came to save,” and there is evidence of much good being done. The Sacrament of the Lord's Supper was conducted by Rev. E. H. Lockhart at all three points.

H. CRUMP.

OKANAIS RESERVE

This Reserve is situated near the town of Elphinstone, in Manitoba. It covers nine square miles and is constantly patrolled. This review of the year's work causes us once again to breathe out a prayer of thanksgiving, and once again to feel a sense of humiliation. We set out to do so much, but, alas! alas! the material with which we work is so plastic. Too often that which gave cause for thankfulness yesterday gives grief to-day. We have about twenty-seven families. Where there are children of school age, these are away at Birtle School. Rev. E. H. Lockhart, M.A., dispensed

the Sacrament of the Lord's Supper twice during the year. We have had five baptisms and some funerals.

The Indian W.M.S. is very active. The fact that their children are at Birtle and so easy of access makes them more sympathetic and perhaps more liberal in missionary givings. The men give next to nothing. It is contrary to their nature to give. The efforts we have made in the past to make a kind of second rate white folk of them have proven a miserable failure. Our whole object now is to make good Indians.

We have had very liberal supplies from the Women's Board in the East; perhaps far too much. It counteracts the emphasis we are trying to make to draw these good friends out into a more sturdy independence. We dispense the drugs from a fair supply provided by the Government. The Indians consume quite a quantity of these; they keep a well defined track around the Mission House.

One incident which impressed me would perhaps inform you of the good work done in the past by those who ministered to these Indians. This summer we had a four day Pow-Wow. All the local tribes gathered. Their tents made an imposing show, pitched in a half circle extending for half a mile. The older folk entered into conference whilst the young braves and maidens enjoyed sports, dancing and visiting. A carefree, happy, hilarious time was enjoyed by all, especially the drummer, who kept us awake night after night.

On the closing day the various chiefs requested me to bring the gathering to an end with a great open air service. On a wide platform covered with the branches of many trees we presented to a crowd of eager listeners the sweet old story of Jesus and His love, and sang the old hymns. This remains a fragrant memory. Within two hours tents were down, and all were homeward bound. We wonder how many white folk close their picnics and dances with worship and thanksgiving to the Great Manitou for a happy time?

H. T. WHITE.

ROLLING RIVER RESERVE

Each day brings the daily round of duties—interviewing callers, which often takes up endless time; visiting the sick, and those who are not sick, and staying for a few minutes' chat, or to sing a hymn and have prayer with the one who is ill in bed. But we must not hurry lest we hear the remark, "You are always in a hurry when you visit us." Thus the days go by and one wonders just how much has been accomplished.

It seems as if we have to look back over the years to denote any progress in Church work among Indians, but when I refer to a report written ten years ago, I think I can say we have "gone forward" in every way, although I wish I could see a more practical expression of Christianity, especially in the way of giving. It is so hard to make them realize that the Church needs their help just as much as they depend on the Church for the benefits they receive in having a missionary to live among them and to care for them. Our services on the whole are well attended, and at our World Day of Prayer Service, not only the women but the men came out in good numbers. Our women retain a whole-hearted interest in their W.M.S. and we also have a Home Makers' Club which was begun over a year ago at the request of the Indian Department. Lectures on Home Nursing and Cooking are given. Needlework, rug and quilt making are also taught; and many busy afternoons are spent pleasantly in this way. Our men are, for the most part sober and industrious. We had good crops last year, and several of the Indians were able to buy much needed teams of horses which will be a great help to them in working on next year's crops.

Financially we have met our obligations. With the exception of a slight balance, all monies received have been sent to the Budget Funds.

In closing I would like to say how very much we are indebted to our Indian Agent for his helpfulness and co-operation in our efforts to help these people make the most of their lives.

Non-Anglo-Saxon Work

PRESBYTERIAN FRENCH CANADIAN MISSION

The Presbyterian French Canadian Mission is carried on in three different centres, in Montreal in the former Taylor Presbyterian Church under Rev. J. A. Smith, and in the former East End Methodist Church under Rev. J. A. Giguere, and at Fontenelle under Rev. J. H. Real D'Anjou.

REV. J. A. SMITH

Mr. Smith is building up a Presbyterian congregation. He is a Minister in full status in our Presbyterian Church; he has his Communion Roll, his Session, his Sunday School, Women's Missionary Society Auxiliary, and all the other organizations usually connected with any of our Churches. His membership is gradually increasing, also the finances. He has about two hundred and fifty Communicant members. These were all Roman Catholics a few years ago. At his last Communion he added fifteen new Communicants. In 1940 their total finances for all purposes were \$749.00; in 1941, \$1,524.00.

Since the New Year, the W.M.S. have been supporting Miss Ippersiel who is teaching a class and, in general, assisting Mr. Smith in his work. The report is that she is doing excellent work.

REV. J. A. GIGUERE

Mr. Giguere conducts an entirely pioneer Mission. He aims to reach those especially, who are still connected with the Church of Rome, but who are enquiring regarding the Gospel. He distributes many thousands of tracts, leaflets, Scriptures and portions of the Scriptures.

Mr. Giguere has the status of an Ordained Baptist Minister, and up to the present, he has considered that he could work more successfully without being definitely linked up with any Protestant Church. Others closely associated with his work have been of the same opinion. He has reached a position now where he finds it necessary, in order to conduct his work, to be definitely under one of the acknowledged Protestant Churches. As he is at the present time, he cannot secure Registers for Acts of Vital Statistics, which he feels is hindering him, and in other respects he feels that the work has reached a stage where it is necessary for definite connection with a Church. Accordingly, he has made application to be given his status as a Minister in The Presbyterian Church in Canada. After a very thorough examination, the Presbytery of Montreal has unanimously recommended to the General Assembly that this status be given Mr. Giguere.

REV. J. H. REAL D'ANJOU

What has happened during the past number of years at Fontenelle is well known to the general public. On the 27th of July last, the Church there was dedicated, and two elders ordained. The Church is completed in all respects, excepting pews, and is a beautiful little building.

We can never consolidate our work there, however, until we have a school. There are in the neighbourhood of eighty children belonging to our people who have left the Church of Rome. These are growing up illiterate, or they are attending the Roman Catholic school.

What has been done in the French work is merely a demonstration of what can be done.

The Committee in charge is unanimously agreed that we have now come to the time when either this work should be put on a proper permanent basis, as a department of the Mission work of The Presbyterian Church in Canada, or closed out completely.

If it is decided to close it out, there will be very great disappointment among our Presbyterian people in general.

Respectfully submitted,

ALLAN S. REID.

ITALIAN WORK

I. BECKWITH MEMORIAL CHURCH, MONTREAL

Amidst continuous difficulties we have been carrying another year of activities, up to May 10th, 1941, in the old rented place, and since, in the new church building, which it was our privilege to dedicate to God's worship and to the memory of a great Christian and great Canadian, General Beckwith. At that date the Amherst, or downtown congregation, was discontinued as a separate entity and merged with Rossland congregation, thus forming a new unit. Besides, we still carry the work among the Italians of Ville Emard.

The Gospel has been brought as usual both to the flock already in the fold, and to those outside it, viz.: the twenty thousand Montreal Italians. All our Church members are converted Roman Catholics. The new generation as well, in most instances, was originally baptized in the Roman Catholic Church, as their parents, at the time of the baptism of their children were still in that Church.

Everyday's blessings: Who can count the Lord's blessings? A Roman Catholic woman, mother of eight children, accepts Christ against her husband's will. Doubting that when she dies she will be given a Protestant burial by her Roman Catholic relatives, she drafted and handed me some sort of last Will, committing to her husband to allow, and to me to see that it be performed, a funeral according to her religion. Another Roman Catholic woman was given a Bible by me, while she was a patient in the Royal Victoria Hospital twenty years ago (a thing that has passed out of my mind). I lost sight of her. Recently I came across her again, and found that during these years she had memorized quite a number of passages, had become familiar with the Christian way of thinking and used Biblical terminology uncommon among Roman Catholics, and is ready, as soon as illness and weather will allow her, to attend our Church services and accept Christ publicly.

A man and wife, not long married, had been living a very unhappy life until in 1936 I met the woman ill in a hospital. Both were Roman Catholic. The woman astonished me when, on the sick-bed she declared her faith in Jesus and her desire to join our Church. I doubted whether she understood what she said. She had some sort of presentiment that one of God's messengers was about to bring her some Good News. And so it was. Six years of experience proved that she was sincere to the utmost. Her husband changed his life right after, gave his heart to Jesus, and both joined our Church. They and their three children have been among the most faithful workers in our midst, and the best contributors out of their meagre income, even during the time they were on relief. The man gives \$1.00 and the woman 35c per Sunday. They are bringing other relatives to the Saviour. Upon making a pastoral call to this family, two years ago, before the Italo-British conflict, this was the prayer of one of the children (8 years), offered before we partook of a cup of tea: "God bless this food, bless us and bless the soldiers who are fighting the good fight for us." The Gospel of Christ works and makes good Christians and equally good Canadians.

We have a few widows and widowers living on the old age pension who take out as much as twenty-five cents a week for the Lord from their limited allowance, and always respond to special appeals. A man, a former Roman Catholic, while on his death-bed in the hospital, resisted successfully several attempts by priests and nuns, brought to his room by interested parties, who urged him to deny the Lord and die a Roman Catholic. Instead he confessed Jesus to the end, and was given a Protestant funeral, his whole family (all converted from Roman Catholicism) concurring. Another young woman, a Roman Catholic, but in her heart a Protestant, related to members of our Church, for eight years she has been praying God that her Roman Catholic husband give her permission to attend our Church, the reading of her Bible being in the meantime her daily food. Her prayers have been heard at last. Permission was given lately, and both the woman and her daughter attend Church and Sunday School respectively, contribute through weekly envelopes, and hope that the man will soon follow. There is every indication that he will in time accept Christ too. A man and wife, both atheists of long standing, to the point that they deliberately had civil marriage years

ago in Trieste (under the Austrian régime), omitting a religious ceremony of any kind, through the influence of some member of our Church consented to the baptism of their unbaptized children, and sent them to a nearby English Presbyterian Church Sunday School, ours being too far from their residence. They themselves attend our services intermittently.

Years ago a Roman Catholic man, under the impression of the fate of a relative who had paid the capital penalty, came to our Church to seek the way of salvation. He found it. He was converted, and ever since has been a devout Christian, and his children are being brought up as Protestants in spite of his Roman Catholic wife who does not agree with him on religious matters. A young Roman Catholic couple, married only about two years ago in the Roman Catholic Church, quarrelling all the time and separated for over a year, were recommended to get in touch with me. It took months of work and prayers to reunite them and make them aware that both lacked the spirit of Christ. Neither had been instructed by the priest before their marriage as to the meaning of a real Christian union, and of the fact that—"Except the Lord build the house, they labour in vain that build it." "Yes," said they, "The priest was only interested in the fee, and in seeing that we make as luxurious a marriage as possible in his Church, so as to charge us more." Afterwards, the man began to attend our Church quite regularly, the woman a few times as well, and yesterday, upon calling again on her, I found that she, too, will soon take the final step. There is peace now in their little family, she gladly avowed of her own accord.

A Roman Catholic French Canadian, confined for years to bed on account of some sort of paralysis, who married a girl member of my Church, has practically accepted Christ, reads his Bible every day and prefers my visit to the priest's, who, however, never was in the habit of doing anything of this kind, only asking him for the annual tithe. This will not be paid any more. A young man, a member of our Church, married a Roman Catholic girl in two ceremonies, one Protestant, the other Catholic, to please both parties. The bride's father intimated that he would never set foot in their dwelling again if he ever saw a Bible around. There came promptly the groom to see me with a request that I procure him a conspicuous copy of a Family Bible. It does not seem that the old man was so rude as to refrain from visiting his married daughter and son-in-law because of the Bible prominently exhibited and used.

A young man who had been converted from Roman Catholicism for only two years and had become a teacher in our Sunday School, and a keen student of the Word of God, became seriously ill. Before being called to his reward he asked that his Bible be placed on his coffin. It was a significant witness to his many Roman Catholic relatives and friends.

Funerals, baptisms, and marriages are great occasions to announce the Gospel to Roman Catholics, generally attending because of friendship or relationship. It impresses Roman Catholics, the fact that the minister, rain or shine, heat or freezing cold, invariably goes to the cemetery for the last ceremony. Their priests never do that, in spite of the fact that they charge quite a bit for their Church function. They never do any praying at the home of the deceased, as we do, and the Roman Catholics like it. "How much do you charge for all that?" one of these Catholics asked me. He would not believe that everything is free. "Impossible," he said, "Nothing is done for nothing."

Mostly, on account of marriages, we have either as members or as adherents, besides Italians, Spaniards, French-Canadians, Ukrainians, and even an Irish-Canadian, who was brought to Jesus by his fiancée and joined our Church, of which she was already a member. Part of our Sunday service is in English. Often I have to use English, French, Italian and even Spanish in performing marriages or funerals. I never thought in my life that my knowledge of the Spanish language would be of any practical use in Canada. Yet, it was at a funeral of a dead woman from Spain, when practically the whole group of Montreal Spaniards (about forty families) heard perhaps for the first time in their life the Gospel in their language. And, I was told afterwards, they were glad of it.

Mixed marriages, which I perform, generally turn to our favour. It is so, sometimes, even of those performed by the Roman Catholic priest, often to please narrow-minded parents. In this Province of Quebec, made famous for disguised divorces, called annulments by a certain Judge, I take the unusual precaution, when performing mixed marriages, to insert a clause in the ceremony, similar to the one I discovered the priests use on similar occasions, namely, that the Roman Catholic party pledges himself, or herself, never to ask for annulment based on Canon Law, and to allow the Protestant party to bring their children up as Protestant. Several of our young men and women are graduates from McGill and other institutions of higher learning. Some of these have moved to other parts of Canada and have made good. Several of our young men enlisted in the Air Force or the Army. Two of them are sergeants.

The war brought patron saints, feasts, and processions, as well as Fascist activities to an end in Montreal. Thank God! Let us hope it will be so after the war as well. But the Bolshevik Italians are ably disguising themselves under the cloak of Canadian patriotism. Their radical propaganda is very subtle and insidious, and they take advantage of the changed Russian situation. Our members are often put on guard against all these un-Canadian activities. Those who look to our Church as to a cow to be milked soon find their mistake. We teach people to serve rather than to be served. Since the opening of our new church building, May 10th, 1941, a number of contributors increased their weekly contribution through envelopes without any request. The poor are the best givers. Labourers, widows, old age pensioners increased their offering from ten cents to twenty-five and fifty, and several to one dollar per Sunday. God bless them! The result is that over \$1,400 was raised in Sunday offerings alone in 1941, while \$129.50 (instead of \$100, our allocation) was sent to Toronto. Several hundreds of dollars were raised by various organizations, about \$1,200 for the building fund, church equipment and heating system, besides the \$2,800 previously raised for the land for the new church. We don't forget the Bible Society, Red Cross, hospitals, social agencies, benevolent funds, food for soldiers overseas, etc. On the whole we have much for which to be thankful to the Lord and to The Presbyterian Church in Canada, and to the staff of volunteer workers, especially the Sunday School teachers.

Calls, hospital visitation, visitation to the sick in their homes, assistance in many shapes absorb a good deal of my time. The need of an efficient and devoted deaconess is greatly felt. The work is rather exacting and manifold. But there are things that would inspire any Christian worker, like that man, a veteran of the other Great War, who for twenty-five years has travelled about ten miles each way every Sunday to attend our services.

Respectfully submitted,

R. DE PIERRO.

II. HAMILTON

Again we have nothing to report but good things concerning the little Italian Mission on Sherman Street, North, to which the Presbyterian Church has given oversight for a considerable number of years. We are giving this oversight on compassionate grounds.

After Union, the little flock became independent under the late Mr. Ernest Taylor. Later they appealed to us for assistance, which we generously gave. On Mr. Taylor's death, a lay Italian elder from St. Andrew's Church carried on the work. When he felt unable to continue, St. Andrew's Church carried on the work with its students for years. Now laymen, headed by an elder, Mr. Thomas Blackman, assisted by some very fine Christian Italians, carry on a small, but very much alive, Gospel Mission work. This year has been marked by a very gracious work among some of the younger scholars of the Mission. When our Church first took oversight, the Home Mission Board gave a grant of some \$600.00 a year. Now we get \$125.00. The mortgage was again reduced this year by \$200.00.

This is a very heartening piece of work. It will never be a strong cause numerically. Many of the converts of the Mission leave the district and join English-speaking communions. These make the finest and most loyal of churchmen. Some ten of these are

members of St. Andrew's alone, and we *know not* that they are Italians. Two are in the King's uniform. One is a sergeant in the Auxiliary forces. The latter also serves as an interpreter for the Mounties.

So it really can be said that the Italian Mission, under God, has made many loyal Canadian Christians. It is small in numbers, but by no means insignificant in influence.

Respectfully submitted,

C. L. COWAN.

PRESBYTERIAN MISSION TO JEWS

The Presbyterian Mission to the Jews is situated in the heart of Toronto Jewry. Our nearest neighbours are: a Jewish dentist, a prominent Rabbi, Jewish grocers, tailors and plumbers. On the opposite corner is a large Protestant Church. Within a few blocks there are four more such churches. Thousands of Jews go up and down our streets daily. The whole district in this southern part of the city is closely inhabited by these descendants of Abraham. They are also to be found in the fashionable residential districts, in the schools and in the universities. The vast majority are without knowledge of the Old Testament Scriptures, and growing increasingly indifferent to the faith of their fathers. What is our attitude to these neighbours living in the very shadow of our churches? When we look at the field, we may say truthfully—that merely the fringes of the work have been touched. When we consider the obstacles we are dismayed, for humanly speaking, it seems impossible to Christianize the Jews. Must the Church, then, give up her efforts in despair?

"Blindness in part is happened to Israel." When we talk to a Jew about Christ he cannot see. He is blinded. But a blind man is an object of pity, not of scorn. He has to be gently taken by the hand. So we must do with the Jew. This, then, is the duty of the Church. We who see must be eyes to the blind. "Fear of the Jews" is a very real thing. "The doors were shut . . . for fear of the Jews." Few Gentiles understand how difficult it is for Jews to attend a Christian mission. Before they enter they will look up and down both ways, and when inside will carefully pull down a window blind for fear of being seen here by any of their people. One Jewess, more fearless and outspoken than the rest, stated emphatically, "We are afraid of being seen here by the Rabbi, who lives two doors away." They are afraid, also, of being "cursed" if they show any interest in missions or missionaries. So we are not surprised when they do not recognize us on the street, or do not always answer the door. Even the poorest Jews look upon the Gentiles as Gayim—heathen—and worshippers of a dead carpenter. They despise our Saviour, sneer at His miraculous birth and deny His resurrection. To them He is the cause of all the sorrows of the Jewish race.

A Hebrew Journal published in New York contains an article by an orthodox writer. After branding the utterances of any Jews who make reference to Christ as "nauseous" and "the starkest horror" he goes on to declare that "Jesus must never cross our minds." In addition to this sad and stubborn opposition is the difficulty created by some Christian missions which, we fear, entice the Jews into their fold by various branches of relief work.

In no mission work is it more dangerous to make use of doles of any kind or give financial support or promise of remunerative employment, the Jews instinctively know where to find their profit and readily avail themselves of it. So they come suddenly and disappear suddenly, just as soon as their profit is exhausted, or they develop into sham Christians without any backbone. "No groceries, why come?" said one who vanished from our midst. "Give us, give us groceries—you get many people," said another who at present is watchfully waiting.

This, then, is the task to which we have addressed ourselves, that of re-educating our Jewish people, and impressing upon them the fact that the Mission

is not "just a place to get things." Repeatedly we have told them that the Presbyterian Church maintains this Mission to let the Jewish people know their Messiah has come, and that here they may find hope and comfort for the soul. Our object is to win a group who will form the habit of attendance, and continue with us, because of something they find here that is not of this world. Material help has been supplied only in those homes where there was real need or sickness. No inducement has been offered them, just the simple invitation to come and hear the gospel. We believe that our efforts and prayers are not in vain, but the task is tremendously difficult. Sometimes all the forces of hell seem ranged against us. Then again we take heart, particularly with regard to the young, whose intelligent remarks and appealing ways are a source of joy to their teachers. When we are reminded of the value of one soul, and try to visualize each one of our newly-organized group as a new-born creature in Christ, our hearts bound for joy. What a harvest might be ours! Surely this is our ambition, not merely to bring in numbers, but to win souls for Jesus. How may that be accomplished? By the prayers of the whole Church. We know there are always the faithful few who uphold us before the throne of grace, but we need the prayers of all in order to win through. We believe that if we persevere in faith, the victory will be ours.

A real effort has been put forth to make the Mission as attractive as possible. Every part of the building, from garret to cellar has been thoroughly cleaned, and thanks to ladies of two churches, some rooms have been newly decorated. The results are quite pleasing. Even the children have paid us compliments, and their mothers say they like to come here because they find it restful. "I determined never to stop until I had come to the end and achieved my purpose." So spoke David Livingstone. By unfaltering persistence and faith in God, he conquered. Years of experience have convinced me that success depends upon the spiritual calibre of the missionary. Mental achievement, knowledge of languages and thorough training are all great assets, but it is character which is the prime essential. "Men are God's method. The Church is looking for better methods; God is looking for better men. The Holy Spirit does not anoint plans, but men—men of prayer." "The visible fruit from the labours of pioneer missionaries, such as Hudson Taylor, Adoniram Judson and Robert Moffatt, especially in the early years, was anything but encouraging, yet the visible harvest of later years would have been impossible without the apparently fruitless early years. . . . Thus upon us rests the responsibility of being faithful to Christ in every way, but to God belong the results."

HUNGARIAN WORK

I. TORONTO

Throughout the past year we have gained, spiritually, numerically and financially. We do not claim that we are the "fastest growing congregation" in Canada or even in Toronto, but we do claim that we are a "growing" congregation. Our growth is slow, but sure. There is more love, more tolerance, more understanding, more sympathy among members towards one another than I have ever experienced. They are beginning to take religion more seriously. They are beginning to take a keener interest in our church life than ever before, and more individuals are attending Divine Services more regularly, while sermons are more closely followed, and the members are eager to help the less fortunate. Last year when one of our brethren died in the hospital after three years of sickness, poor and penniless, our people got together and collected the necessary funds and gave him an "honourable funeral." The influence of this congregation upon other Hungarian, and even Canadian congregations is good indeed.

That the Magyars do not shirk their responsibilities on any field, whether Church or State is also obvious. We Magyars are just as proud to be "Canadians" as any Scotch, Irish or English are. We realize the danger confronting our fair land as any Anglo-Saxon does. We know that if Canada stands, we also shall stand.

If Canada falls, we also shall fall. But we do not want to fall, and Canada, and the Empire will not fall! With the help of the Almighty, we are doing, and we shall do our best to come through this baptism of fire. We have many of our youth in the King's Uniform serving King and Country, both overseas and in Canada, many of them officers. On the home front we are doing our bit, as well as other loyal citizens are. We are supporting the British War Victims' Fund and the Canadian Red Cross Society. The Young People supported the "Canteen Fund" with \$36.00; War Savings Certificates are purchased by children and adults alike, and of late, no Anglo-Saxon could have been prouder to wear the little "red maple leaf"—the proof that the bearer is a subscriber to the "Second Victory Loan"—than our Magyar Canadians and our church members were.

Last year at this time I reported a total membership of 114. To-day, in spite of the loss of 8 members, I am reporting a total membership of 116, representing 73 families. The 73 families include 219 souls. There are other adherents, who, no doubt, sooner or later will join the congregation. We lost 3 elders, but they were replaced by others. There are 10 active elders now. We had 8 baptisms, 2 marriages and 4 funerals. Holy Communion was celebrated six times. In our Sunday School we experienced a slight decrease both in scholars and teachers. The reason—matrimony and service in the army. As for the scholars, some of them feel they are "too old" for Sunday School, and others moved away. We still have, however, 67 scholars on the roll and 4 teachers. Our Young People's Society has diminished in numbers also. Some of them got married. Six of them are in the uniform, including one young lady, the past president of the Society, Miss Marienne Izsak. There are 18 members, and meetings are held regularly every Monday evening. The Women's Association is functioning normally. Regular meetings are held, and there are 27 active members. It is in the work among our women, youth and children, where the services of Mrs. Steinmetz, as part-time deaconess, under appointment of the W.M.S. are indispensable. The type of service Mrs. Steinmetz is called on, and expected to do, could never be done by a minister. This is the reason why her services are valued so, and are valued more by our people than ever before.

The work of Miss Isobel Taylor as music and nursery school teacher has been very successful. To cover extra expenses in connection with the school, such as coal, caretaking, etc., the W.M.S. gave us a grant of \$250.00 for one year.

Finally, I should like to say something about our financial gains. The total amount raised for all purposes in 1941 was \$1,927.74 or \$17.21 per member, which amount compares very favourably with other congregations, English-speaking or non-English-speaking. Last year we paid \$240.00 into the Budget. All current bills were paid regularly. This year the congregation accepted the proposed reduction of \$200.00 per year from the minister's stipend, or house allowance, and agreed to pay the same directly to the minister. They also agreed to pay \$40.00 into the Budget. Last year extensive work was done around the Church. New fences, gates and cement walks were made. Necessary equipment was added. All this, naturally, makes the property more valuable. The total amount of money paid into the land, building and equipment comes to a total of \$18,735.00, all of which is the result of less than ten years of effort. The indebtedness of the congregation last year at this time amounted to \$6,050.00. This indebtedness from January 1st, 1941, to March 1, 1942, was reduced to \$4,850.00. One thousand dollars were subscribed between July, 1941, and February 15, 1942 by forty family subscriptions of \$25.00 each to reduce our heavy indebtedness on one hand, and on the other, to fittingly mark the four-fold Jubilee year of 1942 in our congregational life. The cheque for \$1,000.00 was promptly paid to meet our obligation to the Church Extension Board.

In closing, I ask for the Magyar Presbyterians, scattered all over Canada, numbering approximately twenty thousand souls, the sympathy and support of the whole Church. In return we offer our continued loyalty to Church, King, and Country.

Respectfully submitted,

CHARLES STEINMETZ.

II. HAMILTON

I took up my work in Hamilton on May 27, 1941. I had heard much criticism about the people in this congregation, and one would have thought that the work amongst such a congregation was an impossibility. It was said that the people in the Church do not like the Church; very few attend (3-15) and the people are not willing to assist the Church financially.

At the first service conducted by me more than a hundred members were present. That evening after the service a large group of people attended the reception given the minister and his family, and promised him their hearty co-operation.

As there is no manse in Hamilton, and getting an apartment is almost an impossibility, on arriving we went to the home of the Chairman of the Board of Managers, Mr. John Berecz, who graciously shared his home with us until a home was ready for us. When after a time no apartment could be found, and the men realized what rent people are paying in Hamilton for a five and six room apartment or house, it was suggested that the congregation should buy the lot next to the Church and build a manse with government aid. This, however, was not found possible. A house was being vacated at that time at 26 Fullerton Avenue, which is just a short distance from the Church. The house was purchased for \$2,500—five hundred dollars as first payment, with two hundred dollars on principal each year. The minister and family have been living in the house purchased since October 15th. Thus far \$842 has been contributed towards the manse. Of this \$627.50 has been paid into the manse. Two hundred dollars were paid on the interest on the Church mortgage last fall. Before the Christmas holidays the Vice-President of the Ladies' Aid collected \$53 for an electrical fixture which was purchased for the Church. The interest on the Church mortgage, which is about \$600 was paid in full. The total amount of money raised during the past eight months has been around \$2,000. All repair work at the Church and Manse has been done by a number of the Managers free of charge. Two of our young men have papered the parlour and dining room of the Manse free of charge.

The average attendance at the Sunday morning service is about 50. On December 25th more than 200 were present at the service; the largest congregation at a service in this Church. About 100 people were partakers of the Lord's Supper that day. The Sunday School is not large and will have to be built up. From all these it can be seen that the people of this congregation like their Church and are willing to contribute and work.

The minister and his family have presented the Church with 20 new Hymnals. Another 25 have been presented by Mr. James W. Hamilton. Mrs. Mobray, who holds the mortgage on our Church, is contributing \$150 towards the paying of the interest on the mortgage. Mrs. Monroe is contributing \$100. A \$2,500 loan or a few gifts would help pay off the mortgage on the Church.

During the past eight months the minister has conducted morning service each Sunday, taught Sunday School and helped in the Young People's work. During June, evening services were conducted Sunday evenings, and since November. The sick have been visited in hospitals and at the homes. The minister has been much in demand by many to act as interpreter and help them with their problems.

During the past eight months great progress has been made. On October 26th, eleven young people stood before the congregation and were examined by the minister in our Shorter Catechism and were accepted into the Church that day. These youngsters presented the Church with a beautiful Communion cloth. There were six baptisms, four marriages and a funeral during the past year.

With God's help we shall go forward. We shall fight on against the Church's great foe—the foe of our Country also.

Respectfully submitted,

ANDREW ARVAY.

III. BEKEVAR

Bekevar translated into the English tongue means "Fortress of Peace." Forty years ago this district received the name at a meeting held for this purpose. The name was suggested by its first pioneer, John Szabo. This decision was a very good and fitting one, and throughout the intervening years the name has proven to be appropriate. This is true, too, of the congregation who have worshipped here through the years. They have been getting along very peaceably.

The year 1941 has been a fairly good one, financially as well as spiritually, in the life of the congregation. As you may well know, Church work in the country is performed during the spring, summer and fall months—winter roads sometimes are impassable. Four persons were accepted into the congregation when yet under the leadership of Rev. Andrew Arvay, who did fine work. Credit is due to him for bringing in some new, modern methods of operation, making it somewhat easier for his successor upon entering the field.

Rev. Andrew Arvay left in May for his new charge in Hamilton. My first service at the Bekevar Church being on Sunday, May 25th, with an attendance of about 200 people. On Sunday, June 1st—Pentecost, the Church was filled to capacity. It was a fine day and we observed Holy Communion. About 425 attended the Service, including young people, members and adherents. All throughout the summer and fall months attendance at the services was very good. There were only about five Sundays in that time until December 31st that we could not hold a regular service because of rains causing muddy roads and a bad snow storm in November. Some of the folks have to come from as far as 15 and 20 miles distance one way, and when roads are bad there are very few people in attendance. Over \$400.00 was raised to paint the church building and the entire bill paid in full. Many travellers stopped to take pictures of the building while it was being painted and when the job was finished. Work was completed on both exterior and interior.

The minister and his family were welcomed with the greatest kindness and enthusiasm. The people have been very kind. The minister and his family made visits to as many places as possible while time and weather permitted, visiting in all 119 families and 17 individuals, consisting of 374 persons of Church membership age. Of these, 82 families and 9 individuals are regular supporters, totalling 305 individuals who support directly or indirectly. Our visits took into consideration 48 square miles of territory. We tried to adjust these visits to the best advantage of our time and expense, travelling a total number of 6,149 miles. One thing here also must be made clear—we cannot go into a home and stay ten or even twenty minutes. In many cases we were asked to stay for lunch, tea or supper. Not on any one occasion did we make visits with any representative along with us. The reason for our visits was to get acquainted with the people, their actions, their mode of living, and a wealth of information was obtained which would not have been obtained if we had others along with us. Our conclusions are, that there is a very bright future for this congregation together with much hard work.

W.M.S.—Our W.M.S. work has progressed rather slowly, for this is new to the ladies here. Attendance is not very good, although the meetings are an inspiration to them, and they look forward to them and ask when the next will be held. We had only 10 because these services were started in the early part of the winter season. On seven occasions we had baptismal services on Sunday evenings when 12 children were baptized. Total attendance was 470.

The minister and family like it here very much and hope to stay as long as possible. The congregation will make the best attempts to take care of the support of the Church on a stronger basis henceforth, but this cannot be done as soon as there is a change in the leadership. Time must also be granted to the people so that they can get out of the rut of the past few years' experience, which caused them much grief and hardship—failure of crops, depression, etc. I am sure that for the next year there will be a

greater improvement. We wish to express our thanks for the support rendered to us by the Board in financial, as well as any other assistance. We hope that through the help of God, who understands those who believe in Him, we will be able to stand upon firmer ground, and it will not be necessary to lean to the Board for any further financial help, but that the Board will deem it more necessary to turn rather to us for the same. To return all the good that others have shown us, will be our every endeavour, with the help of God.

And so, thinking of the name of Bekevar, "Fortress of Peace" let us hope that we can soon gain that end where there will be no further need for bloodshed, when we can wipe away the evil works of the Prince of Darkness and ever follow in the footsteps of Him who said,—"My peace I leave with you."

Respectfully submitted,

STEPHEN FAZEKAS.

IV. SOUTHERN ALBERTA

In addition to the work in the city of Calgary, I have four other organized preaching stations. There is the northern district which should have greater attention than I have been able to give it. To cover this large territory means driving about a thousand miles per month. The points in the south served regularly the last week of the month are, Lethbridge, Raymond and Taber. The "churchless" community of Picture Butte receives only occasional visits. The work is showing fine progress. Raymond contributes \$60.00 per annum to the stipend, in addition to its share in the travelling expenses. Lethbridge and Taber cover only the travelling expenses.

In Calgary there is an enthusiastic group. The duplex envelope has been introduced and already some 25 sets are in constant use. At the annual meeting they accepted \$420.00 as their contribution to the minister's upkeep. The Church is now clear of debt. This congregation shows a fine spirit of gratitude towards the Presbyterian Church, and there is a fine response toward the challenge of interesting their new fellow-Canadians in the cause of Missions. A joint service of the congregations of Calgary and Lethbridge was lately held in Lethbridge. This whole work has a wholesome influence on the lives of the people of the New Canadian settlements throughout Alberta. In covering this large territory, Mrs. Molnar, by the authority of the Session, assists by taking the services in Calgary when I am elsewhere.

Respectfully submitted,

E. F. MOLNAR.

UKRAINIAN WORK

I. TORONTO

During the year we had a small increase in membership, but a good increase in support of the work by the members of the Mission. Conditions in Dale Church were responsible for the small increase in membership. Dense smoke from the box stoves, continually frozen wash rooms, cold in the rooms had driven away many, and only the most faithful remained with us. These difficulties were a blessing in disguise, as every remaining member, not only saw but also felt every Sunday the need of a new church building, and they contributed well for our building fund. As a result our congregation during the past year raised about \$800.00 for the church building. Of course, increased employment helped a great deal also.

Our Sunday School, under the leadership of Mrs. Fesenko, held its ground and attendance was satisfactory. Mrs. Fesenko organized the Women's Association which contributed toward the work about \$200.00 in the past year. We were not able to have weekly activities in Dale Church most of the winter and transferred them to the houses

of the members as much as was possible. This also promoted more friendliness among the members.

In 1941 we began our church building. We much appreciated the very generous and most timely help of the W.M.S. and of the Board of Missions. This assistance made it possible for us to start the building. The first meeting in our half-finished building, when the corner-stone was laid, showed great interest on the part of the whole Ukrainian colony in our work. The building was filled to capacity. A Ukrainian business man at that meeting put on the plate a cheque for \$200.00 and later a meeting of shareholders of a Ukrainian co-operative store sent us another cheque for \$45.00. This is very encouraging, because we still remember how we were pelted by our countrymen, with rotten tomatoes in the beginning of our work when we tried to hold open air meetings. The building, we hope, will soon be completed. However, we still need some funds for the finishing of the basement.

Our paper, *Evangelical Truth*, printed in Ukrainian and English, and supported by the W.M.S. is gaining more and more subscribers. By now we have about two hundred paid subscribers and we send about five hundred copies, most of them on request. We have a number of subscribers in the U.S.A. and even in Brazil. Articles by Dr. Helen MacMurchy are a great attraction and we very much appreciate the help of Miss L. K. Pelton and Miss T. Negoro who contribute regularly for our English section. Instructions in music by Miss Isabel Taylor were very helpful, but handicapped by conditions of work.

Between the church building, editing of the paper, and pastoral work, very little time was left for anything else, and I am afraid that many things were left undone which should have been done. On the whole we feel that it was a great year for us in every way, and a good one. Our dreams were realized, and we at last were able to build a home for our work and worship. It is needed in our district. There is a large influx of workers from the Western Provinces and the number of Ukrainians in Toronto has greatly increased. Our new building will provide us with a proper place for work among them. They are loyal and hard working people and well deserve the care of the Church.

Respectfully submitted,

MICHAEL FESENKO.

II. OSHAWA

The year 1941 found us without our former church property. The Ontario Highway Department had taken over our land and church building which was erected in 1930. So all our activities during the past year have suddenly been curtailed and the attention of the congregation has been concentrated on the erection of the new building.

Every Sunday the congregation met for morning services in two small rooms of a private dwelling located on the new church site. We have lived through many difficulties connected with the erection of the new church building. The members of the congregation applied themselves to the new task with the greatest fortitude and self-sacrifice, freely offering their labour and money, hoping to see their vision realized—a beautiful modern church building with all conveniences for the various activities of the church groups: Ladies' Aid Society, Young People and Children.

Two infants were baptized, two marriages performed and also three names added to the Sunday School Roll.

Now we are looking forward into the future with a greater task before us—the growth of the Living Church of Christ in our community. The Love of God in our hearts will do that. It drives us on and on, and constrains us to write the story of Jesus with our acts.

Respectfully submitted,

JOHN JACENTY.

Institutional Work

TYNDALE HOUSE

Another year has been added to the record of Tyndale House. With our country still immersed in war, 1941 has brought many changes to the work and made it a year of even greater activity.

Tyndale House is well represented, not only by the number of men who have enlisted for active service, but also by the women who are serving on the "home front" in factories and munition plants. This has caused a decrease in our adult attendance. The fact that fathers are away and many mothers are working long hours, means that there is very little home life for the children and little or no supervision by parents. This leaves Tyndale House with the responsibility of doing what it can to guide and direct these young lives along the paths of right. Fortunately our doors stand open to boys and girls of all ages, every day, and it is in these various groups that we are endeavouring through healthy and wholesome recreation to solve the serious problems of discipline which are facing us to-day.

Tyndale House serves as more than a Church and Sunday School to the people who live around it. Besides being a place of worship where they are spiritually uplifted, it serves as a place of help and advice in times of trouble and a place where one can find friends and fellowship. Here again, through the men's and women's clubs, Christian Endeavour, Mission Band, Boys' Brigade, Sewing and Carpentry groups, we are endeavouring to build character and brighten the lives of those whom we serve.

SUMMER CAMP

One of the most satisfactory phases of the work is the time spent at Tyndale House Camp on the North River near St. Andrew's East. The year 1941 proved to be a very successful camping season and as usual we had more applications than we were able to look after. Here in the healthy atmosphere of the country, amid all the beauties of nature, our people may enjoy peace and rest, relieved for a time of their work and responsibilities. Here, too, is found new strength, courage, faith, and fellowship which enables one to carry on their tasks for another year.

Tyndale House is proud, and with good reason, of the fact that the old people in the community are not forgotten. Not only are they visited and looked after and included in all activities but they also enjoy the benefits afforded by the camp. Their short holiday in the country means no less to these elderly people than to the children who look forward so eagerly to days of swimming and hikes and camping fun.

In closing may I say how greatly indebted we are to our volunteers who serve us so faithfully and willingly. Without them and the donations and gifts of kind friends, the work at Tyndale House could not go on and we do appreciate their help and interest.

And now as we enter upon another year may we do so with this thought in mind, "Trust in the Lord and do good; so shalt thou dwell in the land and verily thou shalt be fed."

Respectfully submitted,

GEORGE H. DONALD, D.D., *Chairman,*
Church of St. Andrew and St. Paul.

THE PRESBYTERIAN HOME FOR GIRLS, TORONTO

Once again it is time to record the work of the Presbyterian Home, and at the close of another year we would express our gratitude to God for His loving care over us through the dark days of sorrow and strife in a war torn world. We are happy in the thought of sharing, if ever so slightly, in the furthering of His Kingdom.

This year has brought a change in our staff. We are sorry to report the resignation of the Assistant Superintendent, Mrs. Johnston, who for fifteen years has faithfully offered her services in this work of mercy. Miss Carson, formerly of Scotland, is the new Assistant. 1941 has been a year of encouragement and discouragement, but on the whole a busy one. We would like to report that through the combined efforts of the women on our Committee, and ladies of other denominations interested in the work, we have been made the proud recipients of a much needed gas stove and electric refrigerator. Our thanks are gratefully tendered to all who shared in this and other voluntary services of love.

We would like once more to briefly outline the work as carried on by the Presbyterian Home. This is not an "institution", but a "home", in the truest sense of the word. Visit any well regulated home and then visit ours, and you will find the same activities and atmosphere of domesticity. We have a time for work—a time for recreation—and a time for prayer and Bible study, the latter of which is the principle upon which our home life is centred.

This year we have had forty girls and twenty-seven babies under our care. We are very proud of the good health of the mothers and babies. There have been no deaths of either girls or babies. In this respect we would like to pay tribute to our Doctor for the splendid care she has taken of them. The girls work together harmoniously and happily. In a bright, clean nursery, they are taught the proper care of their children. Other duties consist of cooking, sewing, gardening, etc. During their recreation, the girls have at their disposal a radio, piano, and a good library, and many happy evenings are spent in singing, playing games, or just quietly knitting, or doing fancy work.

With regard to religious training, every day has its time for prayer. The girls attend Church service, and a Bible class is held in the Home each Sunday afternoon. We would like to make mention of our success in the adoption of our babies. We feel that this is an important phase of our work, and that in the placing of these children in Christian and cultured homes, we are helping to make secure the future of these little ones.

As we close the door of the old year, and stand on the threshold of the New, may it be with a prayer in our hearts for guidance and understanding, and a firmer resolve to "Lift up the Torch and hold it high."

LANTERN SLIDE REPORT

During the past five years there has been an increase of thirty-three and a third per cent. in the use of the Lantern Slides. Although war conditions and the changed situation in respect to our Foreign Mission work have, doubtless, lessened the number of showings in some of the Provinces, this rate of increase has been maintained in 1941, the total number of showings this year being four hundred and twenty-five.

One of the encouraging developments in this department of our work is the increasing interest of our Sunday Schools. As an example of this, the Sabbath School Workers' Association of the Presbytery of Toronto has sent out a letter to all Superintendents stating that a set of slides and a special speaker will be sent to those schools desiring this service. This plan has only been organized for a short time but already approximately fifteen schools have been visited. New arrangements have been made for the Province of Saskatchewan which was formerly served in conjunction with Manitoba. They have this year been supplied with slides of their own.

Two new ten slide sets have been prepared and sent out, one on British Guiana, and one on our Chinese work in Canada. A set on our Indian work in Canada is in course of preparation.

The work of this Committee is greatly hampered by lack of office accommodation. The Committee has explored the situation but so far has been unable to find a solution.

The Lantern Slide Committee desires to express its appreciation of the work done by the Provincial secretaries of the Women's Missionary Society in distributing the sets.

The expenditure for the year was \$191.50, which was, as usual, shared by the three Boards—The Board of Missions, The Board of Sabbath Schools and Young People's Societies and the Women's Missionary Society (W.D.)

(Mrs. N. A.) ANNA L. MACEACHERN,
Secretary.

FOREIGN MISSION REPORTS

Canadian Presbyterian Mission in British Guiana

As we look back over the past year our hearts are full of thanksgiving to God for all the way that He has led us and blessed the efforts of all those who have helped to convey the Good News of Salvation through Christ Jesus to our people in British Guiana. There have been many changes in our Mission Staff, and so often the thought would come "the fields are white unto the harvest, but the labourers are few." It was with sincere regret that we bade farewell to Rev. DeC. Rayner and family in May, and then in June bade Miss Mary Sherrick God speed as she returned to Canada, prior to returning to her field in India. From May until September when there were no Field Missionaries, Dr. J. B. Cropper was given supervision of the Field work. Miss E. Thomson assisted in the Demerara and Essequibo Fields and Miss T. Martin carried on the work throughout Berbice. In September we were happy to welcome into our midst our new Missionaries—Rev. J. and Mrs. Dickson, and two children, and Rev. J. and Mrs. Elder, and five children. Mr. Dickson was appointed Chairman of Council and Principal of Berbice High School, taking up residence in New Amsterdam. Mr. Elder was given charge of Essequibo and Demerara, with residence in Georgetown, which still meant a very large territory for one person to supervise. In November, Rev. E. Bragg joined our Mission staff and took charge of the Essequibo field with residence at Suddie. In December Miss Esther Thomson became the bride of the Rev. Geo. Milne, M.A. of the Scots Presbyterian Church, and the treasurer's duties of which she had been in charge were taken over by Mr. Elder.

NATIVE CHURCH

As there are no ordained leaders in the Native Church the responsibility for its leadership and direction rests very heavily upon the Field Missionaries. After the return of Mr. Rayner to Canada a good deal of the responsibility of the supervision of the Church was taken over by the lady Missionaries—Miss T. Martin and Miss E. Thomson—until the arrival of the new Missionaries in September.

The work of the Church has gone on without incident throughout the year, and we are grateful for the progress which has been made. Three different Congregations are making preparations for the building of new Churches. This, they hope to carry out in 1942.

Except for the addition of one member, the Catechist Staff has remained the same throughout the year.

SUNDAY SCHOOLS

Sunday School attendances and offerings have increased during the year, but in many of the Schools there is still a shortage of teachers. Our biggest problem in Sunday Schools is the lack of proper teachers who will give their time to this important work.

EVANGELISM

During the year many well attended open air meetings were held in different districts. Cottage meetings were also held and in this manner the "Message" was proclaimed to many that otherwise would not have heard. Catechist Allayarkhan and Mr. Norman Sukra visited Essequibo for two weeks and held a series of Evangelistic meetings, while in other Districts Catechists held joint meetings. With increased Staff, Council is confident that now more may be done along this line of endeavour.

BERBICE HIGH SCHOOL

In 1941 the Boys' and Girls' High Schools were amalgamated into one institution under one principal. The boys and girls meet together for their classes and religious devotions, but meet separately for assembly and extra-curricular activities.

The Principal—Miss Mary Sherrick—returned to Canada in June, and Miss Thelma Martin was made acting Principal until the arrival of Mr. Dickson in September. The other members of the Staff remained the same throughout the year, except for the fact that a temporary teacher was taken on for a special class from September until January.

The number on the roll at the beginning of the year was 147, and at the end of the year 176. Six boys and three girls were successful in the Cambridge School Certificate examinations, while ten boys and thirteen girls passed the Cambridge Junior examinations.

On September 10th the school was visited by Hon. D. G. Owen, O.B.E., Colonial Secretary, and Mr. Farmer, Private Secretary to Mr. Hall, Parliamentary Under-Secretary of State of the Colonies.

The students have continued their extra-curricular activities as usual, engaging in inter-school cricket, football and track, as well as continuing their meetings of Literary and Debating, Geographic and Scientific Societies.

CORENTYNE HIGH SCHOOL

Although the Corentyne High School is still very "young" and was a pioneer venture in rural secondary education in British Guiana when we took it over, the Deputy Principal and staff are to be complimented on the splendid results achieved and the fine average obtained in the Cambridge examinations in 1940. The year opened with an enrolment of eighty students, and closed with one hundred, which is most encouraging. With the hope that we can encourage more parents to leave their daughters in school long enough to obtain their Senior Cambridge, Mission Council has awarded scholarships to four East Indian girls attending the School. Miss Mary Sherrick—the Principal—left the Colony in June to return to India and Miss Thelma Martin was appointed Principal. It was with regret we accepted the resignation of Mr. W. Budhoo at the end of the year; the vacancy created by his resignation was filled by Mr. Dhanessar, formerly of our Massiah C.M. School. During the year about one hundred and twenty dollars was spent on new furniture which adds much to the comfort and appearance of the school. The Corentyne High School is filling a great need for secondary education in that District and we hope that more parents will take advantage of it.

PRIMARY SCHOOLS

The work of the Primary Schools presents a great opportunity for Missionary work in British Guiana. It is the most natural way to commence Church work and build up a Congregation in this Field. It allows a friendly approach to the homes which would not be as easy otherwise. Our Primary schools have been increasing in size and we are confronted with a considerable problem in providing sufficient space for the large numbers of pupils. The salaries are paid by the Government as well as the Grant for maintenance and equipment each year; however, these Grants are insufficient to cover the needs of the Schools especially when extensions are needed to accommodate the growing numbers. The people who receive the benefit of the School, viz.: the parents of the children, are giving considerable assistance in some localities towards this work.

The number of schools has remained the same as in the previous year with no outstanding changes.

Respectfully submitted,

THELMA G. MARTIN,
Secretary, Mission Council.

Jhansi

District Work. Mr. Mackay writes:—From January to March and from October to December are the six months of the year best suited for touring in the district; in fact these are the only months when it is in any way practicable to engage in much serious village work, since the very hot months of April, May and June and the very wet months of July, August and September make it practically impossible to stay in villages. Needless to say, these camping months are very busy ones.

The end of 1940 found us at Ranipur among our mass-movement people. Christmas week had been spent there with preaching, gospel selling, Christian witnessing, processions and prayer meetings, in which about a dozen of the senior girls from Jhansi, and one or two of the Bible School students took a leading part.

Camp life is very interesting and filled with many experiences, some of which fill our hearts with rejoicing and others which cause us to go to our knees to ask for wisdom and strength, and for victory against the Evil One. In the early part of the year we had five young men, and part of the time the pastor of the Jhansi congregation along with myself. The following is a summary of an average day's work: Rise at 6 a.m. (that is for the missionary—the Indian men are up much earlier to get their food cooked), Breakfast at 7 a.m., Prayers at 7.45 and then off to work by 8 a.m. With two parties we can visit about six or seven villages and have one or two meetings in each village returning to camp any time between 2 and 5 p.m. Then after a short rest and cooking the evening meal, it is time to go out again, this time to the village nearest to the camp. In these evening meetings, we prefer to start just before dark, and to finish the meeting with a magic-lantern lecture on the life of Christ. After returning from the evening meeting we have dinner, then gather together for Bible reading and prayer for about an hour and then to bed.

During the fall term we were able to accomplish much more in the district, because we had a larger number of helpers. Men were stationed two by two at five of the larger centres. Here they carried on more intensive work daily in the villages where they were stationed and also covered the nearby villages within walking distances. This was supervised by Miss Whatling, Dr. Thurrott and our Jhansi pastor, Rev. Moti Lall. During the year, our camp party alone sold 2,850 gospel portions as well as a few New Testaments and Bibles. Many more could be sold if the people in the villages were not ninety per cent. illiterate.

And what about results? Many instances could be given of people who have confessed Christ and who really seem to have a desire to belong to Him. We are especially hopeful of two men and their families coming out in a clear cut way and joining the Christian fold. Of the others I am fully convinced that several of them are true believers and, like Nicodemus, are secret followers of the Lord Jesus Christ. May the Holy Spirit perfect the work that He has begun in their hearts!

CO-OPERATION WITH THE WOMEN'S UNION MISSIONARY SOCIETY

During the year the ladies of the W.U.M.S. Mission, who have a zenana hospital and women's evangelistic work at Jhansi, have been co-operating with us in the district work. They camp beside us and do considerable medical as well as evangelistic work. They are able to enter the homes and teach the women the gospel, which is impossible for men to do. This system in district work is, I believe, the ideal system, as all classes and kinds of people are reached in the ministry of healing of body and soul. This is a valuable asset in our mission work.

During the month before Christmas we were glad to have Mr. and Mrs. Muchan in camp with us. Mr. Joshua, their language tutor, is one of our old mission boys and he was glad to join us in his spare time with preaching. Mr. and Mrs. Muchan, too, took a keen interest in all that went on and, almost daily, in their free hours in the evening, joined some group in the village work.

Bible School. During the year the Bible School has grown until now we have twelve students. Five of the students are our own mission boys who were educated

In our own mission school and who, after conversion, have felt a call to the ministry. Two others were apprentices in our Industrial school for two years or more and they, too, have had a definite experience of conversion. Three others were formerly employed in village work by the A. P. Mission in the new field which we have taken over. Two of them had previously received two or three years Bible training and one was a teacher, but as they all seemed to be in need of more training, we asked them to join the Bible School. One promising student is the son of one of the teachers in the A. P. Mission High School of Jhansi. He has had two years at college so that his academic standing is higher than that of the other members of the class. He has made splendid progress both in his studies and in his spiritual life. The last is a Mohammedan convert of a little over a year ago. He too, has been making excellent progress.

The teaching and supervision of the school has not been an easy task. Dr. Thurrott, Rev. Moti Lall and I have had more than our hands full. Before the school opened and after it closed, we had a series of special Bible studies which were most inspiring not only to our students but to our Christian community.

The numbers at the annual Jhansi Convention were not as large this year, only about six hundred attended. Many would like to have attended but could not afford to come. There was not the same emotionalism as in previous years but a very quiet, deep work of the Spirit. Many remarked that it was the best Convention we have had.

General Report. Part of my time during the year has been taken up in supervising the Mission Farm at Isagarh. The farm is still for sale and conditions there are about the same as last year. Besides the high cost of living owing to the war, there is also a famine condition and to our farm people we have to give relief. The water shortage in the Jhansi Compound is acute. Most of the water required is taken from a neighbour's well which is still holding out.

Mr. and Mrs. Cheshire, before going on furlough, and Mr. and Mrs. Muchan together with some laymen and volunteers from the girls' school have carried on the evangelistic work in Jhansi city and bazaars.

We are thankful for your prayers during the past year and trust that 1942 will find us more yielding to His Will and Spirit.

Mr. Muchan writes:—In these troublesome days one wonders if our people will get time to read a report from the Jhansi Mission Field when there are so many other news items to be read. However, the reports of world events are only for time, whereas, the great work of proclaiming the Gospel, in which we all have our part, is for eternity.

We opened our report to you last year with the message "The Refuge from the storm" Isaiah 25:4. How much truer are these words to us this year. The storm has not abated, but rather its intensity has increased and spread over the whole civilized world. Will India be the next victim of this war?—Come what may, our Lord Jesus Christ is still a shelter in the time of storm.

As yet, much of our time has been spent studying Hindi. Our memories of Landour as a Language centre are enjoyable. Yesterday we received our examination results for first year Hindi. Mrs. Muchan quite easily attained first division and I was placed in second division. It is a statistical fact that the ladies lead the men in language school examinations, but over the years the Sahibs are better speakers and acquire a larger vocabulary than the Mem Sahiba owing to the fact that the men folk use the language more. I am trusting that there may be no exception to the rule in our case!

Mrs. Muchan and I have spent a most enjoyable month in Camp with Mr. Mackay and his party of workers. We felt a definite desire to obtain some experience in camp as we continue language study this year. If Mr. and Mrs. Mackay go home on furlough early next year we will be left in charge of the work here, and so with that in mind we took our pundit to the district with us. Our language study was in no way hindered. We set aside our mornings for study and the after-

noons and evenings were usually spent in the surrounding villages. This experience will stand us in good stead next year when we will have a definite work assigned to us. In many villages Mr. Mackay and myself were taken for recruiting officers.

We were in villages where the name of Jesus had never been made known, and in some villages the people, especially the women and children had never seen a white face. One child in particular cried lustily when her eyes for the first time fell upon a lady missionary. One wonders how long it will take these people to accept Christ and the message of His Kingdom. In many of the villages with populations ranging from three to fifteen hundred people there will be no Good News preached for another year. The villages are many, and our workers so few. Then, too, illiteracy, together with inbred Hindu and Mohammedan paganism and caste traditions, keep India's millions under the power of Satan. But we go forward on our knees—knowing our God is able.

The bazaar preaching in Jhansi city still goes on. At times we meet with opposition, but usually the audience is passive. From time to time we do have earnest enquirers who ask for further information about the Way of Life. We do pray that as we seek by His Grace, to preach, sing and distribute His Word to the people of India, that God's Word will not return unto Him void.

Concerning the Evangelistic Report Dr. Thurrott writes:—Having come to the end of the year 1941 we would praise the Lord for all the opportunities which have been ours for telling out this wonderful message. In this land of many gods it is a blessed privilege to be able to tell of the *one* living, unchanging true God, a just God, and a Saviour ready to receive and to save all who will come to Him.

My work this year has been divided into two distinct parts. The months of January, February and March, and also November and December have been spent in the district, while from April until October, I spent teaching in the Bible School in Jhansi.

Early in January a native worker, Samuel Kashi and his little family, and I moved to Garotha (part of our new territory taken over from the American Presbyterians) where we rented a little three-roomed house. Garotha itself is a village of 2,500, being the largest village in that section, and the site for the weekly market to which men and women from all the surrounding villages come. In February we were joined by Samuel's brother, John, who was a valuable helper, as he and Samuel could go by cycles to the villages too far away and over too rough a road for me to reach. One of our most enjoyable days was Tuesday, market-day, when we would take the little native organ, and give out the message to all who would listen.

As the hot season advanced very rapidly this year, we were all thankful for relief from the glare and the heat of the sun, when on the first of April we moved back again to Jhansi to begin the lectures in the Bible School. We had twelve young men in the Bible Class this year. My special work was the teaching of the Pentateuch and Bible geography.

Our annual mela (convention) was held October 17-22. The subject, "Peace through the Blood of His Cross", was one which we felt was wisely chosen, and the speakers sought to exalt the crucified and risen Saviour. We feel sure that many were led into a new relationship with the Saviour at this time, and many were strengthened in the Lord, determining to go all the way with Him.

Among those who attended the convention were some from Ranipur. Three or four of these really seemed to have a new desire to know more of this wonderful Saviour, so it was decided that I, with two other workers, Samuel Kashi and Nelson Prasad, should spend the cold season in Ranipur seeking especially to lead those who are called Christians into a personal experience of His saving grace, rooting and grounding them in the Lord and in His Word.

I am sure that some of you are wondering about the work in Babina. We were so sorry to have to leave the work in Babina, but the increase in our territory and the scarcity of missionaries and workers seemed to make this change necessary.

My christian cook and his wife were left in Babina as witnesses for the Lord. Either I, or one of the evangelistic workers, went out each week and helped with the Sunday School, and held a little service of fellowship with this family.

In November Masih Das and Newton Paul, two of the Bible School students, went to Babina. They have faithfully carried on the work there and in the surrounding district.

Dr. Thurrott's Medical Report:—After Miss Simpson left on furlough in March the dispensary was left with Nurse Miriam Lal in charge. She is a very earnest as well as a capable nurse.

Her daily programme is somewhat as follows—dispensary open from 7-8 for the school children, and for any who like to come early; from 9-10 she holds morning prayers with the women on the compound; then from 10-11 she is found in the dispensary. As the patients usually come in groups she tries to have a little talk with each one, telling them of the Great Physician, praying for them and seeking guidance as to what treatment she should give. When a patient on being cured begins to thank her, she reminds him or her that from the first she has asked the Lord Jesus to bless the medicine, and she says it is because of His blessing that the patient has been cured.

Besides the dispensary we have a sick-room in the Girls' Hostel. Girls who are taken ill are usually confined to this sick-room. Here Nurse Lal does the major part of the treatments, and also teaches the school girls simple rules of home nursing. If the girls do not respond to Miss Lal's ministrations they are sent to the Zenana hospital under the W.U.M.S.

No cases of special merit are reported this year. We have, however, to praise and thank our Heavenly Father for His goodness to us because throughout the entire year we have not had one epidemic in our midst. Although through the months from June to August cholera raged all around us, and many villages were wiped out, yet not one in our Christian community took this dread disease. The government doctor in charge of this district gave us all the anti-cholera vaccine that we needed, and we inoculated not only our own school, and those living in the Mission compound, but all the Christians living near us. We rejoice to say that not one case occurred among any of these inoculated. Even the two Hindu villages near Isagarh escaped without one casualty.

Miss Whattling writes:—The beginning of 1941 found me prepared for the work after a very pleasant furlough at home. I arrived in India just in time for the Christmas season. I certainly thanked God for enabling me to return to my beloved India, and to again have the opportunity to work for the extension of His Kingdom.

What a joy it was to be able to go among my village friends again, and I know they were glad to have me in their midst once more.

Sophia Bai joined me again in Baragaon and opened up the dispensary. When Miss Simpson left I was able to have Esther Bai as my Bible woman. We went daily to visit homes in nearby villages and received a welcome from many. A few have shown a genuine interest in the message of Christ, and we feel that God will water the seed that has been sown here.

Early in the month of July cholera broke out in the village of Baragaon. A great many deaths resulted, but God kept our little group in splendid health although the cholera came almost to our doors.

After the rainy season, which was very hot and anything but a rainy season this year, we found that we could go further afield than usual. So Esther Bai and myself visited village after village, but we began to see how necessary it was to have some help from the men's side. We rejoiced when the Bible class studies were over as two of the young men were appointed to work out here. They have done excellent work, and have reported that two of the villages in particular have given us hope of soon accepting the message of Christ.

When Miss Simpson left on furlough in March the care of the babies was given

to me. This certainly has been a labour of love. Grace Bai, the matron, has been suffering from diabetes for some time and had to go to the hospital. Thus the children were sent to Baragaon.

About the middle of September a baby girl of two weeks was given to us. I prayed earnestly before she came that if God did not want me to have her, to send her some other place, for I knew her presence would curtail some of the village work. However, along she came, and she has been such a joy to us.

These little ones are such a joy, but a great responsibility. We do trust that the Lord will make them His very own, and that in the future they will witness for the Master wherever they may go. We are now praying for someone who will be capable of handling our babies. We feel that the work is now too much for Grace Bai.

This year we can truly say with the Psalmist, "My soul thirsteth for Thee in a dry and thirsty land where no water is, to see Thy power and Thy glory so as I have seen Thee in the sanctuary." Psa. 63: 1, 2. Not only is the land dry and thirsty spiritually, but the rains also have been withheld. We pray that even this may be the means of drawing many to Him. Let us unite in prayer for the salvation of souls here in India, for He has said, "Where sin abounds, grace doth much more abound." His promises are true, therefore we go forward into the New Year with fresh hope and courage to win souls for the Master, Jesus Christ.

HELEN MACDONALD MEMORIAL SCHOOL

Miss Magee writes:—Nothing seems more important, as we begin another year's work and report, than Miss Stringer's return. During the past three years we have been chiefly concerned to "hold the fort"; but now that Miss Stringer is back we look forward to attacking some of the difficulties and problems—to move on, as our Lord may point out the way, in this task of serving the girlhood of India.

What some of these problems are, may be gathered from a survey of the year's work with its successes and its failures:

The problem of serving the below-average and average child, as well as the more-gifted-intellectually thirty per cent., was brought to my attention last week again. About a dozen of our own boys had been sent to the American Friends' Mission School. It is a new piece of work, in charge of an able and consecrated young couple, both highly trained educators. The school is not Government recognized, and, compared with ours, is below standard academically. When our boys' report came home, with good grades even in cases where a boy had failed miserably in our school, I was not too surprised. But when the boys came home for Christmas and I saw what a change had been wrought in two or three of them who had been problems here, I felt indeed reprovéd.

There are many hopeful features as we regard the actual situation, and the road ahead promises to be easier.

1. The new Basic School is being tried out by the Department. It is an attempt to meet the needs of popular education, and we have found its requirements in Arithmetic quite satisfactory. We are hoping to see this type of school in action.

2. Very gradually our own curriculum is being improved. So far the improvements have consisted in the addition of some handwork in some grades and a course in Domestic Science for girls. The difficulty is to get teachers qualified to teach the course.

3. Finally, while our curriculum accounts for so many of our difficulties we are not prevented from improving and adding to it, within certain limits.

The plan of having each class teacher responsible for the Bible hour is proving most satisfactory. In most cases the teachers are taking a very real interest in the spiritual growth of their pupils, and I have noticed a new emphasis on Christianity in practice.

Since July I have noticed a new readiness on the part of our teachers to

volunteer ideas and express opinions. It is an attitude to be nurtured. I feel more and more that we missionaries from foreign lands must be on our guard against "running" everything. If we are to leave room for initiative on the part of Christian nationals, then we must seek to be as much the opposite of indispensable as possible.

Again at the end of another year the plea we would send over the miles is the same old one, that you pray for us. We cannot do without your prayers. Please pray on.

Miss Stringer's Report:—This year I cannot give a report of any part of the work, but I can express my joy that I am here. The trip out was long, but we suffered no real discomfort. I left my home on October fifth, and arrived in Jhansi on December fifth. All the way we were very conscious of God's presence with us, and we were sure that He would bring us safely to our destination, even though each day it became more and more certain that the storm might break at any moment. A few days after our arrival it did break, and I thanked Him again for His protection.

On my arrival in Jhansi all the missionaries, the teachers, and others of the Indian workers, met me at the station. All seemed very glad to see me, but I do not think that they could possibly be any happier to see me than I was to see them.

The next afternoon I went to Ranipur with Mrs. MacKay. Ranipur is part of the territory taken over from the American Presbyterians. In such a short time it was impossible to see much of the work. I was there from Saturday night until Monday noon so I did not have an opportunity to meet many of the people. I did visit the school and can see great possibilities there. The teacher is an old worker and has had training for a village teacher. The school will need supervision. The problem will be to keep it a village school. The parents are weavers and we hope to keep the children in their own community. We are told that a little child shall lead them, and it may be that these children may lead their parents to be Christians not only in name but in word and deed.

Half-yearly examinations were going on in the Girls' School, so there was little that I could do there. I did help in the Christmas preparations, and went out to the school programme at the farm. For some months no one has been free to visit the school there; but Mr. Hanuk Lall, the teacher, has done very good work.

Miss Magee has given the school report so there is no need to add to it. I will say that I was very pleased to see the progress that had been made. Best of all is the change in so many of the girls. The revival has made a great change in the hostel. Besides their regular work the girls have been doing war work. They have not gone out preaching as much lately as there has been no one to go with them.

Now that there are two of us we hope to accomplish many things that have had to be left undone. More and more we want the school to be an evangelizing centre of the community. The educational system of India does not help the duller scholar. We hope to plan some changes that will meet this need.

I have not been doing accounts so I do not know as much as I should about prices, but I do know that they have increased greatly. This is in part due to the fact that the rains failed. In many sections there are almost famine conditions. Some of our people, especially the farmers, will need help. Already some are really in need. We are grateful that you at home realize the extra need, and have offered to meet it.

During the holidays I visited Babina with Dr. Thurrott. The villagers there are now more friendly than they were, and more ready to listen. Pray that we may remember that we are labourers together with God, and that He has promised that we SHALL reap if we faint not.

I wish to take this opportunity to thank you all for your kindness to me while I was on leave. I enjoyed meeting you all and feel better equipped for my work because of it. Continue with us in prayer for the work.

REPORT OF WORK OF THE WOMAN'S MISSIONARY SOCIETY (E.D.)

To the Venerable the General Assembly:

The Woman's Missionary Society (E.D.) respectfully submits the following report of its work for 1941.

As we look back over the year 1941 with the thought in mind of preparing a report we cannot expect to have many increases or successes to record. We still retain our 8 Presbyterials, a gain in Auxiliary members, but we have lost members in our Young People's Society and Girls' Organization. Renewed interest seems evident in Mission Band work; new Bands have been organized.

OUR FOREIGN MISSION WORK

In *British Guiana* we support one missionary, Miss Martin, and two native deaconesses. A grant of \$200.00 was also forwarded to help complete the Perpetua Kawall Memorial School, and \$250.00 was given Rev. James Dickson to begin the establishing of a Christian Library.

In *Japan* our usual grant was allocated, to be used in the work of that mission, but only about two-thirds was used, as this work was discontinued at the end of the calendar year.

Santo Training School in the New Hebrides received its Annual Grant, as also did the International Union of the Reformed Church.

Five hundred dollars was forwarded to the Church Treasurer for Orphaned Missions.

We are still looking forward to opening up work in India and hope when travel conditions improve that we will have a worker ready to go.

HOME MISSIONS

The reports from the Home Mission Secretaries of all Presbyterials were encouraging and the outlook of our Home Mission work is promising. We continue to engage seven Deaconesses, whose reports show the interest taken in the amount of work accomplished.

Miss Estella MacKenzie, Deaconess at River Hebert, is a faithful and conscientious worker. She has held services on Sunday, has had Sunday School, Mission Band, Girls' meetings, Prayer Meetings, W.M.S. Meetings, Ladies' Aid, and, of course, the endless round of visiting.

Miss Anna MacVicar still remains at her work in Chalmers Jack Mission, Cape Breton. She teaches the regular school curriculum and gives careful attention to Bible Study in the school. Miss MacVicar has had a heavy responsibility in the Sunday Schools and Church services. Then there are all the other congregational organizations.

The greater part of Miss Sylvester's time has been given this year in devoted service to the congregation of Knox Church, Halifax. While they were without a minister with the exception of the Sunday services she attended to all other congregational work. Miss Sylvester's work is highly spoken of by this congregation.

Miss Isobel McDonald spent the year doing valuable work in the Presbyterials of Truro-Wallace, Saint John and Prince Edward Island. She says her work has been largely helping in charges without supply, visiting, especially the sick and shut-in, organizing and re-organizing Sunday Schools and Societies, teaching in the Bible School.

Miss Ruby Johnson has been in the same fields as last year, Noel Road in Nova Scotia, and Sunny Corner in New Brunswick. The latter field is giving the Deaconess more and more responsibility on account of scarcity of pastoral supply; a big work is being done in the Summer Bible Schools.

Miss Mary McKenzie has finished eight years' work in the district surrounding Glace Bay and again this year reports from this district tell us that Miss McKenzie has given particularly good service.

Miss Fraser, our Port Worker, has continued her priceless contribution to the work for the good of the souls and bodies of all those she can reach in the Port Work in Halifax. The thanks of the W.M.S. are due to all those Auxiliaries that have continued to provide Miss Fraser with the supplies which have been so necessary in the carrying on of her work.

Miss Ethel McDonald, temporarily home from Foreign Work, has visited Presbyterian meetings, Auxiliaries, and Churches, speaking of the Korean work in Japan, as it was, and emphasizing the importance of our continued interest in these people. Miss McDonald's last visit was to Newfoundland and she investigated conditions in this new Presbytery.

Bursaries amounting to \$300.00 have been given to six college students preparing for the ministry of our Church.

Port Chaplain, Rev. F. G. Purnell received the sum of \$75.00 toward his salary for three winter months at the Port of Saint John.

\$1,000.00 was granted to the General Board of Missions for work in the Maritime Provinces, on the advice of the Home Mission Committee of our Synod.

NATIONAL MISSION WORK

CHINESE IN CANADA

With the close of 1941 the Chinese and Canadians were drawn much more closely together. Ours is now a common cause and we are proud to be associated with these gallant people who have so bravely withstood the enemy for nearly five years. The year has brought changes in our staff. Miss Scott, for fifteen years in charge of our Mission in Victoria, was obliged to resign on account of her mother's health. She was succeeded by Miss Heighton, formerly of Formosa. Miss Yeung, who came to Vancouver from China in 1940, is learning English rapidly and is a great asset to our Mission there. Our work in Montreal, now in our own building, is making splendid progress under the Rev. Paul Chan. In Toronto our work in all departments is most encouraging, but the whole Chinese community suffered a severe blow by the death in December of our minister, the Rev. Mr. Ma. He was the friend and counsellor of all the Chinese people in Toronto and was known all over Canada for his quiet, unassuming dignity, his wisdom, his unfailing kindness and his fine Christian character. Our Institute is not the same place since he left us. In Saskatchewan Christian literature has been sent out regularly, as heretofore. In Ottawa Miss Reid carries on her splendid voluntary work. All over the Dominion we have these devoted voluntary workers, and we wish to pay tribute to them and their work.

DEACONESS DEPARTMENT

The many letters of appreciation which have been received from the Presbyteries testify to the conscientious and faithful work being done by our deaconesses in their various fields.

The resignation of Miss Elizabeth J. Walker from the work of our Society and the appointment of Miss Frieda Matthews as Field Secretary created two vacancies which meant changes throughout the Western Provinces. These changes are regretted but they were made in what was felt to be the best interests of the work at large. Owing to Miss Mary Todd's former experience on a frontier Alberta field, she was transferred from the City of Regina, where she had been working since May 1st, 1941, to Rocky Mountain House district. The City of Edmonton will be served from April 1st by Miss Mabel Booth, formerly of Saskatoon and Prince Albert. Miss Chrissie Diffin has given splendid service in the Presbytery of Saskatoon both in rural and city work. Miss Athalie Read, a student deaconess has been given a summer appointment in the City of Prince Albert. Two overseas missionaries, Miss Alma Burdick and Miss Margaret Ramsay, were appointed to work in Winnipeg and Regina, respectively. For the first time Victoria, B.C., is having the privilege of the services of a deaconess in the person of Miss Isabel Scott, who is giving assistance to each of the congregations of that city. Miss Ruby Walker and Miss Hazel Macdonald are continuing their work in the Presbyteries of Moose Jaw and Winnipeg,

although Miss Macdonald is now acting as deaconess-at-large for Brandon and Winnipeg Presbyteries, instead of working only in the City of Winnipeg.

In the deaconess work in the Provinces of Ontario and Quebec there have been several changes during the past year. There are now ten deaconesses, as compared with seven in 1940. Five are doing new work. Miss Isabel Taylor, a missionary recently returned from Formosa, has been appointed to work in the Hungarian and Ukrainian Churches in Toronto. She teaches music to children of both congregations and assists in the congregational music. Miss Taylor also has charge of a Nursery School in the Hungarian Church. Miss Grace Irvine has been appointed to work in the City of Brantford as deaconess-at-large, devoting half of her time to work in the City of Brantford and half to work in the City of Montreal, Central Church. Miss Helen Ross has been transferred from Regina to Montreal, where she is doing Church extension work. Miss Shirley Scott, who was serving in Toronto, has been transferred to work in Belleville, where she is working part time in St. Andrew's Church and part time among the soldiers' wives in both Belleville and Trenton. Mrs. Gillespie was appointed full-time hospital visitor for Toronto. These are the changes. The other five deaconesses are serving in the same fields as formerly—Miss Macarthur in Val d'Or, Quebec; Mrs. Steinmetz in the Hungarian Church, Toronto; Mrs. Fesenko in the Ukrainian Church, Toronto; Miss M. Allan in Hamilton; and Miss Munro in Montreal.

INDIAN SCHOOLS

At the Cecilia Jeffrey Residential School, Kenora, the courses of instruction have been improved and an effort made to begin a new system which would better fit the children for the life they will lead when they leave the school. Mr. and Mrs. Pitts have been busy renovating the building.

At Birtle, the Rev. E. H. Lockhart has resigned. He was asked to take two months' leave of absence and re-consider his decision, but at the end of the time he decided that he did not wish to continue. Mrs. Lockhart is remaining until the end of the term. Mr. Candy, who had been teacher in charge of the senior classes, was asked to be Acting Principal.

No report has been received from Mistawasis.

HOSPITALS

All three hospitals have given an increased service in 1941.

Weirdale Nursing Home in Saskatchewan, with a seven-bed capacity, renders a useful service in the community. Ninety-two patients received treatment and there were twenty-nine births. Miss Lyons, the Superintendent, assisted the doctor when he was giving diphtheria toxoid in several schools. Considering the disadvantages to farmers with wheat quotas and restrictions in crop acreage the payments have been exceedingly good.

Canora, Sask.—Miss Mildred Weir of Agincourt, Ontario, formerly of Formosa, is the Superintendent. She succeeded Miss Cuddy, who had occupied the position for fourteen years and resigned to be married. Owing to the increase in patients, for another ward had to be furnished, making the bed capacity 60. Admissions for 1941 were 1,854—an increase of 284 over 1940, while the increase in 1940 was 300. There were 219 babies born, and in the department of surgery 863 patients were treated. In the X-ray department 1,135 plates were taken, of which 264 were for the T.B. clinics held by the Saskatchewan Anti-tuberculosis League on the first Monday and Tuesday of each month. Four municipalities are now under contract for hospitalization of all patients. Patients' fees amounted to \$33,562.80 and of this \$30,216.82 was received. The staff numbers thirty-three. Of these the Society paid the salary of the Superintendent and two nurses. Seven doctors bring patients to the hospital.

Rocky Mountain House, Alberta.—Miss Hildur Hermanson, formerly of Formosa, is the Superintendent, succeeding Miss Irene McRae, who resigned to be married. During 1941 there were 603 patients cared for; there were 80 obstetrical cases and 123

operations, all of which is an increase over the previous year. The staff consists of the Superintendent and three nurses and general help. Many improvements have been made to the inside and outside of the hospital. The Hospital Aid has given splendid financial assistance.

PRESBYTERIAN RESIDENCES

Mrs. C. P. Young of Vancouver, formerly of Mendha, India, became the Superintendent of the Saskatoon Residence, succeeding Miss Louise Reith, who had been appointed Literature Secretary for the Society. The annual summer school for the young people of the Synod of Saskatchewan was held at the residence in July. At the end of the term thirty girls were in residence, twenty-two of whom were students.

In September Miss Dorothy Douglas of Lucknow, formerly of Formosa, became Superintendent of the Residence at Huntingdon, Quebec, succeeding Mrs. A. C. Gouldthorpe, who had very acceptably served the Society for thirteen years. At present there are nine girls and six boys—one of whom is a Presbyterian. It would seem that the residence was no longer necessary for Presbyterian pupils.

SUPPLY DEPARTMENT

This department has had another active year and, though many other calls have come to the members of our Society, they have not neglected sending all supplies asked for.

1. Our Hospitals at Canora, Sask., and Rocky Mountain House, Alberta, and the Weirdale Nursing Home were provided with the supplies required for hospital use.

2. Residences at Saskatoon, Sask., and Huntingdon, Quebec, received necessary bedding and linens.

3. Children attending the Cecilia Jeffrey Indian School, Kenora, Ont., and the Birtle Indian School, Birtle, Man., were outfitted as usual and any necessary clothing sent to Mistawasis Day School at Leask, Sask.

4. A supply of clothing, bedding, and Christmas gifts, as required by our deaconesses for their work, was provided by all the Provincials.

5. The need for clothing for distribution on Mission Fields was much less this year. All requests were filled.

Bales were sent to twenty different points, including all our Indian Reserves and work among new Canadians. Ontario, 3; Quebec, 2; Manitoba, 8; Saskatchewan, 5; Alberta, 2.

Estimated value of supplies, \$19,859.24.

These figures tell of sustained interest and sacrifice.

WELCOME AND WELFARE

The Provincial Secretaries report that approximately 600 Auxiliary Welcome and Welfare Secretaries have during the year made 20,718 visits, written 2,506 letters, reported 586 removals, and assisted 455 persons to find their place in the church activities. In addition, a vast amount of work has been undertaken by our Church women in co-operation with the women of other denominations and organizations in relieving the loneliness of young women and of young wives who are living in crowded military training centres.

The task of reporting diligently and promptly the removal of the young women of our Church and of welcoming them and providing wholesome recreation for them is so tremendous that it requires the services of an alert Welcome and Welfare Secretary or Committee in every Auxiliary and especially in the Young Women's groups to assist in keeping our Church intact during the war years.

OVERSEAS MISSION WORK

CHINA

Miss Helena Gibbs and Mrs. Langdon Gehman were recalled from Manchuria and, after recuperating for some little time, began preparing for their return to China. Miss Gibbs sailed from San Francisco in October for Free China, being loaned to the Church of Christ in China. She travelled by plane from Hong Kong to Kunming in Yunnan Province and is now working on the language at the Mission headquarters, living with Pastor Chiu and his wife and Miss Hsu. The South Yunnan Church and Mission Co-operative Project are referred to as the K.K.K. Co-operative Project. It includes within its scope a comprehensive church and mission programme of evangelistic, educational, medical and social betterment activities in six cities and the surrounding territory, with the project pivoting on Kunming, the capital of Yunnan.

INDIA

In Jhansi changes have been necessary in order to overtake the work in the territory acquired from the American Presbyterian Church. Dr. Thurrott's field in Babina is now in charge of an Indian worker and his wife. Using a village near Babina as a centre, Dr. Thurrott travels to the many points where opportunities present themselves and is eagerly welcomed by the people. In Baragaon Miss Whatling and Sophy Bai, a nurse, are meeting the needs of another district. Because of ill-health Grace Bai has been obliged to retire and it will be difficult to find one who can in any way take her place in the Orphanage. In addition to her work in the Dispensary, Nurse Miriam is conducting a class in Home Nursing. The attendance at the Helen Macdonald School remains about the same, 150. Two splendid teachers have been added to the staff, which will mean that more and better work can be done.

In Jobat the Hospital has had a busy year. In-patients, 700; Out-door Department, 3,209; attended in village clinics, 2,109; 68 major and 56 minor operations. The class of nurses in training is larger and of these two are qualified to take the first-year, and one the second-year, examinations set by the Mid-India Board of Examiners. The school at Amkhut has 150 pupils. Of four of a sixth-year class who graduated last year, two girls have been sent to the High School at Khandwa, one boy to the High School at Alirajpur, and another to the Industrial School at Rasulpura for further study. Three new classrooms have been added, which means much better accommodation. In the primary schools in the villages there has been little change. Jobat Home at the beginning of the year and later three more were brought to us. Recently two babies were born in the Home, where our pastor's wife, a trained nurse, attended them. Miss Kennedy has finished her language study and with a Biblewoman has begun evangelistic work in some of the villages around Jobat. Miss Lily Simpson returned on furlough in April, 1941, and in October Miss Irene Stringer, Miss Isabel McConnell, and Miss Mary Sherrick returned to their fields, accompanied by Miss Beatrice Scott, our most recently appointed missionary. For "travelling mercies" granted to these young women we offer thanks and gratitude to God.

MANCHURIA, FORMOSA, AND WORK AMONG KOREANS IN JAPAN

It has been impossible to have any communication whatever with our former fields in these lands. Everything that could be arranged for continuance of the various kinds of work was planned before our missionaries left. The last step we were able to take was to provide for the return of Korean Biblewomen to their homes when their work was completed. We are confident that those who, through the influence and teaching of our missionaries, accepted the religion of Jesus Christ and now form the Christian church will remain faithful, and with God's help continue the upbuilding of His Kingdom upon the firm foundation laid through the years.

STUDENT DEPARTMENT

In many educational centres the names and addresses of incoming students were secured and handed to local congregations who were asked to give the newcomers a

suitable welcome. A contribution to the missionary education budget of the Student Christian Movement helped to bring missions before the Canadian college students.

CANDIDATES

The names of thirty-five applicants came into the Candidates Department last year. Of these twenty were listed for the first time. Twelve came in by way of personal interviews. Six were returned missionaries. While no regular appointments were made to overseas work, Miss Helena Gibbs, a former missionary in Manchuria, was loaned to the Church of Christ in China for work in the Province of Yunnan, West China.

The following were appointed to National work—Miss Chrissie Diffin, deaconess, of Vancouver, British Columbia, appointed to work under the Presbytery of Saskatoon, Saskatchewan; Miss Ruth Heighton, B.A., of Vancouver, formerly in Formosa, appointed permanently to a position she was filling for six months in Chinese work in Victoria, British Columbia; Mrs. Langdon W. Gehman, nurse evangelist, of Galt, Ontario (R.R. No. 2), but recently returned from Manchuria, appointed to the nursing staff of the Hospital in Rocky Mountain House, Alberta; Miss Mildred Weir, nurse, of Agincourt, Ontario, a returned missionary from Formosa, appointed to the nursing staff of the Hugh Waddell Memorial Hospital, Canora, Saskatchewan; Mrs. C. P. Young of Vancouver, formerly of India, appointed Superintendent of the School Residence in Saskatoon, Saskatchewan; Mr. T. Davidson of Kenora, Ontario, appointed engineer for the Cecilia Jeffrey Indian School buildings, Kenora, Ontario; Miss Dorothy Douglas of Lucknow, Ontario, another Formosa missionary, appointed Superintendent of the School Residence in Huntingdon, Quebec; Miss Laura Reid of Toronto appointed Supervisor in the Cecilia Jeffrey Indian School, Kenora, Ontario; Miss Grace Irvine, deaconess, of Toronto, appointed to deaconess work in the City of Brantford; Miss Margaret Ramsay of Toronto, also a returned Formosa missionary, appointed to deaconess work in Regina, Saskatchewan; Miss Shirley Scott, lately of Toronto, appointed to newly opened work in Belleville, with part-time work in St. Andrew's Church, Belleville, and part-time service on behalf of the wives of soldiers in Belleville and Trenton; Miss Edith K. Mitchell of Sault Ste. Marie (the Shingwauk School) and of Kenora, Ontario, appointed, at Mr. Pitt's request, as Supervisor for girls in the Cecilia Jeffrey School, Kenora; Miss Athalie M. H. Read of Brockville, R.R. 2, a deaconess in training, appointed to summer service in Prince Albert, Saskatchewan.

The Candidates Committee, which has to do with the staffing of the work at home and abroad, depends largely on the Ewart Fund for any necessary financial assistance for candidates. Since 1925 this Fund, which was established to help overseas candidates with their missionary preparation, has, through its Trustees, spent nearly \$3,000.00 in helping some twelve or fourteen candidates with their preparation for service. The Candidates Committee has in mind a similar Fund for those preparing for National work.

The Secretary remembers with gratitude the help so readily given her last year by Dr. Bryden and by the Rev. Mr. Wasson and wishes to note here her appreciation of their kindness.

Mrs. A. R. McMurrich is now the Candidates Secretary. All applications for work or enquiries about it should be sent to her at 169 Balmoral Avenue, Toronto.

PUBLICATIONS

Although the withdrawal of missionaries from fields in the Far East and the growing difficulty of communication with other countries meant that news from overseas was both scanty and irregular, the *Glad Tidings* sought throughout the year to give the Society's members, and other readers, whatever information was available about the workers and work on overseas fields, and at home, with some information about other aspects of the world missionary enterprise. In several numbers the work in Formosa, Manchuria, and Japan was stressed. Subscriptions paid for 1941, 18,450.

During the year the Literature Department issued the following: *Tales from Overseas*, the Mission Band story book, with accompanying mimeographed suggestions for handwork, and two editions of the Mission Band *Leaders' Corner*; programme outlines and additional material for the Girls' Mission Study Kit, *Tales from Free China*; a free leaflet for the Life Membership Department. Total Literature Sales, \$3,499.11.

LANTERN SLIDES

During the past five years there has been an increase of thirty-three and a third per cent. in the use of the Lantern Slides. Although war conditions and the changed situation in respect to our Foreign Mission work have, doubtless, lessened the number of showings in some of the Provinces, this rate of increase has been maintained in 1941, the total number of showings for this year being 425. Two new 10-slide sets have been prepared and sent out, one on British Guiana and one on our Chinese work in Canada. A set on our Indian work in Canada is in course of preparation. The expenditure for the year was \$191.50, which was, as usual, shared by the three Boards—The Board of Missions, the Board of Sabbath Schools and Young People's Societies, and the Women's Missionary Society (W.D.).

LIBRARY

Never before has the Library work been so extensive and far-reaching as this year, though much of it cannot be tabulated. The Library Department has assumed a new importance with so many away from their homes. This gives an opportunity for service such as we have never had before. Many Auxiliaries and Presbyterials have realized this and those who have caught the vision of doing so much at so little expense have sent in splendid reports. Besides sending good reading to Hospitals, isolated Sunday Schools, individual families, and shut-ins, much has been sent to the Navy League, Red Triangle, soldiers' camps, navy bases, and airports. Every Library Secretary with initiative and enthusiasm finds plenty of work to do.

THE PRESBYTERIAN COLLEGE, MONTREAL

REPORT OF THE BOARD OF MANAGEMENT

To the Venerable the General Assembly:

The Board of Management of the Presbyterian College, Montreal, begs to report for the year 1941-2 as follows:—

The past year has been a difficult one for your Board in many respects. In the first place our financial condition continues to be a source of acute anxiety. Our income from all sources is insufficient to meet ordinary normal running expenses of the College, the former showing continual shrinkage while the latter, with increasing costs of services and supplies of all kinds, aggravates an already serious situation. The relief which this Board has, for some years, been asking of your Venerable body in the form of an increase in our annual grant to \$20,000.00 has not yet been forthcoming and the request is now renewed in the hope that it will at last be granted. Surely the training of young men for the ministry of our Church is one of its most vital functions and we hope that it will receive sympathetic and generous recognition. The increasing number of vacant pulpits in our Church testify to the urgent need and how is it to be supplied if your Colleges are allowed to languish?

The Financial Statement which accompanies this report, while still showing a deficit, is better than was anticipated; and on the face of it shows an improvement over that of last year. This improvement, however, is more apparent than real, as a very substantial portion of the past due students' accounts, which appeared in last year's statement, has been collected, together with some other non-recurring items, the benefit of which we shall not enjoy this year.

The House which, under the able administration of Reverend Dr. A. M. Hill, threatened early in the session to show a serious loss, owing to largely increased cost of services and supplies, actually shows a small profit which is accounted for by a more rigid system of collection of Student accounts and by an influx, late in the session, of a number of McGill Students from Strathcona Hall, which had been rented to McDonald College. These filled our vacant rooms for the balance of the term, but cannot be counted upon for next session.

Much in the way of maintenance and repairs requires to be done to the College buildings for which your Board has been unable to find the money; but the Common room of the College which had fallen into a deplorable state of shabbiness and disrepair has been suitably and comfortably decorated and refurnished without cost to the College by a group of its friends.

The hearty thanks of the Board are tendered to these gentlemen for their generous action.

There is a decrease in the number of our students, partly through enlistment in the armed forces. Two of our most promising students, Sergeant Pilots Niall Burnett and Ian MacKenzie, have, to our profound sorrow, made the supreme sacrifice.

Last Summer an appeal by letter was addressed to every minister in our constituency asking for their assistance in securing suitable students for the ministry, but so far without result. It seems to this Board that an earnest effort in this direction might well be expected of our ministers; and if exerted should produce some much needed recruits to the ministry of our Church.

The Financial Statement for the year 1941-2 accompanies this report.
The whole respectfully submitted,

DAVID MCGILL,
Honorary Secretary.

GEO. A. CAMPBELL,
Chairman.

REPORT OF THE SENATE OF THE PRESBYTERIAN COLLEGE, MONTREAL

To the Venerable the General Assembly:

The Senate of the Presbyterian College, Montreal, begs to submit the following report for the session 1941-1942.

Notwithstanding the difficulties involved in carrying on academic work while our nation is at war, the Senate is pleased to report a year of substantial achievement. The students have applied themselves diligently to their studies, and the examination results have been very satisfactory. All of the classes have been depleted however, because of the enlistment of students in the armed forces, and two of the students have already made the supreme sacrifice. These are Sergeant Pilot Niall H. Burnett and Sergeant Pilot Ian MacKenzie. The Senate mourns the loss of these devoted and promising young men and extends its deep sympathy to their families and loved ones.

The present situation in the matter of students for the ministry demands the serious consideration of the General Assembly and of the Church as a whole. Undoubtedly the present scarcity of ministers, and of students in preparation for the ministry, is due in large measure to the war. Nevertheless the scarcity exists; and it constitutes a very grave problem for the Church. The colleges are not graduating nearly enough men to meet the needs of the Church, and the prospects for the immediate future are anything but encouraging. It is imperative that all who love the Church, and particularly the ministers and elders, should have this matter constantly in mind, and take every opportunity of bringing the claims of the ministry before the boys and young men of their congregations who are of such a type, mentally and spiritually, as to give promise of usefulness in this high calling.

The student registration, exclusive of graduate students reading extra-murally for higher degrees, was as follows:—

In view of the suggestion of McGill University that all affiliated theological colleges might participate in the establishing of a University Faculty of Theology, and in accordance with the permission given by the last General Assembly, members of the Faculty, in consultation with the Faculties of the other theological colleges affiliated with McGill, have given much consideration during the year to the matter of the theological curriculum. At the time of preparing this report, the Senate has not had an opportunity of examining the proposed curriculum, and begs therefore to report progress in the meantime and to be permitted to explore more fully the whole plan under consideration.

All of which is respectfully submitted,

F. SCOTT MACKENZIE,
Principal.

W. HARVEY-JELLIE,
Secretary.

KNOX COLLEGE

REPORT OF THE BOARD OF MANAGEMENT

To the Venerable the General Assembly:

The Board of Management of Knox College begs leave to submit its ninety-eighth Annual Report.

The College Residence has been filled to capacity all through the current session and there is a correspondingly satisfactory increase in the revenue derived from rooms and board.

An analysis of the Balance Sheet will show that due to the increase in revenue noted above there is but a slight deficit on the year's working.

We would point out that by pursuing a sound policy of re-investment, the financial standing of the College Funds is very strong and that the total assets are increasing in value. But the same policy necessarily means that there is a decrease in the actual income received, at least as far as the General Endowment Funds of the College are concerned. This serves to emphasize what your Board has, for some years, been stressing—the urgent need of gifts by generous members and lovers of our Church to the General Endowment Funds of the College. A good number of problems could be solved if there was sufficient money available. Meanwhile we have to reiterate what has already been said in former reports, that the Church is easing its own burden by placing it upon the shoulders of an overworked staff.

Rev. David W. Hay, Professor-designate of the Chair of Systematic Theology is still in the British Army and there is no immediate sign of his arriving to take up his duties. We trust, however, that in God's providence his coming will not be too long delayed. During the last session the work of the Chair was very ably administered by Prof. F. W. Dillistone of Wycliffe College, Toronto. The continuity of lectures thus offered during the last three years by Prof. Dillistone has mitigated the loss suffered by the delay in the arrival of Mr. Hay. The thanks of the Assembly are due to the Council of Wycliffe College for making possible our securing the services of Prof. Dillistone. Your Board hopes to secure the further services of Prof. Dillistone until those of Mr. Hay become available.

The question of a change in the Constitution of the Senate and Board referred to the Board and Senate by the General Assembly of 1941 was referred to a joint committee of the two bodies. That Committee has asked for further time for consideration and the Board supports the request in order that a fuller examination into the whole question of the functions of the two bodies may be made.

The Centenary of the College falls to be celebrated in 1944 and the Board is appointing a committee to gather data and to suggest suitable ways of marking such a significant event.

All of which is respectfully submitted,

WALTER T. McCREE,
Secretary.

J. A. McLEOD,
Chairman.

REPORT OF THE SENATE OF KNOX COLLEGE

To the Venerable the General Assembly:

The Senate of Knox College begs to submit its ninety-eighth annual report, which has been submitted to the Board of Management.

The session was a satisfactory one, though the number of students was fewer than in preceding years, owing, no doubt, to the present world crisis. Thirty-two students were enrolled in the classes in Theology; eight in first year, thirteen in second year, and eleven in third year. Two students are on active service with the R.C.A.F., Henry Mathews, M.A., and J. C. Hood, B.A. Forty students in Arts and in preparation for Theology were registered in the College.

Convocation was held on April 14th, and was addressed by Principal R. C. Wallace, M.A., D.Sc., Ph.D., LL.D., F.G.S., F.R.S.C., of Queen's University, Kingston.

The Rev. D. St. Clair Campbell, B.A., received the degree of Bachelor of Divinity, and the following received the diploma of the College: S. B. Coles, B.A., C. D. Farris, B.A., Alex. McLean, D. C. McLelland, B.A., E. S. Mackay, B.A., E. J. Phinn, H. L. Wilson, B.A.

The Cash on Hand was verified by count during the course of our examination and we received confirmation of the bank accounts from your bankers.

We examined the Bond and Debenture securities and found them to be in accord with the books. These securities are held for safekeeping in the vaults of the Toronto General Trusts Corporation. The Investments are shown on the Balance Sheet at book value.

REPORT OF THE TRUSTEES OF THE CHURCH
EXTENSION AND CHURCH AND MANSE FUND

To the Venerable the General Assembly:

The Trustees of the Church Extension Fund submit the following report:

Receipts from congregations on account of repayment of loans are as follows:— Receipts on account of principal were \$5,398.02, a decrease of \$766.98 and on account of interest \$1,750.41, an increase of \$412.91. Bank charges amounted to \$638.58. The Bank Overdraft as at January 31st, 1942, was \$9,882.66, a reduction of \$7,021.59. Loans to the amount of \$5,000.00 to assist in the erection of churches were approved by the Board during the year.

The financial statement shows that loans to the congregations to the amount of \$222,891.17 are still outstanding. In nearly all cases these loans are long overdue, and there are in addition large arrears of interest. In many cases no payment has been made either on account of principal or interest since the loan was made.

The attention of Presbyteries within whose bounds a large proportion of these loans was made, was called to the situation, in the hope that steps would be taken to visit these congregations, with a view to securing some definite action, but so far nothing along that line has been reported.

The failure of so many congregations to repay even a part of their loan has seriously crippled the Fund, and made it difficult for your Board to carry out its original purpose. It is evident that many of the congregations which received help by way of a loan from this Fund in their time of need feel little or no obligation to make any effort toward repayment. In fact in some cases repeated efforts have been made to disavow any responsibility for re-payment. On the other hand a fine example was set by the congregation of the First Hungarian Church, Toronto, which, three years ago, obtained a loan from this Fund to assist them in the erection of their Church. Recently a special canvass was launched, and as a result this small Non-Anglo-Saxon Congregation has paid \$1,000.00 on the principal of their loan.

The Board is always ready to give sympathetic consideration to any case brought before them, where local conditions are difficult.

The Chairman, Dr. Inkster, during his stay in Saskatoon last Fall, visited some of the congregations in Saskatchewan, that are indebted to this Fund, and who have been passing through trying conditions, and was able to advise and encourage them in drafting plans for the reduction of their debt, and the improvement of their position.

On the recommendation of the Presbytery of Edmonton, the Church at Ranfurly has been sold to the United Church of Canada. The Church at Rockglen, Saskatchewan, where no services have been held by our Church for some time, and which was placed at the disposal of the local congregation of the Church of England, has now been sold to that denomination on the recommendation of the Presbytery of Moose Jaw. In each of these cases loans had been made from the Church Extension Fund.

A financial statement follows.

CHURCH AND MANSE FUND

The greater number of these loans were made before 1925, and were transferred under the orders of the Dominion Church Property Commission in 1927. Repayment of these older loans has been very slow and disappointing.

During the past year receipts on account of principal amounted to \$4,252.50, an increase of \$1,110.00 over those of the previous year. Interest payments were \$541.48 as against \$789.50 in 1940.

The property known as 519 Northcott Street, Victoria, which, some years ago, was transferred to the Trustees in payment of a loan from the Church and Manse Fund was sold during the year. The property known as Highlands Manse, Edmonton, the title of which was held by the Trustees as security for a loan, has also been sold, after consultation with the Presbytery of Edmonton.

The amount of principal outstanding at January 31st, 1942, was \$153,549.54.

**REPORT OF THE BOARD OF EVANGELISM
AND CHURCH LIFE AND WORK**

To the Venerable the General Assembly:

This Board has met many times during the past year, and has considered many subjects and problems within its very wide scope.

One of the first problems placed before us was contained in a letter in re conditions at certain roadhouses, or camps, on the highways. These had come under severest criticism, and the Board replied that, if the conditions were, as described, in these places, we would support any wise movement to bring about a remedy. It was suggested that Synod conveners might gather information about these camps, etc., and report the same to the Assembly's Board.

A communication came to the Board from the United Baptist Convention, the Maritime Provinces, through Dr. Frank Baird. Our Resolution, conveyed to a wide public through the Press, reveals the nature of the communication: "This Board . . . believing that Canada should at once begin to face the issues evolving from the present situation, as well as the problems we must face when peace comes, and believing in the need of a more Christian Order in Canada and over all the world, suggests that a Conference of the Christian communions be held, and that, to this end, we bring this vitally important matter to the attention of the Canadian Committee of World's Council of Churches." To the time of writing, your Board has not heard of any action having been taken.

The last Assembly, by resolution (Assembly Minutes, 1941, App., p. 110) called upon the Church to renew its study of the Word of God and requested, "that special days and periods of prayer, repentance and fasting . . . be observed." And further, "that this Board (of Evangelism) be empowered to take such steps as it may deem necessary to give effect to the recommendations throughout the Church . . ." In pursuance to this instruction early this year the Board, by a letter signed by the Moderator of the Assembly and Convener, recommended to our ministers a season of prayer corresponding to the season usually known as Lent. A series of sermon-subjects was also sent out with the hope that they would prove of value as a guide.

The Board would remind the Assembly of two subjects of almost perennial importance, namely, looseness in regard to the observance of the Lord's Day, the increasing consumption of alcoholic beverage and the dire consequences thereof. In certain cities, in spite of protests, Sunday entertainments grow apace. Last winter concerts were run for "patriotic" purposes. If this summer is like last, we shall be facing the question of Sunday sports. Again, Radio Commercial Advertising has not decreased on the Lord's Day; indeed, the Council of Churches in the City of Hamilton has protested vigorously against a station in that centre broadcasting Sunday professional hockey. This is a sponsored broadcast.

Once more we have to confess that the sale and abuse of alcoholic beverages are on the increase. There are restrictions in many commodities; but no restriction of any importance in this menace to body and soul of thousands. We trust that the Recommendation of last year (Minutes, 1941, p. 47) will be followed by all.

It is a matter of great pleasure to the Board and to the Church to learn that over all the land, the doors of Public Schools are open at certain periods weekly for in-

struction in the Bible by ministers of our own and other Churches. Indeed, our grateful thanks are due Trustees, School Boards, Inspectors, and parents, for their warm co-operation in this vital matter. In Hamilton, the Council of Churches have more schools than they can undertake efficiently to serve in the meantime. In Brantford, Chatham, and other centres, information of a gratifying character concerning Biblical instruction has come to the Board.

It must be a matter of deep concern to the people of Canada as a whole and to the Church to learn that crime is on the increase. Explain it how we may, it appears that, as one has said, "Even war in defence of Christian principles is demoralizing" on the home front. Big Brother and Big Sister organizations in our urban centres report increasing juvenile delinquency. Police Court Records give corroboration. The number of illegitimate children born during the past year is a cause for grief. In these matters, surely, our homes and churches are tested and challenged. More diligent effort seems necessary to solve these alarmingly serious problems.

This Board acknowledges receipt of communications relative to its work from the Presbyteries (or individual members of them) of Montreal, Hamilton, Saint John, N.B., Paris, and from St. Andrew's Kirk Session, Fredericton. It is gratified at the keen interest by churchmen in the social and economic problems of the hour.

The Board begs leave to recommend:

1. That all Synodical and Presbytery Committees on Evangelism and Church Life and Work be asked to send copies of their Resolutions and Findings to the Board in Toronto so that the latter may be fully acquainted with what is going on throughout the whole Church.
2. (a) That the Assembly recognize with pleasure that public school officials and parents are suggesting and welcoming increased Biblical instruction. (b) This Board feels that the present system of instruction is inadequate, and recommends to the Assembly that the question of the appointment of Chaplains, or ordained teachers, by Boards of Education, for the purpose of Biblical instruction be further considered by the Board.
3. The Board asks the Assembly to recommend that when the Government calls for Special Days of Prayer that information concerning the same be conveyed to the Churches and in sufficient time for proper arrangements to be made.
4. *Re* Establishment of a Christian Civilization after the War (see General Assembly's Minutes, 1941, App. p. 147, Minutes, p. 61).

This overture was referred to the Board for consideration and report. Your Board recommends:

- a. That the General Assembly warmly approves of the spirit of this overture and heartily endorses its objective as stated in the body of the overture, namely, "that, a just and equitable peace may be established, and that the civilization to be hereafter developed in the Dominion of Canada, shall in the fullest and truest sense be that for which we, as a nation and people fight and sacrifice today, namely, a Christian civilization founded on, and agreeable to the Word of God and truly expressive of those Christian principles enunciated by Christ Himself."
- c. The Board does not recommend the setting up of a Special Committee, as requested in Overture, No. 13 (see Assembly Minutes, 1941, App. p. 147), in this connection, but recommends that the General Assembly appoint ministers to this Board who are prepared to search the Scriptures, in a methodical and thorough manner, and elders who have experience in business.
- d. That the Board be instructed to take such action, individually, or in co-operation with similar Boards in other churches, as it may deem fit and proper, and in accordance with the objective outlined in the first recommendation of Overture No. 13,

and make such representation to the Government of Canada as it may see advisable from time to time.

5. Believing that the abuse of liquor and other alcoholic beverages is detrimental to the civil and military life of the nation, that it is a severe strain on our financial resources, that the wastage therefrom must retard the final victory, that while there are severe restrictions on many commodities and comparatively none on alcoholic beverages, this Board begs that the Assembly endorse the following suggestions and instruct the Board to take fitting action thereon:

- (1) That the quantities of alcoholic beverages be severely reduced by the drastic limitation of all materials used by distillers, brewers, and wine makers. (We note that Australia has recently limited liquor production to one-third of its former output.)
- (2) That there be severe limitation of the quantities of liquor released from bond by the Government, and which manufacturers and importers will be permitted to distribute through retail dealers.
- (3) That there be substantial reduction of the alcoholic content of all beverages.
- (4) That there be an imposition of increased taxation upon all intoxicating beverages made and sold in Canada.
- (5) That this Assembly again warns all men and women against the evils of intemperance.

REPORT OF THE "RECORD" COMMITTEE

To the Venerable the General Assembly:

Your Committee begs to submit the report for 1941.

A step forward was taken last year by the Assembly with respect to the *Record* when it passed the following resolution: "That the General Assembly adopt the first week in November of each year as *Record* Week and instruct the *Record* Committee to arrange for its observance throughout the Church."

The importance of this action is emphasized by the fact that Church Paper Week is a fixed order in several religious bodies in the United States, notably in the Presbyterian Church in United States in behalf of the *Christian Observer*.

Thus instructed, your Committee arranged for an appeal through the *Record* in which two pages carried the appeal, and to communicate with Clerks of Sessions, sending a small poster for the congregational Bulletin or Announcement Board, a circular letter, a small card and envelope, the former giving information in small compass and the latter for convenience in paying the subscription by placing it on the plate of the Church. In all 918 letters with this material enclosed were sent out. At the bottom of the letter was a detachable portion for report. We regret to say that not many of these were returned but there were enough to make a beginning and to emphasize a statement in last year's report:

"In individual congregations where serious effort has been undertaken most gratifying results have followed, and to this there has been no exception. On the other hand decline in the number of subscriptions has followed slackness in effort, casual and indifferent attention to the cause."

Throughout the year the *Record* we believe has served efficiently in the discharge of its function as the Church's publication from the standpoint of missionary information, news of the churches, and articles of an educational and devotional character.

The financial statement in comparison with last year is:

	1940	1941
Receipts.....	\$10,750.95	\$10,739.09
Expenditures.....	11,367.05	11,574.26

This shows the cost of the *Record* to the Church for last year to have been \$616.10 and this year to be \$835.17. When the amount chargeable to other committees is deducted it leaves the cost for 1940 at the sum of \$720.24.

The value of the *Record* in keeping The Presbyterian Church in Canada before the world is seen in the extent of its circulation abroad. By subscription and exchanges the *Record* is in circulation in New Zealand, Australia, India, Africa, British Guiana, Trinidad, the United States of America and in the British Isles. Since the War began the continent of Europe has presented a closed door.

The Committee recommends that the observance of the first week in November as *Record* Week, as fixed by the last Assembly, should be continued and that should this week be an unacceptable time for certain congregations, these should be enjoined faithfully to do their utmost in behalf of the *Record* at such time as is suitable to their congregational programme.

All of which is respectfully submitted.

W. M. ROCHESTER,
Secretary.

W. H. FULLER,
Convener.

REPORT OF THE COMMITTEE ON CORRESPONDENCE WITH OTHER CHURCHES

To the Venerable the General Assembly:

Your Committee begs to submit the report for 1941.

Fraternal relationships have been sustained with a goodly number of other Churches both of our own denomination and of others, by means of delegates, messages, and correspondence as occasion arose. With the Church of Scotland and the Presbyterian Church in Ireland we have a definite communication annually in the form of a report of our mission work, brief, but with such items as would prove of special interest.

The responses to our greetings for 1941 were reported at the last Assembly, the Assemblies having met prior to our own.

The Church of Scotland lost a very distinguished servant, Rev. Dr. J. Macdonald Webster, who died at the age of 73 on November 25th, 1941. Dr. Webster was Secretary of the Overseas, Continental, and Jewish Mission Committees. His relations with our Church were very cordial and his correspondence remains as a grateful memory of many years of association. Last year he was the distributor of our contributions to the Central Bureau for Relief of Evangelical Churches of Europe.

Another death of which our Church has heard with regret was that of Rev. Dr. Paul S. Leinbach, Editor of *The Messenger of the Evangelical and Reformed Church*. He was the guest of our Assembly in 1939 when he reported for the Alliance of the Reformed Churches, Western Section, and on that occasion he commended himself by his personality and address.

RELIEF, EVANGELICAL CHURCHES OF EUROPE

The amount raised for 1941 is as follows:

Contributions.....	\$ 17.85
W.M.S. (W.D.).....	250.00
Voted by the Assembly last year.....	350.00
	\$617.85

This amount was forwarded to the Treasurer of the Church of Scotland with specifications as to its disposition.

In addition to the above there was forwarded to the Treasurer of the Church of Scotland the sum of \$710.00 from the Women's Guild of St. Andrew's Church, Victoria, B.C., for the relief of the sufferers from the bombing raids at Clydebank, Scotland.

The Assembly last year mentioned a possible contribution from the Board of Missions of \$150.00. The Board however did not see its way clear to grant this amount.

Your Committee requested our representatives to the Alliance of the Reformed Churches, Western Section, at the meeting in February of this year, to raise the question of the appointment of substitutes for those unable to attend. They reported

that in conference with the Secretary of the Alliance, Rev. W. Barrow Pugh they learned that alternate representatives could be appointed by the General Assembly, their names to be forwarded to the Secretary of the Western Section at the time of appointment.

RECOMMENDATIONS

1. That the General Assembly appoint alternate delegates to the Alliance of the Reformed Churches, Western Section.
2. That a special offering be taken throughout the Church for the relief of the Churches in Great Britain.
3. That the contribution of our Church of \$350.00 be renewed this year for the help of the needy churches on the continent.
4. That our annual contribution of \$20.00 to the United Stewardship Council be renewed.
5. That in addition to our Assessment of \$300.00 for the World's Council of Churches in process of formation, the sum of \$150.00 be paid this year as our share of Secretarial Services.

All of which is respectfully submitted.

W. M. ROCHESTER,
Secretary.

W. BARCLAY,
Convener.

ASSEMBLY'S COMMITTEE ON SUSTENTATION

To the Venerable the General Assembly:

Your Committee would respectfully repeat their statement of last year—namely: "That there should be no attempt to change from our present Augmentation plan to Sustentation while this war lasts," and they would add this statement: no change should be made in our method of maintaining our Ministry until our present church debt is cleared off.

Meantime believing that the Sustentation plan is the better, and hoping that, someday, our church will adopt that plan, your committee would recommend as follows:—

1. That the Assembly reaffirm its approval of the principle of the Sustentation plan for the maintenance of the Ministry of The Presbyterian Church in Canada.
2. That the Assembly's Committee on Sustentation be reduced to eight (8) and they would respectfully suggest the following names: Dr. J. G. Inkster, Dr. Wm. Barclay, Dr. G. P. Duncan, Rev. P. Dunn, Dr. D. T. L. McKerroll, Mr. J. C. Brown, and Mr. H. P. Wanzer.
3. That this reduced Committee be instructed to report progress each year in order to keep the Assembly and the Church informed of any developments which may arise from time to time.
4. That the Presbyteries be instructed to have a Committee to study the principle and details of the Sustentation plan; and that this Committee shall report to the Assembly's Committee once each year.

G. P. DUNCAN,
Acting Secretary.

JOHN GIBSON INKSTER,
Convener.

(e) 50th—Knox Church, Preston, Ont., Rev. H. G. Cleghorn, minister; Nelson, B.C., Rev. Forbes Robertson, minister.

THE RESTUDY OF HISTORIC EVENTS

Your Committee has been impressed by great historic events, which were of concern primarily with the Mother Land, but aroused interest wherever Presbyterians had found new homes and affected their institutions.

It was on November 17, 1842, that 474 ministers of the Church of Scotland met as a Convocation in St. George's Church, Edinburgh, and after a sermon by Dr. Chalmers on Psalm 112:4, "Unto the upright there ariseth light in darkness," held discussion and finally agreed to "resign their livings (charges) if redress were not made of spiritual interference." On May 18th, of the following year, practically the whole number stood by their pledge, and formed the Free Church of Scotland. On July 10th, of the following year, 23 ministers of the Synod of The Presbyterian Church in Canada, left behind 68 of their brethren in St. Andrew's Church, Kingston, and went out to form the Free Church in sympathy with the movement in Scotland. All but 4 ministers in Nova Scotia and P.E.I. supported the Free Church, whereas in New Brunswick only 3 seceded, leaving 10 in the Synod.

Your Committee therefore draws the Assembly's attention to these events and to the fact that many of its congregations were affected. Happily, time has healed these spiritual wounds and, whereas nothing like a 'celebration' of the Disruption is contemplated, nevertheless, all can unite upon an 'observance', where charity 'esteems the other' party rather than a revival of any party-spirit. It is a time when all can commend the courage of conviction which led, on the one hand, to great sacrifice of churches and manses and the stern resolution on the other side which rallied the 'Auld Kirk' and set her 'house in order' for the new days ahead.

The whole Church, therefore, anticipates the approaching Centenaries of many of her congregations which laid their foundations back in that exciting era and have

raised the stately walls of their churches which stand today in revered memory. Their sister congregations, weakened at the time, still carry on, many of them being well into the second century of their work.

While your Committee desires to give a proper place to these events of one hundred years ago, it feels a greater interest in what was happening just three centuries past. The testimony of the Scottish Covenanters was at its height; in England the Westminster Assembly of Divines was about to open; and in Ireland their first presbytery had just been constituted.

It will be a most serious loss and disrespect if our Presbyterian Church in Canada finds herself so deeply engaged in her present trials to neglect the study of these great chapters in her history. Every Court of the Church has an opportunity and responsibility to lead the people, recalling the guidance and help of God in the past, and a triumph which will give 'morale' to our souls to struggle through our present conflicts.

All of which is respectfully submitted.

Hamilton, March 28, 1942.

AUSTIN L. BUDGE,
Convener.

REPORT OF SPECIAL COMMITTEE *re* ELECTION OF ELDERS BY SECRET BALLOT

To the Venerable the General Assembly:

Your Special Committee appointed to prepare a plan for the election of Elders by a secret ballot begs leave to recommend that Section 132 of the Book of Forms be amended as follows:—

First, that the words "duly signed" in Sub-section 1, line 6, and in Sub-section 3, line 2, be amended to read "duly attested".

Second, that the word "signed" in Sub-section 2, line 4, be deleted.

Third, that an additional Sub-section be enacted as follows:—"4. A voting paper shall be deemed duly attested when it is enclosed in a sealed envelope endorsed with the ordinary signature of the communicant voting, such envelope to be opened and destroyed in the presence of the Session met to scrutinize the vote—its contents having been removed, and placed in a separate container without examination, until all the voting papers have been so deposited when they shall be examined and counted."

All of which is respectfully submitted.

T. WARDLAW TAYLOR,
Convener.

REPORT OF THE PRESBYTERIAN MISSIONARY AND DEACONESS TRAINING SCHOOL 1941-42

During the year the residence has been filled to capacity. The average attendance has been 21.5. Seven students have been enrolled in the regular course for Missionary and Deaconess Training, and two others have taken special courses by way of further preparation for Missionary work. The remaining number include students in Arts and Science at the University of Toronto and teachers in training at the Ontario College of Education.

These young women, with such varied interests, have enjoyed throughout the year a most congenial fellowship, which has been very helpful to all. At the same time they have maintained the same high standard of achievement as in previous years. The residence has been particularly free from serious illness during the year, one case of measles and common colds are the only cases of illness to report.

The course of studies has been revised and adapted to meet the needs of the students in training, so as to fit them for different types of Church and Community work which they will be undertaking.

Following are the names of the regular teaching staff:—Professor W. W. Bryden, D.D., Professor J. D. Cunningham, D.D., Rev. E. Foreman, B.A., Rev. J. B. Paulin, D.D., Rev. W. T. McCree, M.A., Rev. J. Wasson and Mrs. G. D. Ralston, B.A. Rev. E. A. Thomson, B.A., and Miss Ada Adams gave a short course of lectures in Religious Education, and Dr. W. A. Cameron on Missions. The students also had instruction in Public Speaking at the University of Toronto, in Recreational Leadership at the Y.W.C.A., in Business Practice at Central School of Commerce, in Bible Study at the Canadian School of Missions and in Camp Dietetics at Westminster House.

The students-in-training had the privilege of observation in various departments of different Sunday Schools throughout the city and everywhere they were met with great courtesy and helpful consideration. Mrs. S. Gillispie and Miss Christine Moffat supervised their hospital and home visitation. We wish to record here our sincere thanks and appreciation to Mrs. Gillispie, Miss Moffat and to the Sunday School Superintendents and Ministers of the Churches visited for their helpful interest.

Again this year, as in previous years the Auxiliary of Rosedale Presbyterian Church and Miss McIlwraith, at Christmas time sent gifts of fruit, which were very much appreciated.

Though the attendance in the Training School is on the increase it is far from sufficient to provide the number of trained workers required to meet the needs of our Church. It is a matter of disappointment that so few qualified young women are availing themselves of the opportunities afforded for training in preparation for Church work. This is a cause for special regret at this time when the Presbyterian Church is in such need of workers and when the world is in such need of the Church.

THE COMMITTEE ON CHURCH WORSHIP

To the Venerable the General Assembly:

There has been no correspondence on the subject of Church Worship; nor has there been any considerable discussion on the subject that your Committee has noted other than that which has been general for more than a decade, namely, the decreasing number in attendance at Public Worship. But what we are saying now about "empty" pews was as vigorously and sorrowfully said twenty-five years ago, as quotations from religious journals attest. In a wry rejoinder to the moans concerning the deserted pews, many years ago Dean Inge said, "If the Gospel were preached in the Churches, the pews would be emptier still." He may have been right, maybe is right to-day; but the "gloomy" Dean's implication that ministers should get down to the task of preaching the Gospel is not the solvent, for many who most earnestly and faithfully declare the Good News are depressed by the absences on the Lord's Day.

Your Committee would warn against the temptations and dangers incident to the "empty" pew. It has resulted in desperate—we would say—and unwise plans to fill it. Some have tried to make a concert hall of the Church, a theatre of it, a movie-show of it, a social platform of it, and, frequently, with bizarre consequences. The Church cannot successfully compete with these in their own field; besides, the Church is not in the entertainment business even if the end be "a full house." That is irrefutable, final.

The Presbytery of Hamilton last year seriously attempted to solve the problem. It held conferences in eleven centres. These were attended by the executives and leaders of the churches, both urban and rural. Two ministers led in the discussions in each conference. In one of these, while the problem of the unfilled pew was up, a lady hazarded the answer to it: "The spirit of the age." Without knowing it, perhaps, the lady provided the company with an answer that has historical backing. There have been periods of indifference to the Church and its message. And yet, in spite of the modern trend away from the Church, we believe that most people are friendly to it, believe that it would be an irreparable loss were it blotted out, know that it is the inspiration of all that is best in life. But to get them to attend remains our problem. That is why we stormily comment that the "world is going to the dogs," or more lamely comment, "it is the spirit of the age."

Nevertheless, the tone of our Public Worship must be kept high and reverent. The temptation to fill the pew by questionable practices, or by a "Gospel" sensationally camouflaged or sugar-coated, must be sternly resisted. These but lead us away from the true purpose of worship, and further away from the secondary objective that of bringing more people to the Church. "God is a Spirit, and His worshippers must worship Him in spirit and reality" (Moffatt). Ministers and people would do well to remember what Warren P. Waldo has written: "If the worshipper does not find real and vital help in his worship, the fault can lie in only one of two places: either the worship is not worthy, or the worshipper has not let himself enter spiritually into the worship."

The Committee would recommend:

1. A careful study and a more general use of the Revised Book of Common Order, lately issued by our Church.
2. The Committee also urges that our Ministers and Kirk Sessions seriously seek out the causes of non-attendance at Public Worship, and attempt to remove them. All of which is respectfully submitted.

C. L. COWAN,
Convener.

REPORT OF THE PENSION BOARD

To the Venerable the General Assembly:

It is with gratitude to Almighty God that your Pension Board begs leave to submit their report for the year 1941.

During the past fifteen years the Pension Plan of The Presbyterian Church in Canada has been in operation and while these were trying years the Fund has grown steadily both in helpfulness and service to the ministers and ministers' widows of the Church.

When the division of the property of The Presbyterian Church in Canada took place after the disruption there was only \$463,642.00 coming to us from the Old Age and Infirm and Widows' and Orphans' Funds and, notwithstanding all the difficulties that had to be faced, the Fund has now reached the Capital sum of \$848,219.66.

During the last fourteen years the Pension Fund has paid to Annuitants the sum of \$636,058.64.

Again, it is our painful duty to report that the following annuitants and rate-payers have been called to their reward during the past year:—Rev. Hugh Brown, Rev. A. Craise, Rev. J. Elder, Rev. R. Honeyman, Rev. H. T. Kalem, Rev. S. Lundie, Rev. W. Mackintosh, Rev. G. J. Mackay, Rev. E. MacQueen, Rev. R. Paterson, Rev. J. Steven, Rev. D. Walker, Rev. W. J. West, Rev. J. Wilson, Rev. T. Wilson, Rev. J. H. Douglas, Rev. Angus Sutherland, Rev. R. L. Ballantyne, Rev. Robert C. Acheson, Rev. Jenkins Burkholder.

During the present year a letter was sent to—

1. Ministers not on the Pension Fund.
2. To all congregations who have not paid anything to the Fund according to the sliding scale.
3. To all congregations who had made payments to the Fund—but the numbers responding to these solicitations were very few.

PENSION PLAN OBJECTIVE

The present Pension Fund was adopted in 1921 by the General Assembly and after the disruption had to be adjusted to the personnel of the Church in 1927. The goal that was set at that time was a Pension of \$1,000.00 after 40 years of service and reaching the age of 70 for ministers and \$500.00 for widows and orphans. To make this possible four sources of revenue were arranged:

1. Rates from ministers.
2. Interest on Endowments.
3. Contributions from the Budget.
4. Contributions from congregations, according to the following scale:

"All Charges, having services of a minister and paying stipend, are requested by Act of the General Assembly to pay into the Pension Board Treasury accord-

ing to the following sliding scale, viz., 'that Charges receiving aid, that is those Charges that pay less than \$1,800.00 a year, pay into the Fund an amount equal to 2% of the stipend they pay to their ministers; that Charges paying \$1,800.00 and under \$2,500.00 pay an amount equal to 3% into the Pension Fund; and that Charges paying \$2,500.00 a year stipend and up, pay an amount equal to 5% into the Pension Fund each year.'

RECEIPTS FROM SPECIAL GIFTS, ESTATES AND CONGREGATIONS

Again your Board desires to place on record their thankfulness and appreciation to all congregations and donors who have helped the Fund by their contributions and gifts during the past year.

We would gratefully acknowledge receipt of the following gifts and contributions for the year 1941:—

BOARD OF SABBATH SCHOOLS AND YOUNG PEOPLE'S SOCIETIES

To the Venerable the General Assembly:

Your Board met in the Board Room of the Church Offices, 100 Adelaide Street West, Toronto, on April 23rd and 24th.

The Board would pay a tribute of respect to Dr. W. M. Kannawin whose retirement as General Secretary became effective on August 31st, 1941. Dr. Kannawin gave his talents in unstinted service to the Church. From coast to coast he endeared himself to ministers and people and won an honoured place as a devoted Christian leader, counsellor and friend.

The Board would also express their appreciation of the faithful service which Miss Violet Tennant rendered as Girls' Work Secretary. Miss Tennant resigned during 1941 in order to accept the position of Secretary of the Y.W.C.A. at Ottawa.

The new General Secretary assumed office on September 1st. His extended visit was to the four western Synods. He represented the Church at the Quadrennial Convention of the International Council of Religious Education held in Chicago in February, 1942. He shared in the teaching of Religious Education in three centres and in the co-operative field represented the Church.

The new Girls' Work Secretary assumed her duties on September 1st. Her extended visit was to the Maritime Provinces where she met with ministers, leaders of girls and the girls themselves. She undertook considerable visitation in Northern and Southern Ontario and in Quebec and Montreal. It is her plan to visit the western Synods in 1942. She has also kept in close touch with her field by articles in the *Challenge* and by her field letters.

Recent years have seen a wave of enthusiasm for the teaching of the Bible in the Public Schools. Two co-operative committees—one for Canada and one for Ontario—are at work. Much progress has been made. In 1937 there were 178 Public Schools in Ontario where the Bible was taught. By 1941 this figure had risen to 628. In British Columbia the legislature has established Religious Knowledge as an elective course in the High Schools of the Province. The Convener reports that one thousand students have taken advantage of these classes.

Memory Work as a vehicle for Bible instruction continues to appeal. St. Andrew's, Ottawa, with two repeating the Senior Memory Course and one the Larger Catechism, sets an example to the whole Church. Outremont and Verdun, in the Presbytery of Montreal, are to be commended for the extraordinarily large number of young people obtaining credits under the Leadership Training Plan. In all the Normal Schools of Ontario, where Biblical Knowledge is a compulsory subject, our Presbyterian student teachers have received instruction and those who have undertaken this work receive the thanks of the Board.

Missionary Education has steadily been extended and our Board is represented on the newly formed Committee on Missionary Education established by the General Board of Missions. Our lantern slides require careful and continuous revision. Many of our sets have been rendered inadequate by evacuation of some of our foreign

mission fields. A new depot for the distribution of slides in Saskatchewan has been established. During 1941, throughout the whole church there were 425 showings.

On September 1st, 1941, Miss Margaret Webster, B.A., succeeded Miss Tennant as Girls' Work Secretary of our Church. Miss Webster has won golden opinions wherever she has gone. Her fine personality and varied training are finding full scope in her work. Nor can we speak too highly of our Office Secretary, Miss Katharine Stewart. Miss Stewart's evident courtesy and her consecration of mind and heart make her a most helpful assistant. Both Miss Webster and Miss Stewart have had the advantage of being reared in manse and this has given them an understanding of the Church which has proved very beneficial to our work.

Presbyterian Publications continue to play a large part in the work of the Church. They are the right arm of the Board. We bespeak for them the cordial support of all the Church. Only by such loyalty can Presbyterian Publications render that service to which we have now grown accustomed. We congratulate them on the occasion of establishing their quarters at 165 Elizabeth St., Toronto. This means a forward step in their enterprise.

During the year the Survey Committee of the Board have been busy gathering information and making intensive surveys of selected areas. The results of their labours are represented in several recommendations which the Board is placing before the General Assembly for due consideration.

RECOMMENDATIONS

1. Inasmuch as the Survey conducted by the Board reveals that the one outstanding problem confronting the Church is an indifference to religion on the part of parents and the spiritual barrenness of home life, we recommend that the Assembly appoint a special committee to take into consideration this condition and in conjunction with the Assembly's Board to formulate a policy and programme which will adequately meet the situation with power to promote the same.
2. Inasmuch as the General Council of the Women's Missionary Society (W.D.) have suggested the inclusion of two women as members of the Board and inasmuch as there are matters of common interest, we recommend that the Assembly appoint two women to the Board as additional members, these members to be the Girls' Organization Secretary and the Mission Band Secretary of the Women's Missionary Society (W.D.) and further that a member of the General Council of the Women's Missionary Society (E.D.) be a member of the Board, by correspondence.
3. We recommend that our Church co-operate in the movement known as the "Christian Education Advance."
4. We recommend that the Assembly stress the need of a Home Department in every congregation.
5. We recommend that Lesson Helps, illustrated papers and other supplies provided by the Board through Presbyterian Publications be used by all our schools.
6. We recommend that the thanks of the General Assembly be extended to the Teachers and Officers of our Sabbath Schools and the leaders of our work among Young People, to the Conveners of the Synods' and Presbyteries' Committees who have been faithful in the discharge of their duties, to our ministers who have given religious instruction in the various Normal Schools, High Schools and Public

Schools where such is permitted under Provincial Statute, to Dr. W. M. Rochester for providing a column for Sabbath School help in *The Presbyterian Record*, and to Dr. N. A. MacEachern who, both as a minister and Editor of Presbyterian Publications, has rendered invaluable service to the Board and to the whole Church.

All of which is respectfully submitted.

M. B. DAVIDSON,
Convenor.

E. A. THOMSON,
General Secretary.

OVERTURES

No. 1.—PRESBYTERY OF TORONTO.

Re THE BAPTISM OF INFANTS

At Toronto, and within Knox Church there, the second day of December, Anno Domini, one thousand nine hundred and forty-one, which day the Presbytery of Toronto met and was constituted with prayer.

Inter alia.—The Presbytery agreed to transmit the following overture to the General Assembly, on the motion of Rev. S. Johnston, seconded by Dr. R. G. Stewart.

To the Venerable the General Assembly:

WHEREAS, there is some difficulty in interpreting the term "believer" in Section xxviii, Sub-section A of the Westminster Confession of Faith,

WHEREAS, this term is further interpreted in the Shorter Catechism as meaning a member of the Christian Church,

WHEREAS, individual interpretation has led to confusion and lack of uniformity of practice in the matter of the Baptism of Infants neither of whose parents is a member of any branch of the Christian Church,

Re APPOINTMENT OF A FULL TIME FINANCIAL
AGENT OF THE CHURCH

At Montreal, and within the David Morrice Hall, Presbyterian College, there, at eight o'clock in the evening, on the twenty-first day of October in the year of Our Lord one thousand nine hundred and forty-one, the Synod of Montreal and Ottawa met according to adjournment. The meeting was then constituted with prayer by the Moderator.

Inter alia.—Report of the Budget Committee.

The report of the Budget Committee was submitted by the Convener, Rev. G. S. Lloyd.

The fourth recommendation of this report read as follows:—

That this Synod is alarmed at the steady decrease in revenue throughout the whole Church, and advises the Board of Administration that, in our judgment, the appointment of a full time financial Secretary is necessary.

After discussion, it was moved by Rev. A. M. Hill, D.D., seconded by Rev. Norman A. MacLeod, D.D., and agreed that in line with this recommendation an overture be prepared and sent forward from the Synod to the General Assembly.

OVERTURE TO THE GENERAL ASSEMBLY

The following overture to the General Assembly as rising out of Recommendation No. 4, of the Budget Committee was moved by Dr. Hill, seconded by Dr. Norman A. MacLeod, and carried:

To the Venerable, the General Assembly, Presbyterian Church in Canada.

WHEREAS, from year to year the Budget receipts of The Presbyterian Church in Canada have gradually receded having decreased from \$481,539.00 in 1930 to \$289,213.00 in 1940, a decrease of 40 per cent., and

WHEREAS, this shrinkage in Budget receipts is hampering our Boards in their work in their respective spheres, and is accumulating heavy indebtedness on the Presbyterian Church, all of which is adversely affecting the whole life and work of the Church,

THEREFORE, in order that a well organized and determined effort be made to put the business of the whole Church on a satisfactory financial basis, we, the Synod of Montreal and Ottawa, do hereby respectfully overture the Venerable, the General Assembly, Presbyterian Church in Canada, that the present Treasurer, or some one else be appointed full time Financial Agent of the Church, and that this office include the Treasurership and responsibility of raising sufficient funds to properly finance the missionary and other undertakings of the Church, and to clear the accumulated financial deficit on our Church's operations.

At Woodstock, and within Knox Church there, Tuesday, April 28, 1942, which time and place the Synod of Hamilton and London, being in regular session, Mr. K. MacLean, M.A., Moderator; Messrs. C. L. Cowan, C. H. MacDonald, J. R. Waldie, et al.

Inter alia.—The Overture from the Presbytery of Stratford, praying for the abolition or curtailment of liquor, having been read and later considered by the Committee on Evangelism, it was moved by Mr. Peter A. Dunn, seconded by Mr. Stuart Woods that it be approved and forwarded to the General Assembly with the support of the Synod. Carried. It is as follows:

"To the Venerable the General Assembly:

THAT WHEREAS our nation is now engaged in a struggle for her very existence and is therefore called upon to mobilize her total material and moral resources to fight a powerful and unscrupulous enemy, and

WHEREAS, it was amply demonstrated in the last world war that the use of intoxicating liquors was a decided hindrance to the greatest efficiency in the different spheres of service, and consequently, frustrated to some extent the success of the nation's war effort, and

WHEREAS, there is sufficient evidence to prove that the use of intoxicating liquors is also a hindrance in the present struggle, and

WHEREAS, the Government has frequently appealed to the people to avoid all unnecessary expenditure in order that they may save to the utmost and therefore purchase War Savings Stamps and Victory Bonds for the prosecution of the war,

THEREFORE, BE IT RESOLVED:

1. That we, the Presbytery of Stratford, of The Presbyterian Church in Canada do express our firm conviction that the huge expenditure for liquors is indefensible and utterly inconsistent with our profession of loyalty to the best interests of the State.
2. We would urge our people to make a personal contribution to greater efficiency in our war effort, by both practising and advocating abstinence from alcoholic liquors,
3. Because of the grave perils that face us as we head into the storm and because of the sacrifices that our fighting men and civilians are called upon and will be called upon to make; we believe that this is a time when the Christian Church, which is wholeheartedly behind the Government in making the supreme war effort, has a right to insist that the Government do, without further delay, take such measures as will abolish the use, or at least reduce drastically the consumption of intoxicating liquors for the duration of the war.
4. That we overture the Synod of Hamilton and London to petition the Dominion Government and that of the Province of Ontario to take such measures, without further delay."—James K. West, *Presbytery Clerk*.

Barker was minister of the pastoral charge of Cardinal and Mainsville, within the bounds of the said Presbytery for over seven years (1925-33) and since his retirement has supplied in other of the churches within the bounds of the said Presbytery and so can be of great assistance in the deliberations of the Presbytery, and

WHEREAS, there is a Mission Field within the bounds which is represented by an elder but no minister and there are frequent vacancies in charges, and

WHEREAS, for these reasons the number of elders on the Constituent Roll of the Presbytery exceeds that of the number of ministers,

THEREFORE, to establish, as far as possible, the parity of the number of ministers and elders on the Roll of the Presbytery, the Presbytery of Brockville humbly overtures the Venerable the General Assembly for permission to place the name of the Rev. A. H. Barker on the Constituent Roll of the Presbytery.

No. 24.—PRESBYTERY OF TORONTO.

Re SERVICES OTHER THAN THOSE ORDERED BY THE COURTS OF THE CHURCH

In Toronto, and within Knox Church there, on the fifth day of May in the year of our Lord, one thousand nine hundred and forty-two, at ten o'clock in the forenoon, the Presbytery of Toronto met and was constituted with prayer by the Moderator.

Inter alia.—On the motion of Mr. A. Neil Miller, seconded by Mr. J. B. Thomson, it was unanimously agreed that the Presbytery overture the General Assembly as follows:

To the Venerable the General Assembly:

WHEREAS, some of our ministers have faced a certain embarrassment and misgiving because of undertakings that have been requested of them, with respect to their work as ministers, by others than the Courts of the Church, and,

WHEREAS, there are equally grave implications and consequences involved either in defence or in refusal, and

WHEREAS, ministers might accept or refuse these requests with greater confidence if the judgment of the whole Church were made known,

WE, THEREFORE, respectfully overture the Venerable the General Assembly to declare the mind of the Church with respect to certain practices that have appeared among us, particularly since the outbreak of the war; *e.g.*, on the following and similar matters;

- (a) On "Days of Prayer" which are proclaimed by the civil authorities often without intimation to the ministers of the Church, save through the press and radio, and certainly without consultation with the Courts of the Church.
- (b) On "St. George's Day Services", "The Torch Service", "The Great Crusade," and other special services, that are arranged by civil authorities, or by voluntary national committees, and then simply announced to the ministers of the Church individually, or submitted to them through the Offices of the Church, accompanied by such publicity in the daily press that presumes the duty of co-operation.
- (c) On the association of some of our ministers with these committees, allegedly or reputedly in their official capacities, (if we are to judge by the use of their official titles, "Moderator of the General Assembly of The Presbyterian Church in Canada," "Clerk of the General Assembly", "The Right Reverend," "The Very Reverend", etc.) without any consultation with, or instruction from, the Courts of the Church.
- (d) On the forms of religious worship prepared for these services, and the prayers suggested for use in them, which are prepared with a view to including Protestant and Catholic, Jew and Gentile, in one "religious" act, and which, therefore, do not confess Jesus Christ, but are notable for the omission of all references to His Name.

We overture for a declaration that will answer the questions which the growth of these practices raises among us—including the following:

1. Do we recognize the right of the State to call the Church to the observance of days and seasons?
2. Whose voice does the Church obey when she responds to these proclamations?
3. Do we recognize the right of voluntary (national) committees to determine what times and seasons the Church shall observe?
4. Do we approve the association of our ministers with these voluntary (national) organizations, and the use of their official designations in such a way as to allege, or to have it assumed, that they there speak in some official capacity and for the Church?
5. Do we approve the forms of religious service and the suggested forms of prayer, that are notable in their failure to confess Jesus Christ?

We humbly crave the action of the General Assembly upon this our Overture, and the declaration of the mind of the Church.

Extracted from the Records of the Presbytery of Toronto by me this eleventh day of May, 1942.

EDGAR FOREMAN,
Presbytery Clerk.

COMMITTEE ON CHAPLAINCY SERVICE

To the Venerable the General Assembly.

There has been a steady increase in the number of our ministers appointed as Chaplains during the past year. This Committee has held nine meetings since last General Assembly, and the work has entailed a great deal of correspondence.

At the present time there are 71 of our ministers serving as Chaplains, 42 are under full time appointment in the C.A.S.F., of whom 23 are in the Army Overseas; 18 are serving in the R.C.A.F. of whom 2 are Overseas; 2 are serving with the Canadian Naval Forces, and 9 are on part-time duty, either with the C.A.S.F. or the R.C.A.F.

Towards the end of 1941 the Department of National Defence decided to set up a separate organization for the Chaplains' Service of the R.C.A.F. entirely distinct from that of the C.A.S.F. This Committee is pleased to report that Wing Commander John McNab, who had been acting for some time as Assistant to the Principal Chaplain (P), was appointed Principal Chaplain (P) for the R.C.A.F. Another of our Chaplains, Rev. E. C. McCullagh, has been promoted to the rank of Squadron Leader, No. 1 Training Command, Toronto.

One of our ministers found it necessary, for domestic reasons, to obtain release from Active Service as Chaplain, and will return to the Pastorate. Another was transferred to the Auxiliary Services. Several of our ministers who were well qualified by experience, and were offered appointments, much to their disappointment, failed to pass the rigorous medical examination required of all candidates.

The Committee is now facing an acute situation, due to the growing requirements of the Service, and the limited number of applications from our ministers now before us. The age limit set by the Department severely restricts the Committee in its efforts to secure suitable men to represent our Church in the various branches of Military Service. The situation is complicated by the present shortage of ministers, and the long list of vacant Congregations.

There are three lines along which some measure of relief might be obtained. First, by a greater measure of consolidation of the work of the Church in rural areas, thus setting men free, either for Chaplaincy Service or for the supply of some of our vacant Charges. Second, by the Department of National Defence raising the upper age limit to 55 for ministers serving as Chaplains in the Home Services, and thus releasing the younger men for Service Overseas. Third, by modification of the rule requiring that before appointment to a Chaplaincy, the applicant shall have served three years as an ordained minister.

The Committee desires to record its appreciation of the generous action of the Council Executive of the W.M.S. (W.D.) in voting the sum of \$500.00 to defray the cost of printing and shipping an edition of 10,000 copies of the booklet "The Armour of God" for distribution among our Presbyterian men and women who are serving in the various branches of His Majesty's Forces at home and overseas.

The Committee also desires to acknowledge with thanks the grant of \$100.00 by the Board of Administration to assist in securing suitable literature for our Chaplains, or in any other ways that may be found helpful or necessary.

This Committee has given a great deal of attention to the case of Mrs. Rintoul, widow of the late H/Flight Lieutenant Rev. A. Gordon Rintoul, who died while on service in Toronto on April 17th, 1941, in connection with her application for Pension. The Canadian Pensions' Commission ruled that Mr. Rintoul's death was not caused by his service as Chaplain. It has been pointed out that Mr. Rintoul was examined and passed by the Military Medical Authorities, was appointed, and was in full time active service when his death occurred. Mrs. Rintoul has been granted a small pension on compassionate grounds, but has entered an appeal. Our

Committee is strongly of the opinion, in view of all the facts in the case, that as a matter of principle and justice, Mrs. Rintoul is fully entitled to a Pension for herself and her children. We earnestly hope that the Pensions' Commission will acknowledge the justice of her claim, which this Committee is prepared to support by every means in its power.

Many problems arising in connection with the rapid expansion of the Service have been under careful consideration by the Advisory Committee, composed of representatives of the four Protestant Communions. One of these is the growing need for Chapels in Training Centres. Then, there are the problems created by the establishment of Camps, Barracks and Training Centres across Canada, the development of large Defence and Munition Establishments, resulting in a great shifting of the population, and consequent congestion in certain areas. In some instances these Industrial Areas are established at a considerable distance from the present church buildings, located in the nearest towns or villages. In some cases the erection of these large plants means the establishment of new communities. These and other related problems call for wise and careful consideration, and for a large measure of co-operation between the various Churches.

All of which is respectfully submitted,

STUART C. PARKER,
Chairman.

J. W. MACNAMARA,
Secretary.

REPORT OF THE BUDGET AND STEWARDSHIP COMMITTEE

To the Venerable the General Assembly:

Considerable anxiety was felt in the month of November concerning the drop in our income, but steps were taken to bring home the seriousness of the situation to congregations which had fallen noticeably behind in their givings, with good results.

It would seem as if the counsel—to make the most of the Fall Offering and to follow it up with personal approach to non-contributors has been in some measure heeded, and consequently, the counsel is urgently repeated, in the hope that still better results may accrue in the current year. It is natural to expect that the Church will share in the increase of family incomes, which is quite general throughout many parts of our constituency, and it is incumbent upon our ministers and elders, where such war prosperity is in evidence, to do what they can to attract extra givings into Budget and Stewardship Funds.

Last year's report advised the formation in Synods and Presbyteries of Campaign Committees which would be active, in the closing months of the financial year, in promoting effort to stimulate good results wherever possible. Following this up, the General Assembly's Budget Committee urged upon the Committees on General Interests, Missions, Sunday School and Young People, and Evangelism of each Presbytery to confer together with a view to spreading information and creating inspiration within their bounds; and in certain areas this plan, or some other in its place, was successfully operated. However, it is difficult to say in how many instances trial of this method was made.

The issuing of leaflets setting forth the work of the Church was continued, but a change was made, in that, each of the Assembly's Boards was asked to produce its own material and, where possible, to meet or share the expense of printing. It is hoped that such leaflets will be distributed to the best advantage so that the largest possible number of individuals and families may study their contents.

Unexpected difficulties have delayed the further production of films illustrating the work of our Church. But the Assembly is reminded that two coloured films are available for hire, under due supervision, dealing with our operations in India. As these are originals and irreplaceable, only those who can provide experienced handling of them should apply meanwhile.

The Board of Administration report should be consulted for information as to what was done to implement last Assembly's instructions regarding the initiation of plans to remove the accumulated deficit.

As the war increases its intensity it behoves the Churches to give the greater heed to the tasks God has set to their hands, with a view, not only of setting against the world's hates the spirit of good will, but also, of preparing for the day when, with peace again restored, the peoples of the earth will more readily be brought into one, if the great family of Christ's Church Universal is in health in all its branches. May we not expect our Presbyterian people in Canada to strengthen our denominational finances in a fashion commensurate with our duty to share in the on-going of the Church Universal?

RECOMMENDATIONS

1. That our voluntary sacrifices for the Church in these days of national crisis be regarded as of greater importance than ever, in view of the vital part to be played by the Church both during the war and later in peace.
2. That every member and adherent be urged to share, through an Every Person Canvass, in providing the money needed for the general work of our Presbyterian Church in Canada.
3. That giving, wherever possible, be by weekly envelope to ensure regularity.
4. That personal approach to non-contributors, as a follow-up to the Fall Offering, be adopted as the universal practice.
5. That care be taken to ensure the efficient distribution of Budget Leaflets among our Membership.
6. That it be the duty of the Convener of the Budget Committee of each congregation, not only to see that funds are collected, but also that they are sent to the Treasurer of the Church, Toronto, monthly if possible, and not less than quarterly.
7. That all congregations be urged to take up the Spring and Fall Offerings, on behalf of the Budget, making use of the special envelopes to be had, on application to the Church Offices.

All of which is respectfully submitted.

WM. BARCLAY,
Chairman.

J. W. MACNAMARA,
Secretary.

REPORT OF THE BOARD OF ADMINISTRATION

To the Venerable the General Assembly:

In submitting this report your Board records with deep regret the loss by death of one of our honoured and valued members, Dr. James Wilson, who passed away on June 14th, 1941, after a brief illness. Dr. Wilson served on the Board for several years, first by appointment of the General Assembly, then as a representative of the General Board of Missions. He was also a member of the Church Extension and Church and Manse Board, and of other Committees appointed by this Board. Because of his wide knowledge of the work of the Church at home and abroad, his deep interest in all that concerned the welfare of the Church and his sound judgment, he was able to render invaluable service. The sympathy of the Board is extended to his wife and daughter.

The Board reports with regret the resignation of Miss Elizabeth Kerr, because of ill-health, which took effect at the end of July last. Miss Kerr served the Church with efficiency and fidelity for many years, especially in the office of the Clerk of Assembly, and in the oversight of Estates. The Board desires to place on record their deep appreciation of her long and faithful services.

By the death of Dr. James Wilson a vacancy occurred in The Trustee Board. Under the authority given to this Board by the Act of Incorporation Rev. James McNeill, D.D., of Toronto, was appointed to fill the vacancy, and your Board respectfully requests the General Assembly to confirm the appointment.

The Treasurer's Statement for the financial year ending January 31st, 1942, shows total Budget Receipts of \$302,801.32 as compared with \$310,534.91 for the previous year, a decrease of \$7,733.59. Budget Receipts from congregations show a decrease of \$3,205.66. The net expenditures for the year, including the payment from the Budget to the Pension Fund of \$10,327.36, and after the transfer from Mission Reserves of interest income of \$4,849.96, amounted to \$304,019.51. This compares with expenditures of \$318,437.02 in the previous year, a reduction of \$14,417.51. The deficit on the year's operations is shown as \$1,218.19. The accumulated Budget Deficit as at January 31st, 1942, stands at \$178,446.00.

The sharp reduction in expenditures is accounted for partly by the reduction in the expenses of the General Assembly, due to the fact that travelling expenses of Commissioners were not paid, except in the case of a limited number from the Eastern and Western Synods, and by the reduction in the expenditures of the General Board of Missions chargeable to the Budget from \$225,000 in 1940 to \$209,646.33 in 1941. These reductions cannot all be counted on for the current year.

REPORT ON PLANS FOR CLEARING OFF THE BUDGET DEFICIT

In accordance with the instruction of the last General Assembly, your Chairman of the Board of Administration held a number of informal meetings with laymen of the Church and finally at a meeting of the Board held in the Church Offices, on November 26th last, your Chairman was asked and agreed to become Chairman of the Budget Deficit Committee.

Since then, a number of meetings have been held, considerable progress has been made and much encouragement has been given. The laymen of the Church appear most anxious to co-operate and they also agree that no time should be lost in accomplishing the task.

We ask you to approve the following recommendations:

1. That the Committee shall consist of J. M. Thomson as Chairman and the following gentlemen:—Dr. Wallace Troup of Ottawa, Mr. C. W. Stewart of Toronto, Mr. Walter C. Thomson, K.C., of Toronto, Rev. J. G. Inkster, D.D., of Toronto, Judge C. M. Manson of Vancouver, Col. M. McLaren, C.M.G., of St. John, N.B., Mr. D. McGill of Montreal.
2. That this Committee shall have power to add to its numbers.
3. That our minimum objective shall be \$500,000.
4. That the General Assembly be asked to instruct and authorize this Committee to appeal to the whole Church for this "Half-Million-Fund" in order to put the finances of our Church on a sound basis.

CONFERENCES WITH REPRESENTATIVES OF SPENDING BOARDS

As instructed by the General Assembly, conferences with representatives of the Spending Boards were held on September 16th, 1941, and March 17th, 1942. The General Board of Missions were able to report that their expenditures for the year for the upkeep of the work were below the amount allocated to them from the budget, consequently no transfer from the Reserve Funds held to their credit was required. The Presbyterian College, Montreal, through its representative, made an urgent appeal for a considerable increase in the amount allocated from the Budget Funds in order to meet the current needs of the College. Your Board regrets that because of the state of the funds it was unable to accede to the request, but promised sympathetic consideration whenever the state of the funds would warrant such action.

CONFERENCE WITH PENSION BOARD

It was agreed at the last General Assembly, "that the clause in the Pension Board Report referring to the Emergency Fund be referred to a conference to be held with the Executive of the Board of Administration to determine whether the Emergency Fund be continued by the Pension Board." A conference between the two Boards was held following which the Pension Board agreed that the Emergency Fund be discontinued, and transferred the balance standing to the credit of that fund to the Dr. Ephraim Scott Benevolent Fund.

PROPOSED ASSOCIATION OF LAYMEN

This question has been under consideration during the year, with a view to securing information as to the number and character of Men's Organizations now in existence throughout the Church. The Committee appointed by the Board sent a circular letter early in the Autumn to all the Presbyteries requesting the following information:—

1. Number of Men's Organizations in the Presbytery.
2. Name of Organization.
3. Number and nature of meetings held.
4. Objectives aimed at.
5. Names of President and Secretary.

Out of 47 Presbyteries only 12 responded. In November, another circular with a covering letter was sent out to the 35 Presbyteries who had not responded—there are still 14 Presbyteries who have not reported. These are Saint John, Miramichi, Quebec, Ottawa, Peterborough, North Bay and Temiskaming, Saugeen, Hamilton, Winnipeg, Brandon, Regina, Peace River, Edmonton, and Calgary.

Of those reporting, 33 in number, 19 reported—No Men's Organizations. In the remaining 14 there are 25 active Men's Organizations. The purpose of these Organizations, generally, is to foster friendly intercourse among the men of the congregation and to deepen loyalty for, and interest in, the Church and its work.

RECOMMENDATIONS

1. That a Committee be appointed to co-ordinate those existing Organizations.
2. To encourage the organizing of Men's Groups wherever possible.
3. To rally these groups around a common purpose and programme.

INCOME TAX EXEMPTIONS

Your Board begs to report as follows upon the Overture *re* "Exemption from Income Tax upon expenses incurred by ministers requiring an automobile for the purposes of their profession," which was remitted to this Board.

Conferences were held with representatives of the other Protestant Communion, and a joint appeal was made to the Department of National Revenue, Ottawa, requesting a reasonable allowance for ministers using motor cars in carrying out their pastoral duties. A definite allowance of \$300.00 per annum was suggested, but we have not been able to secure it. The Commissioner of Income Tax ruled that the fixed salary of a clergyman cannot be reduced by the cost of the use of a motor car for carrying out pastoral duties, but that where a clergyman is given an allowance to take care of the expense of a motor car, such an allowance may be deducted from the total income when making out annual returns.

One of the other churches has taken the matter up, and through its Sub-executive has authorized the sending out of a letter to their Presbyteries, under which ministers would have the privilege of making such a claim for exemption up to \$200.00 per annum in their Income Tax returns.

This plan however is not so easy to apply in The Presbyterian Church, because of the guarantee of stipend, which, under the rules of the Church must accompany a Call, whereby a minister is called with a definite guarantee of stipend. We consider that the only proper and legitimate course to follow, is to seek an amendment to the present Act, granting an exemption to the amount of \$300.00 a year to all ministers requiring the use of a motor car in carrying out their regular pastoral duties.

Your Board, therefore, recommends that in co-operation with the other churches steps be taken to secure, if possible, the enactment of such an amendment.

Then, with reference to the question of the status of the minister as described in Governmental Forms, in view of the position taken by the Department, that stipend is to be treated as salary, it was felt that nothing would be gained by seeking the changes suggested.

GASOLINE AND TIRE RATIONING

In connection with the restrictions placed by the Government upon the use of gasoline and tires for transportation purposes, we beg to report as follows:—

In reply to representations made to the Department of Munitions and Supply, Ottawa, on the subject of Gasoline Rationing, on behalf of the Anglican, Baptist, Presbyterian and United Churches, the following information has been received.

"Applications for inclusion in Category 'B' or such higher Category as necessity directs should be made to the nearest regional central office of the Oil Controller of Canada on forms which will be available at all Post Offices shortly."

In reply to a further appeal on behalf of ministers and missionaries who will require more than Category "B"—8,000 miles a year—in order to carry out their work, we have been informed that "clergymen who require more gasoline than is provided in Category 'B' should make application for a higher Category at the time of the original application."

We know our ministers will do all that is in their power to co-operate with the Department in carrying out the regulations regarding tires and accessories.

Our information is to the effect that the Department will do all that is possible to see that clergymen are given fair consideration, but in the light of the present difficult situation, cannot give any definite guarantee.

KIRK SESSIONS AND BOARDS OF MANAGEMENT

Your Board respectfully requests that the General Assembly give consideration to the question of the relationship between the Kirk Sessions and Boards of Management, in connection with the general work of the Church, with a view to the drafting of a statement which will clarify the situation, and make for greater co-operation between these two bodies in our congregations.

In view of information which has reached us your Board would recommend that the General Assembly call the attention of all Boards of Management of congregations to the following regulation. "That it is the duty of the Chairman to have each meeting opened and closed with prayer."

THE BOYS' RESIDENCE, PICTOU, N.S.

Your Board reports that this property is still in use by the Naval Department, Ottawa, under lease dating from January 1st, 1941.

THE SCOTT INSTITUTE, TORONTO

This property, situated at the corner of Elm and Elizabeth Streets, Toronto, was used for many years as the centre of our Mission to the Jews in Toronto, but has not been required for that purpose since the purchase of the property at the corner of College Street and Palmerston Boulevard. For several years it has been used in connection with relief work in the City. Permission to sell this property was granted by the General Assembly in 1929.

Your Board now reports that it has recently been sold to Messrs. N. A. MacEachern Co. Ltd., who will make it the headquarters for Presbyterian Publications.

NEW CARLISLE SCHOOL HOME

This property situated at New Carlisle, P.Q., was assigned to The Presbyterian Church in 1927 by order of the Dominion Church Property Commission. It has been unoccupied for a considerable time, and there appeared to be no prospect of its being used in the work of the Church. It has now been sold with the approval of the General Board of Missions to the Government of the Province of Quebec.

BUDGET ESTIMATES FOR 1943

Your Board has given careful consideration to the amount required to provide for the work in all departments at home and abroad for which the Church is responsible; to meet interest charges on borrowed funds, and to reduce present indebtedness, and would recommend that the amount of \$500,000.00 be set as the objective for 1942, and that the amount be allocated to the Synods as follows:—

Maritime Provinces.....	\$ 38,000.00
Montreal and Ottawa.....	95,000.00
Toronto and Kingston.....	184,000.00
Hamilton and London.....	136,000.00
Manitoba.....	10,000.00
Saskatchewan.....	8,000.00
Alberta.....	14,000.00
British Columbia.....	15,000.00
	<u>\$500,000.00</u>

RECOMMENDATIONS

1. That the General Assembly approve of the Budget as submitted, and instructs the Synods of the Church, that their respective allocations be approved, and in turn allocated to the Presbyteries within their bounds, at the earliest possible date, and not later than October 31st.
2. That Synods and Presbyteries be urged to give special consideration to the apportionment of Budget Allocations to the Presbyteries, and congregations within their respective bounds, in order to make the allocations as equitable as possible.
3. That the General Assembly instruct the Presbyteries of the Church to make the Budget Allocations to the congregations within their bounds, not later than December, so that congregations may have them in time to present to their Annual Meeting.
4. That the General Assembly confirm the appointment of Dr. James McNeill to the Trustee Board to fill the vacancy caused by the death of Dr. James Wilson.
5. That the General Assembly approve of the ~~plans~~ ^{proposed effort} submitted for clearing off the Budget Deficit. *included p. 21*
6. That the General Assembly appoint a Committee to co-ordinate existing Men's Organizations in the Church to encourage the organizing of men's groups wherever possible, and to rally these groups around a common purpose and programme.
7. That the General Assembly authorize the Board of Administration or its Executive to approach representatives of other Communions, with a view to securing an amendment to the present Income War Tax Act, to provide for exemption from Income Tax to the amount of at least \$300.00 per annum to ministers who require the use of a motor car in carrying out their regular pastoral duties.
8. That the General Assembly take whatever steps in its wisdom may be required to define the relationship of the Kirk Sessions, and Boards of Management of congregations with reference to the general work of the Church.
9. That the General Assembly call the attention of all Boards of Management of Congregations to the rule of the Church which requires that all meetings of these Boards be opened and closed with prayer.
10. That Henry Barber, Mapp and Mapp, Chartered Accountants, be continued as Auditors of the Church accounts, under the same terms as were approved by the Assembly last year.

All of which is respectfully submitted,

JOHN M. THOMSON,
Chairman.

J. W. MACNAMARA,
Secretary.

ANDREW McCORMICK TRUST FUND

Under the Will of the late Mr. Andrew McCormick, of New Richmond, Bonaventure County, District of Gaspé, who died on or about December 4th, 1934, the residue of his Estate was bequeathed to the Continuing Presbyterian Church in Canada to be held as an aid to small churches.

The General Assembly in 1936 in reply to an Overture from the Presbytery of Miramichi, approved of the following recommendation, "That the net revenue from the Estate be used for five years for local purposes, after which the situation may be reconsidered, always keeping in mind the local situation" (Minutes, 1936, p. 57).

In accordance with this decision, grants from the income of the Fund, during the five-year period set by the Assembly have been paid to congregations within the bounds of the Presbytery of Miramichi, upon the request of the Presbytery, and on the condition that the congregation, before receiving a grant raises an amount equal to the amount of the grant.

The question as to the future disposition of the income from the fund came before last General Assembly by recommendation of the Board of Administration, and was referred for conference between the Board of Administration, the General Board of Missions, and the Commissioners from the Presbytery of Miramichi. The following recommendation was adopted by the Assembly: "That commencing with January 1st, 1942, the administration of the Andrew McCormick Estate be under the General Board of Missions, which will take care that all conditions are fulfilled."

The details showing how the capital of this Fund is invested will be found on page 140 under the report of the Church Treasurer. A statement of receipts and expenditures is attached.

THE TRUSTEE BOARD

To the Venerable the General Assembly:

In submitting this report The Trustee Board records with deep regret the loss by death of one of its members, Dr. James Wilson, who, from the organization of the Board to the time of his death on June 14th, 1941, was most faithful in attendance, and rendered valuable service. Dr. James McNeill was appointed by the Executive of the Board of Administration to fill the vacancy, and your Board trusts that the General Assembly will confirm the appointment.

The following matters have come before the Board for consideration and action. Necessary leases and discharges have been executed under the seal of the Board in connection with a number of Estates from which bequests were received for the benefit of some department of the work of the Church. Discharges of Mortgages have been executed under the seal of the Board in connection with mortgages held by the Church Extension and Church and Manse Board as security for loans.

The Treasurer's Report shows that the sum of \$65,146.02 was received during the year from bequests, either in cash or securities.

Under the provisions of the Act of Incorporation relating to the property of congregations which have ceased to exist, the following properties came into the hands of the Board.

The Church property at Rockglen, Saskatchewan, which has been sold on the recommendation of the Presbytery of Moose Jaw to the Anglican congregation at Rockglen which has been using the Church as a place of worship for some time.

The property of the former congregation at Queensville, Ontario, consisting of Church, Church Sheds and Manse, which has been sold on the recommendation of the Presbytery of Toronto.

The property of the former congregation at Wilton, Ontario, consisting of Church and Manse and Church Furnishings, which has been sold on the recommendation of the Presbytery of Toronto.

Your Board recommends that the net proceeds from the sale of the Rockglen Church property be transferred to the Church Extension Fund, from which a loan was made to assist in the erection of this Church.

Further, that the net proceeds from the sale of the Queensville and Wilton Church and Manse properties as reported be transferred to the Church and Manse Fund.

THE SCOTT INSTITUTE

Your board reports that it has accepted an offer to purchase the property known as the Scott Institute, situated at the northeast corner of Elizabeth and Elm Streets, Toronto, from Messrs. N. A. MacEachern Co. Ltd. The premises will be occupied by Presbyterian Publications. This property has been lying idle for some time, and was no longer suitable for the purpose for which it was erected.

NEW CARLISLE SCHOOL HOME

Your Board is pleased to report that an offer to purchase this property has been received from the Government of Quebec, through the General Board of Missions, and accepted. This property has been unoccupied for some time, and there appeared to be little prospect of its being re-opened as a School Residence. Your Board has approved of the action of the General Board of Missions in disposing of the property.

In accordance with the requirements of the Act of Incorporation, the Board submits the following lists of securities held on behalf of the several Funds indicated which matured during the year, and of securities which we sold during the year.

DR. EPHRAIM SCOTT FUND FOR THE RELIEF OF MINISTERS AND THEIR FAMILIES

To the Venerable the General Assembly:

This fund which came into operation in 1932, was established by the late Dr. Ephraim Scott for the relief of ministers and their families, "to be used to relieve cases of distress and misfortune happening to ministers of The Presbyterian Church in Canada through ill-health or misfortune." By the terms of Dr. Scott's Will, the administration of the Trust was placed in the Board of Administration, and is carried out by a Committee appointed annually by the Board for that purpose.

The capital of the fund now stands at \$64,726.42. Details showing how the capital of the fund is invested will be found on page 140 under the report of the Church Treasurer.

The Committee desires to acknowledge with sincere appreciation the receipt of the following bequest and donation during the year. From the Estate of the late Mr. James Scott of Toronto, \$5,000.00 has been added to capital. From the Pension Board the sum of \$70.07, being the balance remaining in the Emergency Fund, when, after conference with the Board of Administration, it was decided to discontinue that fund, and to transfer the balance to the Dr. Ephraim Scott Fund. This amount was credited to income.

During the year assistance was given to twenty-one applicants, of whom six were ministers, and fifteen ministers' widows or relatives. One beneficiary died during the year. Three new applicants were given whatever help was possible from the income of the Fund.

In the ten year period from 1932 the sum of \$27,709.00 has been paid out in grants from this Fund, in accordance with the terms of Dr. Scott's Will.

Only the most urgent cases can be granted help, and that only in a very limited measure. During the past year the Committee was enabled to continue the grants in full through special donations from friends. However, because of the reduced interest rates now available for Trustee Investments, the Committee has been compelled reluctantly to make a temporary reduction in the grants for the current year, in order to keep within the regular income. The Committee hopes that further special donations will be received, which will make it possible to restore the cut, and to provide some measure of relief to any special applications that may be received during the year.

This Fund is established to meet a very real and pressing need and the Committee desires to commend it to the generous consideration of the members of the Church, in the hope that its benefits may be extended.

A financial statement follows.

All of which is respectfully submitted.

J. GIBSON INKSTER,
Chairman.

J. W. MacNAMARA,
Secretary.

THE "PENMARVIAN" MEMORIAL HOME

To the Venerable the General Assembly:

The Committee appointed by the Board of Administration to supervise and operate the Home begs to report on the year's operations as follows:—

The year 1941 has been in every respect a successful one. The average number of guests in residence was thirteen, an increase of three over the previous year. Temporary guests have also been entertained from time to time as the accommodation warranted. The average monthly receipts from guests amounted to \$296.00 and from temporary guests, the total sum of \$309.40 was realized, making the total average monthly receipts \$321.65.

The Home is at present fully occupied and a waiting list has had to be established. The problem of providing accommodation for those seeking admission is giving the Committee considerable concern.

We wish to thank Miss Ferguson, Mr. Hughes and the members of the staff for their co-operation during the year, all of whom have worked hard and made many sacrifices.

The financial report will show a very considerable improvement in the finances of the Home. Two years ago, your Committee reported outstanding accounts amounting to \$1,275.79 in connection with improvements to increase the accommodation. These have all been paid and against a debit balance of \$1,201.31 in the operating account a year ago we have now a credit balance of \$1,149.46.

A statement of the receipts and expenditures is appended, all of which is respectfully submitted.

THE MORGAN MEMORIAL HOUSE

To the Venerable the General Assembly:

The Committee appointed by the Board of Administration to supervise this property reports that the plans agreed upon for improving the grounds have been carried out during the past year.

It was found necessary to have a survey made in order to establish the location of the new wire fence erected between this property and the property to the north. The trees and shrubs have been trimmed, and the general appearance of the property greatly improved.

The house is divided into three self-contained apartments, and some structural changes have been made downstairs which the Committee hopes will add to the comfort and convenience of the occupants.

A statement of receipts and expenditures is attached.

AUDITOR'S REPORT

To the Venerable the General Assembly of The Presbyterian Church in Canada.

In accordance with your instructions, we have examined the books and accounts of The Presbyterian Church in Canada for the year ended 31st January, 1942. The Cash on Hand was verified by count and we received confirmation of the respective bank accounts from your bankers.

We examined the Bond and Debenture securities and found them to be in accord with the books. These securities are held for safekeeping in the vaults of the Toronto General Trusts Corporation. The investments are shown on the Balance Sheet at book value.

No provision has been made for any further depreciation on the various properties shown in the Balance Sheet and we have not verified the title to the real estate, mortgage investments, or loans by search, certificate of title, confirmation or otherwise.

Subject to the foregoing, we certify that the Balance Sheet is, in our opinion, drawn up so as to show a true and correct view of the affairs of the Church, according to the information and explanations given us and as shown by the books.

HENRY BARBER, MAPP & MAPP,
Chartered Accountants.

E. W. McNEILL,
Treasurer.

The Staff in the Treasurer's Office, in addition to keeping eleven (11) different double-entry sets of books, keeps the records for all securities (bonds, debentures, stocks, shares and mortgages), the property of the Church, Pension Fund, Knox College, and other departments, all amounting to \$1,455,277.69 (see page 154) and cuts off the interest coupons monthly (in this being assisted by Dr. MacNamara), depositing same in the various bank accounts.

The Treasurer's Office also receives and acknowledges all money from Congregations, Sunday Schools and Young People's Societies, and makes all payments from the Budget, Knox College, Pension Fund and other departments, amounting in the aggregate to well over one million dollars.

The above figures indicate briefly the volume of business transacted in the Treasury Department, and the great amount of detail involved in the careful handling of above trust funds.

REPORT OF SPECIAL COMMITTEE *Re* THE BETTER ORDERING OF THE SETTLEMENT SYSTEM

To the Venerable the General Assembly:

The Special Committee appointed by the last Assembly to consider the matter of "The Better Ordering of the Settlement System" begs leave to submit herewith its report.

To this Committee the following material was referred:—

Overture of the Presbytery of Westminster (Minutes, 1940, page 142).

Report on this Overture as a Remit to Presbyteries (Minutes, 1941, pages 122, 123).

Overture of Presbytery of Lanark and Renfrew (Minutes, 1941, pages 145, 146).

Unprinted Overture of Presbytery of Brockville relating to the same question, and submitted to the last Assembly.

The Committee is sympathetic with the concern shared, it is believed, by the Church at large, which has occasioned the overtures in question, and submits the following observations as to some of the facts of the present situation:—

1. When the matter, as raised in the Overture first mentioned, was remitted by the Assembly of 1940 to the Presbyteries for consideration and report, replies were received from only 23 out of the 47 Presbyteries of the Church and of the former, 16 reported approval and 7 disapproval, with certain of the latter making constructive suggestions. It is therefore evident, that while the Church as a whole is concerned, a very large number of the Presbyteries, for their own reasons, have not expressed themselves, and only a few have offered advice.

2. There are certain intangible elements involved with which the Committee, as such, feel it cannot deal. World conditions have complicated matters. A certain restlessness seems to mark many of our ministers. Congregations seem to ignore genuine piety, ability and experience, in showing a decided preference for ministers who are young in years. The relatively stationary conditions of our communicant membership suggests an absence of conviction that decision for Christ is vitally linked with witness-bearing as communicants over the whole church. Even communicant members, removing permanently from their "mother" congregations, appear largely indifferent to the importance of transferring their membership to their nearest congregation. The problem of finances also is self-evident and has a bearing upon our problem. These and kindred elements are mentioned simply to indicate a felt handicap in getting at the root of the matter committed unto us.

3. Then the large number of vacant congregations and the correspondingly large number of our ministers, active and desirous of settled pastoral work, but having none, enhances the difficulties which emerge. This partly explains the overtures which brought the Special Committee into being.

With the apparent need for some modification of the present Settlement System before the Committee together with the aforementioned facts, and in the conviction (i) that the problem is one of the spirit, involving both ministry and people, rather than one of regulations, and (ii) that any suggestion for re-organization or set-up or procedure would hazard a breach of certain fundamental ecclesiastical concepts, the Committee has largely felt that it would be a mark of wisdom to make haste slowly

in any recommendations. An attempt was made to define the Reform principle of the selection and settlement of the ministry or teaching eldership. Then in the light of the secondary standards of our Church, the Committee proceeded to formulate certain suggestions which are appended hereto in the form of recommendations, and which aim at the safeguarding of the underlying principle and at the same time, at solving—so far as it is possible to solve such a matter by regulation—the present difficulty.

The Committee is agreed that in substance, the Reform principle which must be safeguarded, may be stated as follows:—(a) The right to select a minister or resident teaching elder rests with the whole people of the congregation, *i.e.*, communicant members, with adherents privileged to concur. This right is to be exercised—and to that extent limited—under the guidance and with the assistance and counsel of the interim moderator of its Kirk Session appointed duly by the Presbytery of the bounds; and (b) the responsibility of the Presbytery of the bounds to the whole church to safeguard the said right and to secure a permanent settled ministry of the Word and Sacraments in every congregation within its bounds.

Within the limits of this principle and the provisions of our own Book of Forms and Rules, the Committee submits the following recommendations:—

(i) That in every Presbytery there shall be appointed annually a committee, (the number to be in the discretion of Presbytery) which shall be responsible for assisting all interim moderators within the bounds in the matter of securing suitable ministers for all vacancies, and for seeing that the settlement of all vacancies be expedited in accordance with any and all regulations of the General Assembly or the established law of the Church. This Committee likewise shall keep a confidential record of all ministers of the Church desirous of settlement anywhere in the Church in Canada, to which interim moderators shall have access.

(ii) That the practice of arranging leets of any number be discontinued, and that the principle of the provision in the Westminster Standards (adopted by our Church but not adhered to) be recognized as authoritative in all cases, save that instead of three "days" of preaching, two successive Sundays be substituted. The provision (Westminster Standards-Form of Church Government, Directory for Ordination) reads as follows:—

2(9) "As for him that hath formerly been ordained a minister and is to be removed to another charge, he shall bring a testimonial of his ordination and of his abilities and conversation, whereupon, his fitness for that place shall be tried by his preaching there, and (if it shall be judged necessary) by a further examination of him."

3. "In all which he being approved, he is to be sent to the church where he is to serve, there to preach THREE SEVERAL DAYS AND TO CONVERSE WITH THE PEOPLE THAT THEY MAY HAVE TRIAL OF HIS GIFTS FOR THEIR EDIFICATION AND MAY HAVE TIME AND OCCASION TO ENQUIRE INTO AND THE BETTER TO KNOW HIS LIFE AND CONVERSATION."

4. "In the last of these three days appointed for the trial of his gifts in preaching, there shall be sent from the presbytery to the congregation a public notice in writing which shall be publicly read before the people and after affixed to the church door, to signify that such a day a competent number of the members of that congregation, nominated by themselves, shall appear before the Presbytery to give their consent and approbation to such a man to be their minister; or otherwise to put in with all Christian discretion and meekness, what exceptions they have against him. And if upon the day appointed, there be no just exception against him, but the people give their consent, then the Presbytery shall proceed to (ordination)."

This recommendation of our Committee is to the effect that instead of a leet, a "candidate" carefully selected, shall preach on two successive Sundays, and spend

at least the greater part of the intervening days among the people, and that after the second Sunday, the congregation, under the guidance of the Interim Moderator, shall decide for or against moderating in a call. If against, then to proceed as before. If for, then so to acquaint Presbytery, etc.

(iii) That, in the alternative, congregations be enjoined, through interim moderators and the said Committee of Presbytery, to have the Congregational Committee (hereinafter referred to) arrange to hear prospective ministers in their own fields, and to recommend the call if all things are suitable—without the procedure defined in the former recommendation, and on the certificate of such congregational committee.

(iv) That all congregations, in the case of a vacancy, select a committee of not less than six members, two from the Kirk Session, two from the Board of Managers, and two from the rest of the congregation, such committee to have charge and responsibility for representing the congregation in the matter of filling such vacancy, as aforesaid.

(v) That licentiates shall not be ordained, and ministers accepted from other communions by the General Assembly, shall not be inducted, until the expiration of at least one year, to be spent continuously in some congregation within our Church; and that such ordination or induction shall not proceed as of right but shall be subject to review, based upon the record of such year.

(vi) That, while not suggesting a limited pastorate, the practice of inordinately short pastorates be discountenanced by all church courts, as well as all inordinate and unnecessarily long vacancies.

(vii) That Presbyteries be enjoined to proceed with the utmost care and discretion as well as Christian charity in the matter of certifying (a) students desiring to proceed upon a course of study for the ministry and (b) ordained ministers of other communions seeking to be received into The Presbyterian Church in Canada.

(viii) That, if any or all of the above recommendations be approved by this Assembly, they shall be made a matter of trial and experiment throughout the Church, for the period of (one year) to be followed by a remit upon them to the Presbyteries under the Barrier Act.

(ix) That this Committee be discharged.

Dated at Toronto, Ontario, May 27th, 1942.

All of which is respectfully submitted,

S. M. SCOTT,
Convener.

D. H. CURRIE,
Secretary of Committee.

Memorial Record

Synod of the Maritime Provinces

REV. A. CRAISE, D.D.

The Presbytery of Saint John hereby desires to place on record its sense of loss suffered in the death of the Reverend Alexander Craise, D.D., at Sackville, N.B., on July 10th, 1941.

Dr. Craise was born at Leaderfoot, near Melrose, Scotland, on May 5th, 1864, and had, therefore, passed his 77th year. From the local schools he entered Glasgow University graduating in the Spring of 1892. In the Summer of that year he came to Nova Scotia entering Pine Hill Theological College in November, and graduating in 1895.

In October of that year he was called to Mount Stewart, P.E.I., and was there, and at West River, on the Island, till 1915, when he was settled at Bass River and West Branch, in the Presbytery of Miramichi. His ministry here extended till 1926, when he was appointed Port Chaplain for St. John and Quebec. Relinquishing this office in 1931, he took a Home Mission appointment to New Carlisle filling this outpost for two years, and later moving to Dorchester and Sackville where he ministered until his retirement in 1935, and continued to live till the date of his death.

He was elected Moderator of the Synod of the Maritime Provinces meeting in Halifax in the Fall of 1935. In 1936, he was granted the honorary degree of Doctor of Divinity by the Presbyterian College, Montreal. For a number of years he was the efficient Clerk of the Presbytery of Saint John.

Dr. Craise as a pastor was diligent, sympathetic and faithful, and won a large place in the affections and regard of the people of his various charges both on the Island, and in the Province of New Brunswick. Unobtrusive and courteous in manner, he was studious in his habits, and was a man as wise in counsel, and as devoted to duty, as he was firm in his convictions. When the Church Union controversy was forced upon the Church, he had the distinction of being the only minister in his Presbytery who remained true to the Presbyterian cause.

His funeral was held from the Sackville Church on July 12th. The minister of the Charge, Rev. K. Guergis was assisted by Rev. J. A. McGowan of Bass River, and Rev. Dr. Frank Baird, who gave an appreciative address.

Mrs. Craise and two daughters, to whom the Presbytery extends sincere sympathy, survive.

Interment was in the local cemetery at Sackville.

Synod of Montreal and Ottawa

REV. JENKINS BURKHOLDER

The Presbytery of Brockville desires herewith to place on record its deep sense of loss in the death in his sixty-ninth year of Rev. Jenkins Burkholder.

A native of Unionville, Ontario, and a graduate of Knox College, Toronto, the late Mr. Burkholder was ordained to the Holy Ministry in 1909. He served the Church in several charges in Ontario before coming to the pastoral charge of Knox Church, Morrisburg, to which he was inducted on the 23rd day of April, 1926.

After a fruitful ministry of over thirteen years, he was forced by ill-health to resign that charge on the 2nd day of May, 1939, and to retire from the active duties of the ministry. Since his retirement he has made his home at Farran's Point, Ontario, where he passed away on the 29th day of April.

Held in the highest regard by his brethren in the ministry, he was greatly esteemed by all who knew him and his influence for good in the communities in which his lot was cast, was very great. Of a quiet and studious nature, he was a forceful preacher of the great evangelical truths of the Gospel.

A presbyter, par excellence, he was assiduous in his attendance in the Courts of the Church and diligent in the discharge of the duties entrusted to him in the many committees of which he was a member. As Moderator of the Presbytery he brought a knowledge and dignity to the office, too seldom seen in our midst.

In mourning his loss the Presbytery would seek to convey its deepest sympathy and sincerest condolences to his sorrowing widow and family and would pray that the God of all consolation would comfort their hearts at this time of sadness and would give to them the "the oil of joy" in their time of mourning.

REV. H. T. KALEM

Rev. Hagope Thomas Kalem was born at Diarbekir, in Armenia, the son of Thomas and Sadie Kalem.

He was educated at a college in his native country and took post-graduate work in Harley College, London, England. After teaching in his homeland and also in England, he came to Canada, where, for a time, he had a position in the commercial life of Montreal.

Deciding to enter the ministry, he enrolled in Montreal College, from which he graduated. Ordained by the Presbytery of Brockville, he was inducted into the Church at Dunbar and Colquhoun. After a short pastorate there, he was called to Beechburg in the Province of Quebec, where he served the Church for twenty years.

Being a brilliant linguist and with special knowledge of the Near East dialects, he was appointed by the Government to the Postal Censorship Department in the last great war.

After the war, Mr. Kalem resumed his work in the ministry and served most acceptably in the Presbytery of Lanark and Renfrew, his last charge being at Ross.

Mr. Kalem was blessed with good health and was sick only a short time preceding his death.

At the last General Assembly, the Presbytery of Ottawa received permission to place his name on the Constituent Roll as he was then living within the bounds of that Presbytery.

The funeral service was conducted by Dr. Hugh Cameron and Dr. Robert Johnston, and he was buried at Upper Eardley. He leaves a family of one son and three daughters, children of whom any father might well be proud.

Synod of Toronto and Kingston

REV. ROBERT HONEYMAN

Rev. Robert Honeyman was born in Falkland, Scotland, in 1867. When learning the iron moulder's trade, he did street preaching, both in Glasgow and in Dundee, as well as work among the young people in the Church where he was a member. He came to Canada in 1910 and laboured on the Mullingar and Hyde Park Mission fields in Northern Saskatchewan from 1910 to 1915. These fields were forty miles from the railway and called for a great deal of driving by buggy in the summer and by sleigh in the winter.

He graduated from St. Andrew's College, Saskatoon, in 1917 and was ordained at Fielding, Saskatchewan, and inducted as minister of that Charge by the Presbytery of Battleford on May 11th, 1917. That same year he was married to Miss Maud Francey of Saskatoon. He was afterwards minister at Ruthilda and St. Walburg, going from the latter place to Maple Creek, where he remained from 1924 to 1930.

Up to this time his ministry had been within the bounds of the Synod of Saskatchewan. Coming to Ontario in 1930 he was called to the congregations of Amos, Dromore and Knox, Normanby, where he remained till he retired from the active ministry in 1938. At various times he had been Clerk of the Presbyteries of Battleford, Kindersley, Moose Jaw and Saugeen, and never were the proceedings of courts more carefully recorded.

After his retirement he made his home in Durham, where he continued to supply congregations as opportunity offered. His final illness was of over a year's duration, but was borne with great patience. He died on December 17th, 1941, in his 75th year, leaving to mourn his passing his wife, two brothers and two sisters in Scotland.

Never had the Presbyterian Church a more loyal servant. No drive was too long and no work was too hard for him to undertake, if, thereby, he could serve the Church he loved and do the will of the Master, who had called him into the ministry.

REV. FRANK HUTCHISON

Rev. Frank Hutchison was born in Dublin, Ireland. In his earlier years he was engaged in business in the city of Belfast. When past middle life, he entered the Bible Training Institute, Glasgow, where he remained for two years, taking the full Bible Course. Following this he engaged in Evangelistic work in many parts of Scotland, also in the North of Ireland, where he went out under the Irish Evangelization Society.

In 1926 he came to Canada, and took a special course, under the direction of the Board of Education, in the Presbyterian College, Montreal. He was called to the Pastoral Charge of Argyle and Duff's Church, Dunwich, and ordained by the Presbytery of London. From there he went to Sherbrooke, N.S., as stated supply. In the succeeding years he served as supply in various congregations, and under the General Board of Missions.

In the Spring of 1941 he was appointed to the Mission Field at Leggatt's Point in the Presbytery of Quebec, where he served only a few weeks. On July 13th he was suddenly stricken shortly after the evening service which he had conducted, and passed away the next day. He was in his 67th year. Interment took place at Leggatt's Point.

Mr. Hutchison is survived by two brothers, Rev. Wm. Hutchison, minister of the Presbyterian Church at Portrush, County Antrim, Ireland, and John P. Hutchison, Philadelphia, a niece, a nephew, James Curry and a sister living in Belfast.

Mr. Hutchison was a friendly, warm hearted and earnest man, and although for some years he laboured under the adverse condition of poor health, he steadily followed his course, giving himself to the work of the ministry as opportunity offered.

REV. SAMUEL LUNDIE, B.A.

Rev. Samuel Lundie passed away at his home in Port Credit, Ontario, on December 18th, 1941, in his seventy-ninth year. He was born in County Cavan, Ireland, on January 16th, 1863. He received his education at the Royal Academical Institution, Belfast, Queen's College, Belfast, and Edinburgh University. He was ordained in 1887, and inducted as minister of McKelvey's Grove Church in County Monaghan, Ulster. He served for twenty-one years as minister of the Presbyterian Church in Greystones, near Dublin.

In 1912 Mr. Lundie came to Canada. He was received by the General Assembly in 1914, and settled as minister at Qu'Appelle, Saskatchewan. In 1919 he was called to Grand Valley and South Luther in the Presbytery of Orangeville, where he ministered until 1925 when he was called to Port Credit, his last Charge, where he served for nearly fifteen years. In April 1929, he was elected Moderator of the Presbytery of Toronto. He retired from the active duties of the ministry in 1939 because of ill-health, with a record of fifty-two years in the active ministry of The Presbyterian Church.

Mr. Lundie was an earnest evangelical preacher, a kindly and sympathetic pastor, beloved and respected by his congregation and by his brethren in the ministry.

The funeral service was held in St. Andrew's Church, Port Credit, which was erected during his ministry. The elders of the congregation acted as pall-bearers. In the absence of the Moderator of Presbytery, Rev. Edgar Foreman presided, assisted by Dr. J. B. Paulin. By special request the address was given by Rev. J. N. McFaul of Stratford, an old friend of the family, who came from the late Mr. Lundie's birth-place in Ireland.

Mr. Lundie is survived by his widow, Elizabeth Walker Lundie, two sons, Mr. John and Mr. Dermot Lundie, and a daughter, Miss Elizabeth.

The sincere sympathy of the Presbytery is extended to the bereaved family.

REV. P. F. SINCLAIR, M.A.

Rev. Peter Frederick Sinclair was born at Melbourne, Ontario, on October 6th, 1871, a son of the late Dr. Gordon A. Sinclair. He attended Strathroy Collegiate, and Toronto University from which he received the degrees of B.A., and M.A. He spent two years in Knox College, and took his final year in Theology in Princeton Seminary, from which he graduated in 1898.

He was ordained by the Presbytery of Lindsay, and inducted into the pastoral charge of Sonya and Cresswell on August 28th, 1900. In 1905 he went to Winnipeg as assistant in St. Andrew's Church. In 1909 he took charge of the Chester Mission, Toronto, which, under his ministry, soon developed into the North Broadview Presbyterian Church where he laboured until 1914.

After leaving the active ministry Mr. Sinclair served in the Industrial Relations Department of the Imperial Oil Company, Toronto, until his retirement about eight years ago. His death took place on November 26th, 1941.

The funeral service was conducted by Rev. R. C. McDermid, former minister of St. Paul's Presbyterian Church, Toronto, of which Mr. Sinclair was a member, and Rev. John A. Mustard, a personal friend of many years' standing. Interment took place at Longwoods Cemetery, Melbourne.

Mr. Sinclair is survived by one brother, Mr. H. M. Sinclair.

REV. R. B. STEVENSON, M.A.

Rev. Robert Bruce Stevenson, M.A., was born at Britton, Ontario, on November 10th, 1869. He was a graduate of Toronto University and Knox College. Upon graduation in 1908 he was called to Lucan, and was ordained by the Presbytery of Stratford on May 28th, 1908. He held pastorates also at Tavistock, Shelburne, Ashburn, Knox Church, and Mount Pleasant, Brantford, and Bradford.

For ten years he served on the staff of The Lord's Day Alliance as Field Secretary in the Province of Ontario. In 1934 he moved to Toronto, and for several years gave occasional supply until prevented by ill health.

His death occurred on September 5th, 1941, in his 72nd year. The funeral service was conducted by Rev. N. Stevenson, assisted by Rev. S. H. Pickup. Interment took place at Harriston, Ontario.

Mr. Stevenson is survived by his widow and one son, Harold, both of whom reside in Toronto, to whom the Presbytery extends its sincere sympathy.

REV. JAMES WILSON, D.D.

Rev. James Wilson, D.D., was born in Huron County, Ontario, on January 3rd, 1865. After attending High School in Goderich he taught school for a time. He was a graduate of the University of Toronto and of Knox College. On June 1st, 1893, he was ordained and inducted into the Pastoral Charge of Drummond Hill, Niagara Falls and Chippawa, where he served for seven years.

In 1900 he was called to Glencoe, in the Presbytery of London, and from there, in 1905, he was called to Dovercourt Church, then situated almost on the outskirts of the City of Toronto, in what was known as Dovercourt Village. Here he served for twenty years. During his ministry the present well-equipped church on Dovercourt Road was erected, and a strong congregation established, in which a fine missionary spirit was developed during the years.

In 1923 he was honoured with the Degree of Doctor of Divinity by Knox College. He was chosen as Moderator of the Presbytery of Toronto, and also as Moderator of the Synod of Toronto and Kingston.

In 1925 he was called to Brampton, where he served for five years. His last Charge was Wychwood, Toronto, where, under his leadership, the present church was erected and the congregation greatly strengthened.

It can truly be said of Dr. Wilson, "If you seek his monument, look around you." You will find it in the churches he built, in the congregations which he established and developed, and in the spirit of christian liberality and stewardship manifest during his long ministry.

In 1938 he retired from the active ministry, but continued to give valuable service to the Church. He was a member of the General Board of Missions, the Board of Administration, the Trustee Board, the Church Extension and Church and Manse Board, and the committee in charge of the Dr. Ephraim Scott Fund. His wide experience, his knowledge of the work of the church at home and abroad, and his sound judgment made him a valued member of the Church Courts and of the Boards and Committees on which he served.

Dr. Wilson was a strong evangelical preacher, a most faithful and sympathetic pastor, a man of fine organizing ability and a profound believer in the missionary responsibility of the Church.

REV. EDWARD B. HORNE, M.A., D.D.

There passed away in the Civic Hospital, Ottawa, on Thursday afternoon, August, 14th, 1941, following an operation for mastoid, a well known Educationist and Preacher in the person of Dr. Edward B. Horne of Renfrew. For some years Dr. Horne had not been in good health, and on several occasions had been a patient in the hospital. He made his home in Renfrew, where for several years he was minister of St. Andrew's Church.

Dr. Horne was born in the township of Brock, county of Ontario, seventy-one years ago, the youngest son of the late George Horne of Cannington, Ontario. Following his matriculation he entered the University of Toronto in the department of Political Science, where he took a brilliant course, being scholarship man throughout and head man of his year.

Afterwards he entered Knox College, and served that institution on different occasions as instructor becoming known as a deep thinker and debater in the Church Courts. He was ordained on September 25th, 1900. His first charge was at Watford, Ontario, Presbytery of Sarnia, where he served eleven years until he accepted a call to Renfrew in 1912. Shortly after settling in Watford he married Miss Abigail Ecclestone, Hamilton, Ontario. Her death in 1923 was a great blow, and had much to do with the ill-health, which marred the closing years of his life. He served in Renfrew till the spring of 1924. Later, as health permitted he preached in Truro, N.S., Quebec City and Sault Ste. Marie.

His fine mind and academic training made his interpretations of scripture texts in his sermons both interesting and impressive and provocative of thought. He was known as an outstanding preacher. Dr. Horne's wide reading kept him in constant touch with current events, and his analytic mind, and fine English style made him a

valuable contributor to various church and university journals and well known magazines both in Canada and the United States. He was honoured by the Senate of Knox College with the degree of D.D. in 1920.

From the home of his intimate friend, Mr. John R. Stewart, Renfrew, the body was taken to the Presbyterian Church on Sunday afternoon, August 17th for the funeral service, interment being in Thomsonville cemetery. Dr. Horne is survived by a sister, Miss Mary Horne, Tillsonburg, Ontario, and one brother, Rev. H. R. Horne, Regina, Saskatchewan.

REV. WILLIAM MACKINTOSH, B.A., B.D.

Rev. William Mackintosh, B.A., B.D., passed away at his home in Kitchener, Ontario, on November 7th, 1941, after an illness of several months. He had resigned as minister at Dundalk and Ventry in September, 1940, and at the time of his death was without a Charge. He was sixty-five years of age.

Mr. Mackintosh was born in Glasgow, Scotland, the son of William Mackintosh and Mary McKill, and received his early education in that city. Upon leaving Public School he entered business, and continued until his departure for Canada in 1903. He was an active member of Cunninghame Free Church and during his years in business gave most of his spare time to its activities, in Sunday School and Young People's Work, and especially Christian Endeavour. He was at one time president of the largest Junior Christian Endeavour Society in Scotland.

Coming to Canada Mr. Mackintosh served for three years in Mission Fields near Regina, and in Brandon, as assistant to the late Rev. R. W. Dickie. His academic training for the ministry was taken at McGill University where he pursued a double course, taking a very high stand in both. Later he attended the Presbyterian College, Montreal, graduating in 1911, with the degree of Bachelor of Divinity, and Medalist in General Proficiency, and in Church History. During his student years he spent the summers in mission fields at Digby, Nova Scotia, and at Portneuf, Harrington, and Metis in Quebec.

His first charge was at St. Helen's in the Presbytery of Maitland. Subsequently he held charges at Bond Head, Napier, Milverton, Hamilton Road Church, London, and finally at Dundalk and Ventry in the Presbytery of Orangeville.

He is survived by his widow, formerly Miss Lilian Clark of St. Helens and by three sons, Douglas, a graduate of Glasgow University, and at present an officer cadet in training for the R.A.F., Donald, L.A.C. in the R.C.A.F. at present stationed at St. Thomas, and Robert, with the Mutual Life Assurance Company, of Waterloo.

The funeral service was held in St. Andrew's Church, Kitchener, and was conducted by the Moderator of the Orangeville Presbytery, assisted by members of the Presbytery of Guelph. Interment was made in the cemetery at Kitchener.

Mr. Mackintosh was a thoughtful student, an earnest and evangelical preacher of the Gospel, and a faithful and sympathetic pastor. While in London, he visited the hospital as the representative of Presbytery. His services there will be well remembered by those who were fortunate enough to receive his words of cheer and Christian encouragement. He was never too busy to help a brother minister in time of need. Indeed his whole life was such that one might well suppose his motto was,—"I am among you as he that serveth." As a member of Presbytery he was ever ready to take his share of tasks and responsibilities, and was diligent and efficient in the discharge of any duty laid upon him. He cherished high ideals of the office of the Christian Ministry, and by word and example endeavoured to keep those ideals before his fellow workers. His influence will long remain with those who were privileged to know him and work with him.

REV. ANGUS SUTHERLAND

Rev. Angus Sutherland passed away at his home in Priceville, Ontario, on the third day of April, 1942. He had been in poor health for some years, and was without charge.

Mr. Sutherland was born in Lairg, Sutherlandshire, Scotland, in 1886, the son of James Sutherland, a sheep farmer, and Janet Fraser. He received his early education in the schools at Lairg, and began work as a clerk in the offices of the Highland Railway. He came to Canada in 1911, and worked for a time in the offices of the Grand Trunk Railway.

Deciding to study for the ministry, he matriculated at McGill University. During his arts course, he served as a student missionary in Alberta in the summers of 1913, 1914, and 1915. Before graduating he enlisted in the Grenadier Guards, and went overseas in 1916. He saw action in France and was wounded at Vimy Ridge. After recovering he went back to active service. In April, 1918, he was commissioned as a lieutenant. He was wounded again five days before the armistice was signed. In July 1919, he was honorably discharged from the army.

Returning to Canada he was given his standing in arts, and in the fall of 1919 he began the study of theology at the Presbyterian College, Montreal. During the summer of 1920, he took the summer course at Knox College, and in the fall returned to Montreal to complete his studies in theology. He graduated in 1921, winning the Dr. Barclay prize of sixty dollars.

His first charge was at Consort and Whitton, in Alberta, to which he was called without a hearing, and was ordained there in 1921 by the Presbytery of Castor. He spent three years in this charge. In 1924 he was called to Priceville and Swinton Park in the Presbytery of Orangeville; in 1926 his health began to fail, the result of his experiences while on active service, and he resigned his charge. The next summer he was sent to Marion Bridge in Cape Breton, where he laboured for one year, but his health continuing to fail he gave up work, and in the fall of 1928 went to Scotland for a rest. He remained there for nine months and then returned to Priceville where he resided until the end came.

In 1920 he married Miss Violet Fry, who was born in London, England, but had moved to Alberta in 1905. He is survived by his widow, three sons and one daughter: James Ernest, who has completed his studies at the Bible College and is under appointment to a Mission Field in the West, Angus Laurie with the T. Eaton Co., and John Gerald Robert, a student at High School, and Priscilla.

The funeral services were held in the church at Priceville and were conducted by Rev. T. O. Miller, Moderator of Presbytery, assisted by Rev. Dr. A. V. Brown, and by Rev. Walter McCleary and Rev. J. D. Wilkie, the two latter being old friends of the Sutherlands.

Mr. Sutherland in his youth was a fine specimen of physical manhood, at college he was a diligent student, and as a minister he was an earnest preacher, and a faithful and beloved pastor. During his later years in spite of poor health he took an active interest in the work of the church and gave liberally from his meagre resources to the work of the Kingdom. He now serves where strife, wounds and suffering are unknown.

Synod of Hamilton and London

REV. ROBERT C. ACHESON

The following Memorial was passed by the Presbytery of Maitland:

Maitland Presbytery was shocked when it learned of the sudden call to one of its esteemed ministers, Rev. Robert C. Acheson, who died at the Manse, Molesworth, December 1st, 1941.

Mr. Acheson was born in January, 1875, in the city of Belfast, Ireland, and there he received his early education. He came to Canada in 1912.

Hearing the Call of the Lord to prepare for the ministry, Mr. Acheson studied in McGill University, Montreal, and St. Andrew's Theological College, Saskatoon, Saskatchewan, of which institution he had the honour of being the first graduate. Most of Mr. Acheson's service to our Church was rendered in the West. With devotion he served the congregations of Shelbrook and Simpson, Saskatchewan; Three Hills, Alberta; Northside Church, Regina; Vancouver Heights, Vancouver, B.C. On September 28th, 1939, he was inducted to the Pastoral Charge of Molesworth and Gorrie in the Presbytery of Maitland, Ontario. His ministry was marked with ability, piety and faithfulness. True to his convictions, he defended his Church in her hour of need and served her most joyously.

As a Presbyter he was assiduous in his attendance in the Courts of the Church, and diligent in the performance of the duties entrusted to him on the committees of which he was a member. His brethren in the Presbytery of Red Deer knew him as their Moderator, as also did his brethren of Westminster Presbytery.

Mr. Acheson was a very earnest, evangelical preacher whose messages will long be remembered by those who heard him, whilst his memory is enshrined in the hearts of all who knew him.

Mr. Acheson never married and he leaves to mourn his loss, his sister, Miss Catherine Acheson, who lived with him, a brother, Dr. S. E. Acheson of Belfast, Ireland, and niece, Mrs. J. C. Agnew of Sault Ste. Marie. Presbytery extends to them its sincere sympathy and prays for them the Divine consolation and the very present help of Him who never fails to comfort those who lean upon Him.

The funeral was held on Wednesday, December 3rd, 1941, under the auspices of Maitland Presbytery, the Moderator, Rev. S. Kerr presiding. Dr. W. A. Cameron, Secretary of the Board of Missions came from Toronto to be in attendance. Ministers from surrounding Churches, Anglican, Presbyterian and United joined with his brethren of the Presbytery to pay their tribute to departed merit.

We laid him to rest in Molesworth Cemetery and his body lies among the people he served and learned to love as a Shepherd of the Flock.

REV. W. J. WEST, M.A.

The Presbytery records with deep and profound regret the passing of the Rev. W. J. West, a member of this Court, who was called to his reward, after a brief illness, in Victoria Hospital, London, Ontario, on July 24th, 1941.

Rev. W. J. West was born in the township of Darlington in the county of Durham, in the year 1869, the son of Samuel West and Mary Evans. When he was quite young the family moved to Woodstock, Ontario. He was educated in Woodstock, University of Toronto, and Knox College, graduating from the latter institution in 1895. Post graduate studies followed at Edinburgh which led to the granting of the degree of M.A., by the University of Toronto.

Mr. West spent his entire ministry in the Province of Ontario. He was ordained at Bluevale in the Presbytery of Maitland in 1897 where he laboured very successfully for fifteen years. In 1912 he was called to Port Perry where he remained until 1917. His third charge was Dunnville where he spent nine years. From Dunnville he was called to Atwood where he remained until 1935 when he retired from the active ministry taking up residence in Stratford, then moving to London in April, 1941.

Mr. West took an active interest in the general work of the church. Besides serving on various committees of the General Assembly, he was for a number of years Clerk of the Presbytery of Maitland, and the Presbytery of Stratford. In 1932 he was honoured with the Moderatorship of the Synod of Hamilton and London.

He was a member of the Masonic Order, The Chosen Friends and the Canadian Order of Foresters of which latter order he was High Chaplain for fifteen years.

Mr. West was married in 1899 to Victoria Gordon, daughter of the late J. K. Gordon, LL.B., and Mrs. Gordon, of Whitby, Ontario. He leaves to mourn his loss, besides his wife, two sons and two daughters—Capt. W. G. West, R.C.A.M.C., Charlottetown, P.E.I., Rev. J. K. West, of Monkton, Ont., Rhena J. West, Reg. N., London, and Mrs. E. W. Tyrrell, of Fort Erie. In addition to his immediate family he is survived by two brothers, Thos. West, of Woodstock, and Judge W. S. West, of Cayuga. A brother and six sisters predeceased him.

The funeral service was held in the Oatman Funeral Home, London, on July 26th, conducted by Rev. H. R. Williams, Moderator of the Presbytery of Stratford, assisted by Rev. T. J. Watson of New St. James Church, London, who gave the address. Interment was made in the Presbyterian Cemetery, Woodstock, the service at the grave being conducted by Rev. Dr. John McNair.

Mr. West was a man of strong convictions, and of sterling character. He was a dignified Christian gentleman, an earnest preacher of the Gospel and a true and faithful servant of the Church. Wherever he laboured he was greatly respected by those who came in contact with him.

The Presbytery of Stratford extends to Mrs. West and the members of the family its sincere and heartfelt sympathy in their hour of sorrow and loss.

REV. JOHN ELDER

Rev. John Elder of London, after a long and trying illness, passed to rest on January 10th, 1942, and his funeral, conducted by the Presbytery of London took place on the 13th, which would have been his eightieth birthday.

He belonged to a family of ministers, his father Andrew and his two brothers being ministers of the Church of Scotland.

After studying law in Glasgow, and taking part there in missionary work, he united with and was ordained a minister of the Baptist Church. He served in Irvine and on and over the Pentland Firth, whose crossing he often said prepared him for "the swelling of Jordan."

Coming to Canada in 1909 he ministered to Baptist Churches in Barrie and in Poplar Hill, Middlesex. In 1913 he made application and was received into the

ministry of the Presbyterian Church. Receiving a call to the Bethel and Bryanston Charge, he had scarcely entered upon his ministry there when the World War began, and receiving release, he followed his two sons Col. John and Dougald into the service.

Returning, broken in health, he sought a change and accepted an appointment to the mission at Chelsea Green. After serving there, he accepted a call to Guthrie Church, Melbourne, and Riverside from which he retired from active work in 1923.

Mr. Elder, because of his infirmity, spent the evening of his day as a hidden saint, finding interest and comfort in the Scriptures which he read through every year.

Mrs. Elder, his constant companion and attendant, lived only nine days after him. Separated in dying they live together in the home of many mansions.

Synod of British Columbia

REV. THOMAS WILSON, B.A.

The following memorial was passed by the Presbytery of Westminster:

"Once again this Presbytery is called upon to discharge the painful duty of placing on record the passing of one of its esteemed servants of God and brother minister, Rev. Thomas Wilson, B.A., who, at the ripe age of 84, having served the Church of his fathers for 55 years, crossed the silent river on August 16th.

Born in Elgin, Scotland, in 1857, he came to Canada as a boy with his parents and settled near Hamilton, Ontario. His academic training was taken at Toronto University from which institution he graduated in Arts in 1883. He pursued his studies further in Knox College receiving his testamur in 1886 following which he was ordained at Tottenham, his first charge. Subsequently he ministered at Beeton, Dutton, London and Walkerton and then at Medicine Hat and lastly at Mount Pleasant, Vancouver. During his pastorate here a new church was erected, the present edifice.

Mr. Wilson was a man of few words who believed that doing was better than seeming, and that giving was better than getting. He exhibited the estimable attributes of a Christian gentleman, dignity, humility and sincerity, with consideration always for the rights and feelings of others. He was also the possessor of that somewhat rare gift, good common sense and sound judgment, which is of the measure of a man's greatness. Once in conversation I heard him say these words, or similar, which are well worth repeating, 'That on the spur of the moment when a man is tempted to resent an offensive or opprobrious charge that is the very occasion on which he should remain silent'. He knew well that the thunder of silence was often more powerful and effective than the rumbling of many waters.

Standing upon the crest of Calvary he proclaimed the fundamental truths of the Cross, without ostentation, gathering his inspiration always from the sacred oracle of God and emphasizing the unsearchable riches of grace and the sanctifying power of Divine love.

A service in charge of the Presbytery of Westminster, of which he was a constituent member, was held in Mount Pleasant Church, conducted by the Moderator, Rev. Thos. Roulston, assisted by the minister, Rev. F. G. St. Denis. Rev. John McTurk, Moderator of Synod delivered the memorial address. From here the cortège made its way to the crematory, from which place the remains were forwarded to Dutton, Ontario, and interred in the family plot in God's acre.

This Presbytery believes that no more fitting eulogium could be engraved upon the tomb of our departed brother, nor indeed upon the memories of those who were associated with him in his noble work, than the words of the prophet of the Apocalypse, 'Blessed are the dead which die in the Lord, from henceforth, yea, saith the Spirit, that they may rest from their labours, and their works do follow them'.

The widow and family have the sympathy of the brethren, and our prayer is that God may be with them all the way until earth's shadows and sorrows disappear in the morning glory of Eternity."
